Provisional Theory for an Uncertain World

ELISABETH ELLIS

Kants Politics Provisional Theory For An Uncertain World

Brown Garrett Wallace Brown

Kants Politics Provisional Theory For An Uncertain World:

Kant's Politics Elisabeth Ellis, 2005 Kant's brilliant original contributions to political thought cannot be understood without attention to his dynamic concept of provisional right argues Elisabeth Ellis in this book the first comprehensive interpretation of Kant's political theory Kant's notion of provisional right applies to existing institutions and practices that are consistent with the possibility of progress Ellis traces this idea through Kant's works and demonstrates that the concept of provisional right can be used both to illuminate contemporary theoretical debates and to generate policy implications In this new interpretation Kant's provisionalism provides a broad standard for political right that remains deeply responsive to historical and geographical particulars directing our attention to the dynamism between our world and our ideals Ellis offers us Kant for our time worldly pragmatic and intensely committed to the everyday pursuit of human freedom

Provisional Politics Elisabeth Ellis, 2008-01-01 If we are to vindicate moral reasoning in politics Elisabeth Ellis argues in this original and provocative work we must focus on the conditions of political discourse rather than the contents of any particular ethical system Written in an engaging direct style *Provisional Politics* builds on Ellis's prize winning interpretation of Kant's theory of provisional right to construct a new theory of justice under conditions of agency and plurality She develops this new perspective through a series of cases ranging from the treatment of AIDS widows in Kenya to the rights of non citizens everywhere as well as the clash between democratic decision making and the politics of species conservation The book concludes with a sobering discussion of the probable limits of political agency

Kant's Political Theory Elisabeth Ellis, 2012-08-02 Past interpreters of Kant's thought seldom viewed his writings on politics as having much importance especially in comparison with his writings on ethics which along with his major works such as the *Critique of Pure Reason* received the lion's share of attention But in recent years a new generation of scholars has revived interest in what Kant had to say about politics From a position of engagement with today's most pressing questions this volume of essays offers a comprehensive introduction to Kant's often misunderstood political thought Covering the full range of sources of Kant's political theory including not only the *Doctrine of Right* the *Critiques* and the political essays but also Kant's lectures and minor writings the volume's distinguished contributors demonstrate that Kant's philosophy offers compelling positions that continue to inspire the best thinking on politics today Aside from the editor the contributors are Michael Ferguson Louis Philippe Hodgson Ian Hunter John Christian Laursen Mika LaVaque Manty Onora O'Neill Thomas W Pogge Arthur Ripstein and Robert S Taylor

Kant's Nonideal Theory of Politics Dilek Huseyinzadegan, 2019-04-15 Kant's Nonideal Theory of Politics argues that Kant's political thought must be understood by reference to his philosophy of history cultural anthropology and geography The central thesis of the book is that Kant's assessment of the politically salient features of history culture and geography generates a nonideal theory of politics which supplements his well known ideal theory of cosmopolitanism This novel analysis thus challenges the common assumption that an ideal theory of cosmopolitanism

