The Kashmir Tangle Rajesh Kadian,1992      **The Kashmir Tangle, Issues & Options** Rajesh Kadian,1992      *The Kashmir Tangle* Rajesh Kadian,2019-06-12 With rare objectivity Rajesh Kadian assesses past and present conflicts in Kashmir one of the world s most long standing trouble spots He traces the regions controversial history from the 1947 partition to the surging tide of militancy now building in the Kashmir Valley which has further strained relations between India and Pakistan Kadians si      **The Kashmir Conflict** Rakesh Ankit,2016-06-17 This book presents a study of the international dimensions of the Kashmir dispute between India and Pakistan from before its outbreak in October 1947 until the Tashkent Summit in January 1966 By focusing on Kashmir s under researched transnational dimensions it represents a different approach to this intractable territorial conflict Concentrating on the global context s in which the dispute unfolded it argues that the dispute s evolution was determined by international concerns that existed from before and went beyond the Indian subcontinent Based on new and diverse official and personal papers across four countries the book foregrounds the Kashmir dispute in a twin setting of Decolonisation and the Cold War and investigates the international understanding around it within the imperatives of these two processes In doing so it traces Kashmir s journey from being a residual irritant of the British Indian Empire to becoming a Commonwealth embarrassment and its eventual metamorphosis into a security concern in the Cold War climate s A princely state of exceptional geo strategic location complex religious composition and unique significance in the context of Indian and Pakistani notions of nation and statehood Kashmir also complicated their relations with Britain the United States Soviet Union China the Commonwealth countries and the Afro Arab Asian world This book is of interest to scholars in the field of Asian History Cold War History Decolonisation and South Asian Studies      **Solving Kashmir** Mohan C. Bhandari,2006 Solving Kashmir is a treatise on the Kashmir imbroglio that gives a deep insight into the myriad facets of the dispute in the State of JandK It brings into focus the historical perspective the geo strategic and geo political imperatives as also the interests of the world powers and other regional players especially Pakistan and to an extent China This vital piece of real estate located in the under belly of the CARS and Russia gives access to Tibet Afghanistan and Pakistan JandK is strategically significant to India s existence as a nation Historically Kashmir has been an important gateway for marauders entering the country Losing control of JandK would open up the floodgates again Kashmir gives India access to the strategically significant countries around JandK It is our jewel in the crown The main players in the dispute namely India and Pakistan have gone to war four times over the issue with Pakistan enduring humiliating defeats including its partition with the creation of Bangladesh Having failed in its conventional attempts to wrest Kashmir and still in search of its identity Pakistan has exercised the low cost no cost proxy war option exploiting the ethnic and religious sentiments of the local Kashmiris as also drumming up support from religious fundamentalists internationally The nuclear dimension adding to the tinder box forces the international community of nations to concentrate efforts to bring the two nations to the negotiating

table and resolve the problem bilaterally in accordance with the Shimla Agreement however with no significant success How long will India continue to bleed and Where do you go from here are questions that will continue to haunt India for years to come Crafting Peace in Kashmir Verghese Koithara, 2004-08-30 Presenting a completely new perspective on the Kashmir conflict this book argues that resolving the situation can be brought about through a peace strategy rather than a war strategy Through an analysis of the conflicts in Northern Ireland Sri Lanka and Palestine the author draws parallels between the India Pakistan conflict He also presents reasons why a durable peace based on the Line of Control becoming the settled border and the two parts of Jammu and Kashmir being given parallel and substantial autonomy can be achieved in today's conditions The book concludes that peace between India and Pakistan is possible based on political realism and that strategic solutions that safeguard the interests of both countries are available **Kashmir Imbroglia** M. G. Chitkara, 1996

Hassner, 2025-05-15 In *War on Sacred Grounds* Ron E Hassner investigates the causes and properties of struggles over sites that are both venerated and contested and proposes ways for managing these disputes Holy places can create the potential for clashes not only between competing religious groups but also between religious groups and secular actors Hassner illustrates this complex violent dynamic through a series of case studies including the conflict over Jerusalem and competing Hindu and Muslim claims over Ayodhya He also analyses successful compromises that reduced conflict in Jerusalem in 1967 and in Mecca in 1979 In this updated edition of *War on Sacred Grounds* Hassner reevaluates his findings and conclusions and surveys ongoing conflicts over holy sites War on Sacred Grounds Ron Eduard Hassner, 2009 Hassner investigates the causes and properties of conflicts over religious sites that are both venerated and contested he also proposes potential means for managing these disputes Indian Republic M.
