Pembantaian Karpov atas Korchnoi Merano 1981 Lugito Hayadi,1984 **The KGB Plays Chess** Boris Gul'ko,Vladimir Popov,Yuri Felshtinsky,2010 The KGB Plays Chess is a unique book For the first time it opens to us some of the most secret pages of the history of chess The battles about which you will read in this book are not between chess masters sitting at the chess board but between the powerful Soviet secret police known as the KGB on the one hand and several brave individuals on the other Their names are famous in the chess world Viktor Kortschnoi Boris Spasski Boris Gulko and Garry Kasparov became subjects of constant pressure blackmail and persecution in the USSR Their victories at the chess board were achieved despite this victimization Unlike some books this story has two perspectives The victim and the persecutor the hunted and the hunter all describe in their own words the very same events One side is represented by the famous Russian chess players Viktor Kortschnoi and Boris Gulko For many years they fought against a powerful system and at the end they were triumphant The Soviet Union collapsed and they got what they were fighting for their freedom Former KGB Lieutenant Colonel Vladimir Popov who left Russia in 1996 and now lives in Canada was one of those who had worked all his life for the KGB and was responsible for the sport sector of the USSR It is only now for the first time that he has decided to tell the reader his story of the KGB s involvement in Soviet Sports This is his first book and it is not only full of

sensations but it also dares to name names of secret KGB agents previously known only as famous chess masters sportsmen or sport officials Just a few short years ago a book like this would have been unimaginable Read this book It is not only about chess It is about glorious victory of the great chess masters over the forces of darkness