constitutes Kant's sole political legacy Dilek Huseyinzadegan demonstrates that Kant employs a teleological worldview throughout his political writings as a means of grappling with the pressing issues of multiplicity diversity and plurality issues that confront us to this day Kant's *Nonideal Theory of Politics* is the first book length treatment of Kant's political thought that gives full attention to the role that history anthropology and geography play in his mainstream political writings Interweaving close textual analyses of Kant's writings with more contemporary political frameworks this book also makes Kant accessible and responsive to fields other than philosophy As such it will be of interest to students and scholars working at the intersections of political theory feminism critical race theory and post and decolonial thought *Kant's Politics in Context* Reidar Maliks, 2014 Kant's *Politics in Context* is the first book length contextual study of Kant's legal and political philosophy It gives an account of the development of his thought before during and after the French revolution The book argues that Kant provided a philosophical defence of the revolution's liberal ideals while aiming to avoid the twin dangers of anarchy and despotism Central to this was a concept of freedom as non domination constituted by legal rights and duties within a state The close connection between freedom and the rule of law accounts for the centrality of the state in Kant's liberalism Understanding Kant's political philosophy poses difficulties that can be resolved by paying attention to the high stakes debates in Germany during the 1790s of which it was a part Kant's theory of politics was not the result of dispassionate academic reasoning but crystallized in polemical interventions against his conservative and radical critics in debates about freedom political rights revolution and international law By revealing the neglected origins of Kant's political concepts this book explains their meaning as well as their relevance to current debates in political philosophy [Kant on Practical Life](#) Kristi E. Sweet, 2013-07-18 This book offers a comprehensive account of Kant's practical philosophy that highlights the unity across its disparate themes **Sovereignty, State Failure and Human Rights** Neil Englehart, 2017-05-08 This book argues that the effectiveness of the state apparatus is one of the crucial variables determining human rights conditions and that state weakness and failure is responsible for much of the human rights abuses we see today Weak states are unable to control their own agents or to police abuses by private actors resulting in less accountability and more abuse By contrast stronger states have greater capacities to protect human rights even strong authoritarian states tend to have better human rights conditions than weak ones The first two chapters of the book develop the theoretical connections between international law sovereignty states and rights and the consequences of state failure for these relationships The empirical chapters Chapters 3-6 test the validity of these theoretical claims employing a multi method approach that combines quantitative and qualitative methods Englehart uses case studies of Afghanistan Burma Myanmar and the Indian state of Bihar to analyze types and patterns of state failure based on analysis of NGO reports archival research primary and secondary texts and interviews and field research Examining what happens to human rights when states fail the book concludes with implications for scholars and activists concerned with human rights This book will be of

great use to scholars of international relations comparative politics human rights law and state sovereignty Kant and the French Revolution Reidar Maliks,2022-03-03 To Kant the French revolution s central events were the transfer of sovereignty to the people in 1789 and the trial and execution of the monarch in 1792 1793 Through a contextual study this Element argues that while both events manifested the principle of popular sovereignty the first did so in lawful ways whereas the latter was a perversion of the principle Kant was convinced that historical examples can help us understand political philosophy and this Element seeks to show this in practice **The Oxford Handbook of Kant** ,2024-10-07 Immanuel Kant 1724 1804 is a towering figure of modern Western philosophy someone whose thought continues to exert an influence across all areas of the discipline His work is characterized by both breadth and unity he writes powerfully about mind epistemology metaphysics logic mathematics natural science ethics politics aesthetics education and more And across those areas his work is concerned with defending a view of human beings and their place in nature according to which our own reason enables us to discover and uphold the laws of nature and freedomthat is to think for ourselves The Oxford Handbook of Kant provides an up to date account of recent scholarship on Kant s philosophy taking in all areas of his writings It will be essential reading for students and researchers who want to think for themselves about the topics he wrote with such insight The individual chapters to this Handbook each provide a scholarly analysis and assessment of some aspect of Kant s thought and the collection ranges across all the areas to which Kant contributed It collectively presents a picture of where the study of Kant s philosophy finds itself at this point in the twenty first century Kant's Political Legacy Luigi Caranti,2019-09-15 This book focuses on Kant s analysis of three issues crucial for contemporary politics Starting from a new reading of Kant s account of our innate right to freedom it highlights how a Kantian foundation of human rights properly understood and modified where necessary appears more promising than the foundational arguments currently offered by philosophers It then compares Kant s model for peace with the apparently similar model of democratic peace to show that the two are profoundly different in content and in quality The book concludes in analysis of Kant s controversial view of history to rescue it from the idea that his belief in progress is at best over optimistic and at worst dogmatic Congratulations to Professor Luigi Caranti and his book Kant s Political Legacy which has been given a honorable mention by the North American Kant Society in the competition for the best 2018 book on Kant <http://northamericankantsociety.org/Announcements/6660588> Rights Duncan Ivison,2014-12-05 The language of rights pervades modern social and political discourse from prisoners to unborn babies yet there is deep disagreement amongst citizens politicians and philosophers about just what they mean Who has them Who should have them Who can claim them What are the grounds upon which they can be claimed How are they related to other important moral and political values such as community virtue autonomy democracy and social justice In this book Duncan Ivison offers a unique and accessible integration of and introduction to the history and philosophy of rights He focuses especially on the politics of rights the fact that rights have always been and will remain deeply contested He discusses not

only the historical contexts in which some of the leading philosophers of rights formed their arguments but also the moral and logical issues they raise for thinking about the nature of rights more generally At each step Ivison also considers various deep criticisms of rights including those made by communitarian feminist Marxist and postmodern critics The book is aimed at students and readers coming to these issues for the first time but also at more knowledgeable readers looking for a distinctive integration of history and theory as applied to questions about the nature of rights today **Kant's**

