Bronc Busters and Hay Sloops Ken Mather, 2011-02-01 *Bronc Busters and Hay Sloops* tells the story of ranching in the West from the beginning of the Great War until 1960 Cowboy soldiers bronc busters First Nations upper crust Englishmen and the strong capable women of ranching country theirs are the stories told in this book Some of these characters are larger than life such as Joe Coutlee cow boss of the Douglas Lake Ranch whose booming voice gave him the nickname Roaring Bill Grover Hance who roped one of his men and tied him to a tree until he sobered up Florence Bunch Trudeau whose pet moose got a little too big for comfort Ollie Matheson one of the only women to ride in the Williams Lake Stampede's death defying Mountain Race Anne Paxton who tended cattle guided big game hunters ran pack horses and a ranch Bill Arnold who could ride anything that wore hide Ken takes readers inside sprawling ranches which were self contained communities in themselves and small family run homesteads scratched out of the wilderness Like his first book on ranching history *Buckaroos and Mudpups* this is an engaging look at fascinating times and the people who made them so *Beyond the City Limits* R.W. Sandwell, 2011-11-01 Historians have not usually identified British Columbia as a rural province B C historiography has been dominated by mining logging and fishing and theorized within the context of large scale laissez faire capitalism and economic individualism Silences in the historical record have exacerbated this situation and lent tacit support to the dominance of resource based capitalism as the shaping force in B C history The essays in *Beyond the City Limits* all published here for the first time decisively break this silence and challenge traditional readings of B C history In this wide ranging collection R W Sandwell draws together a distinguished group of contributors who bring expertise methodologies and theoretical perspectives taken from social and political history environmental studies cultural geography and anthropology They discuss such diverse topics as Aboriginal White settler relations on Vancouver Island pimping and violence in northern BC and the triumph of the coddling moth over Okanagan orchardists to show that a narrow emphasis on resource extraction capitalist labour relations and urban society is simply not broad enough to adequately describe those who populated the province's history By challenging the dominant urban based and overwhelmingly capitalist interpretation of the province's history the provocative essays in *Beyond the City Limits* expand our understanding of what rural was and what it meant in the history of British Columbia ***Echoes of British Columbia*** Robert Budd, 2014-10-11 In a follow up to his well received *Voices of British Columbia* Robert Budd returns with more captivating tales of the province's pioneering past in the very words of the people who lived them Between 1959 and 1966 the late CBC Radio journalist Imbert Orchard travelled across British Columbia with recording engineer Ian Stephen conducting interviews with some of the province's most remarkable and inspiring pioneers The resulting collection contained 998 conversations totalling 2 700 hours of material one of the largest oral history collections in the world and a precious treasury of western heritage In *Echoes of British Columbia* author Budd skilfully renders some of the most entertaining and astonishing accounts from the Orchard

collection into entrancing prose There are tales about rawhiding to the Klondike being rescued by the legendary Chief Capoose of riding and racing horses standing up of homesteading birth and murder You ll meet Pattie Halsam who grew up at remote Cape Beale Lighthouse and travelled to Victoria by canoe You ll laugh and cry with Bob Gamman as he transports a frozen corpse via wicker laundry basket and tugboat You ll thrill to Thomas Bullman s eyewitness account of the siege of the murderous McLean Gang s cabin in Douglas Lake Combining text archival photographs and original sound recordings on three CDs this collection brings the reader and listener in intimate contact with British Columbia s past deepening our understanding of the characters and events that shaped the province
