Karl Heinrich Ulrichs:

Ulrichs Hubert C. Kennedy, 1988 Biografie van de jurist en voorvechter voor de rechten van homoseksuelen mannen
Ulrichs 1825 1895 **The Correspondence of Karl Heinrich Ulrichs, 1846-1894** Douglas Ogilvy Pretsell, 2020-05-20
This book will be the first critical edition of all the surviving correspondence to and from and about Karl Heinrich Ulrichs
between 1846 and 1894 Ulrichs a former Hanoverian lawyer was the first to articulate a personal identity of sexuality that
defined individuals by their sexual object This articulation of sexual modernist identities is Ulrichs abiding legacy to the
world He wrote twelve short books between 1864 and 1879 arguing for the removal of laws and prejudice against urnings
and articulating a scientific theory that placed them as a third gender He is a foundational figure in the history of sexuality
yet there has never been an edition of his complete correspondence in either English or the original German The
correspondence between the years of 1846 and 1894 covers three definable periods the years before Ulrichs began writing
1846 1864 the years between which all his principle works his lobbying and all his activism took place 1865 1879 and his
final years in exile 1880 1895 The analysis will contend that the correspondence reveals that Ulrichs project was not just a
lonely campaign against legal prohibition of the hydra of public contempt but instead was part of a far wider campaign of
community led self definition that was actively promoted at home and abroad Karl Heinrich Ulrichs Letters to His