Cosmopolitics Brown Garrett Wallace Brown,2019-04-01 Written by a group of international scholars the essays in this collection investigate issues related to the interplay among the state and global governance peace and human rights enforcement migrant crisis management European federalisation global educational reforms and Kantian based ideas for fostering what some might call a cosmopolitan culture As a result this book advances the field of Kantian cosmopolitanism and how it relates to current debates in political theory philosophy and the study of international relations Kant and

Colonialism Katrin Flikschuh,Lea Ypi,2014-11-20 This is the first book dedicated to a systematic exploration of Kant s position on colonialism Bringing together a team of leading scholars in both the history of political thought and normative theory the chapters in the volume seek to place Kant s thoughts on colonialism in historical context examine the tensions that the assessment of colonialism produces in Kant s work and evaluate the relevance of these reflections for current debates on global justice and the relation of Western political thinking to other parts of the world *The Kantian Subject* Fernando M.

F. Silva,Luigi Caranti,2023-11-30 This book presents a critical reconsideration of the Kantian cognitive and practical subject Special attention is devoted to highlighting the complex relation between subjectivity as it is presented in the three critiques and the way in which it is construed in other writings in particular the Anthropology While for Kant our cognitive apparatus and the structure of our will are common to all humans the anthropological subject reveals degrees of variation depending on a myriad of external circumstances that pose a challenge to the unity of Kant s account and await theoretical solutions The chapters collected in the volume delve into how the different shapes of human nature are not unrelated They explore how and why different Kantian subjects are closely connected at their core if not entirely unified The notions of personality humanity and citizenship will serve as leading threads for the reconstruction of this possible underlying unity An engaging read that promises to deepen our understanding of human nature the volume will be of great interest to scholars and researchers of philosophy politics psychology social anthropology ethics and epistemology **Kant and the Concept of**

Community Charlton Payne,Lucas Thorpe,2011 An interdisciplinary collection of essays focused on Kant s work on the concept of community The concept of community plays a central role in Kant s theoretical philosophy his practical philosophy his aesthetics and his religious thought Kant uses community in many philosophical contexts the category of community introduced in his table of categories in the Critique of Pure Reason the community of substances in the third analogy the realm of ends as an ethical community the state and the public sphere as political communities the sensus communis of the

Critique of Judgment and the idea of the church as a religious community in Religion within the Boundaries of Mere Reason

Given Kant's status as a systematic philosopher volume editors Payne and Thorpe maintain that any examination of the concept of community in one area of his work can be understood only in relation to the others In this volume then scholars from different disciplines specializing in various aspects of and approaches to Kant's work offer their interpretations of Kant on the concept of community The various essays further illustrate the central relevance and importance of Kant's conception of community to contemporary debates in various fields Charlton Payne is postdoctoral fellow at Plattform Weltregionen und Interaktionen Universität Erfurt Germany Lucas Thorpe is Assistant Professor in the Department of Philosophy at Bogaziçi University Turkey Contributors Ronald Beiner Jeffrey Edwards Michael Feola Paul Guyer Jane Kneller Batrice Longuenesse Jan Mieszkowski Onora O'Neill Charlton Payne Susan M Shell Lucas Thorpe Eric Watkins Allen W Wood

Censorship Moments Geoff Kemp, 2014-11-20 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Censorship in varying forms has been part of human experience for 2500 years and has proved itself to be a recurring presence for political thought whether as active repression a shaping context for expression or as itself a subject for analysis and argument From the death of Socrates to the fatwa against Salman Rushdie attempts to silence thinkers and writers have provoked passionate and often penetrating responses that speak of their historical moment Censorship Moments will provide short accessible and stimulating access to a variety of these responses Each chapter will couple a short textual moment of writing on censorship and freedom of expression by a past writer with analysis by an expert current scholar The book's main focus is the public political dimension of censorship in its relation to political authority and political thought while also reflecting on the porous boundary to literature and other areas such as law and the media

