Not only are these catalogs handy to the man who needs small tools, but they can also serve as idea generators for solving certain mechanical problems — through the angles. Some of the parts are better suited to solve your own problems, or, if you have a problem, some are just what you need. Some are new and great ideas. Best of all, the catalog is especially easy to use. It's the only one that's so easy to use. It's the only one that's so easy to use. It's the only one that's so easy to use.
