Karpinski,Ewa

Kęblińska-Ławniczak,2023-09-29 This interdisciplinary collection focuses on recent adaptations both experimental and popular that put hybridity transtextuality and transmediality at play It reframes adaptation in terms of the transmedia concept of world building which accurately captures the complexity and multidirectionality of contemporary scattered and ubiquitous practices of adaptation The editors argue that the process of moving stories or their elements across different

media platforms and repurposing them for new uses results in the production of hybrid transtextualities The book demonstrates how hybrid textualities augment narrative and literary forms as goals of their world building finding unexpected sites of cross pollination expansion and appropriation in spoken word and dance performance auto biographical comics advertising Chinese Kun opera and popular song lyrics This yoking of hybridity and transmediality yields not only diversified and often commercialized aesthetic forms but also enables the emergence a unique cultural space in between a mezzaterra capable of addressing current political issues and mobilizing broader audiences *Summary of Sell the Way You Buy by David Priemer* getAbstract AG,2021-04-07 You must choose between two machines that cost about the same One firm s salesperson calls and emails but clearly you re just a target Another firm s salesperson is considerate respectful empathetic and focused on your needs Who gets the sale It s obvious but then why do salespeople opt for high pressure tactics instead of empathy Sales expert David Priemer says they don t know any better and shows why empathy science and execution beat high pressure every time This officially licensed summary of Sell the Way You Buy was produced by getAbstract the world s largest provider of book summaries getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there Find out more at getabstract.com