Liberalism, Diversity and Domination Inder S. Marwah, 2019-05-23 This study addresses the complex and often fractious relationship between liberal political theory and difference by examining how distinctive liberalisms respond to human diversity Drawing on published and unpublished writings private correspondence and lecture notes the study offers comprehensive reconstructions of Immanuel Kant's and John Stuart Mill's treatment of racial cultural gender based and class based difference to understand how two leading figures reacted to pluralism and what contemporary readers might draw from them The book mounts a qualified defence of Millian liberalism against Kantianism's predominance in contemporary liberal political philosophy and resists liberalism's implicit association with imperialist domination by showing different divergent responses to diversity Here are two distinctive liberal visions of moral and political life

Kant, Liberalism, and the Meaning of Life Jeffrey Church, 2022 Kant's early defense of the contemplative life The two vocations of humanity in Kant's anthropology The worthlessness of human life Kant's genealogy of morality Kant's view of the meaning of life The purposes of politics 1 culture The purposes of politics 2 civilization The purposes of politics 3 right Kant's perfectionist liberalism Kant's political liberalism The meaningfulness of the liberal project

Kant's Struggle for

Autonomy Raef Zreik, 2022-12-19 In Kant's Struggle for Autonomy On the Structure of Practical Reason Raef Zreik presents an original synoptic view of Kant's practical philosophy uncovering the relatively hidden architectonics of Kant's system and critically engaging with its broad implications. He begins by investigating the implicit strategy that guides Kant in making the distinctions that establish the autonomous spheres: happiness, morality, justice, public order, legitimacy. The organizing principle of autonomy sets these spheres apart, assuming there is self-sufficiency for each sphere. Zreik then develops a critique of this strategy, showing its limits, its costs, and its inherent instability. He questions self-sufficiency and argues that autonomy is a matter of ongoing struggle between the forces of separation and unification. Zreik proceeds to suggest that we read Kant backward, reading early Kant in light of late Kant. This reading reveals Kant's strategy of both taking things apart and putting them together, focusing on the joints, transitions, and metastructures of the system. The image emanating from this account of Kant's legal and moral philosophy is of an intimate yet tragic conflict within Kant's thought, one that leaves us to our own judgment as to where to draw the boundaries between spheres, opening the door for politicizing Kant's practical philosophy.

Kant and the Feeling of Life Jennifer Mensch, 2024-08-01 Kant and the Feeling of Life positions Kant's concept of life as a guiding thread for understanding not only Kant's approach to aesthetics and teleology but the underlying unity of the Critique of Judgment itself. The feeling of life, which Kant describes as affecting us in various ways as animating, enlivening, and quickening the mind, lies at the heart of Kant's philosophical project, but it has remained understudied for a theme of such centrality. This volume brings together for the first time essays focused on the topic of life in Kant's work, providing a wealth of perspectives and analyses ranging from the Critique of Judgment to Kant's early aesthetics, his social and political philosophy, his work connected to the body and health, and his moral theory.

If you ally obsession such a referred **Kants Politics Provisional Theory For An Uncertain World** books that will have the funds for you worth, get the extremely best seller from us currently from several preferred authors. If you desire to comical books, lots of novels, tale, jokes, and more fictions collections are moreover launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every ebook collections Kants Politics Provisional Theory For An Uncertain World that we will utterly offer. It is not roughly speaking the costs. Its very nearly what you craving currently. This Kants Politics Provisional Theory For An Uncertain World, as one of the most in force sellers here will utterly be among the best options to review.

Kants Politics Provisional Theory For An Uncertain World Introduction

In today's digital age, the availability of Kants Politics Provisional Theory For An Uncertain World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Kants Politics Provisional Theory For An Uncertain World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Kants Politics Provisional Theory For An Uncertain World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Kants Politics Provisional Theory For An Uncertain World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Kants Politics Provisional Theory For An Uncertain World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Kants Politics Provisional Theory For An Uncertain World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Kants Politics Provisional Theory For An Uncertain World

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Kants Politics Provisional Theory For An Uncertain World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Kants Politics Provisional Theory For An Uncertain World books and manuals for download and embark on your journey of knowledge?

FAQs About Kants Politics Provisional Theory For An Uncertain World Books

1. Where can I buy Kants Politics Provisional Theory For An Uncertain World books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Kants Politics Provisional Theory For An Uncertain World book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Kants Politics Provisional Theory For An Uncertain World books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean

- hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
