**Handbook of Catholic Dogmatics 5.1** Matthias Joseph Scheeben,2020-04-27 In Handbook of Catholic Dogmatics Book V Soteriology Part 1 Matthias Joseph Scheeben delineates who and what Jesus Christ is as the Incarnate Son of God in Person With characteristic brilliance Scheeben sets forth in this first half volume the essential nature and attributes proper to Christ as the hypostatic union of God and man Beginning with the Scriptural and traditional foundations he elucidates the Catholic Church s traditional teaching on Christ s unity of Person in two natures as they were developed in response to the main Christological heresies of the early Christian centuries On this basis he then delves into the speculative depths of the hypostatic union itself as well as the attributes of the God man that arise from this union T he translation of the Handbook of Catholic Dogmatics by the greatest speculative theologian of the nineteenth century into the modern lingua franca is an invaluable service to the future of the Church in the secular age With his speculative penetration of the mystery of the Incarnation in the present volume enriched by a comprehensive knowledge of patristic scholastic and modern theology Matthias Joseph Scheeben preserves the mystery of Divine Revelation from attempts to naturalize it and the Church from the tendency to reduce it to a merely functional civil religion He proves that even on the highest level of rational reflection the believer can give to modern man an account for the hope that is in him cf 1 Pet 3 15 which puts us in a position to clarify definitively our understanding of ourselves and of the world in light of the knowledge of God Cardinal Gerhard M ller Prefect Emeritus of the Congregation for the Doctrine of the Faith      **Christian Egalitarian Leadership** Aida Besancon Spencer,William David Spencer,2020-10-30 Much has been written on servant leadership but it is not always tied to egalitarian leadership Sometimes authority and power instead of God s love are presented as the core of the Christian faith The church at times derails imitating worldly culture emphasizing entitlement that relies on an innate or permanent human hierarchy of rank Responding to today s conflict over leadership Christian Egalitarian Leadership calls us back to its biblical roots what is Christian egalitarian leadership Why is it biblical How does it work Thoughtful and devout Christian leaders

carefully explain how sharing leadership follows God's intentions and is crucial to implement today. The theoretical and practical ramifications of these concepts are extended to many areas of the Christian life by numerous qualified individuals: women and men of different races and economic and social classes. Chapters overview New Testament teachings, biblical authority, Old Testament and contemporary examples, God's intention at creation, pagan philosophy's influence on Christian hierarchical leadership, multicultural and multi-ethnic leadership in the United States and Africa, marriage, rearing children, equipping youth, and laity, church planting, retirement, and missions from the cradle to the mission field.

**True devotion to Mary** st Loius-Marie Grignion de Montfort, 2025-01-14 From True devotion to Mary I learned what devotion to our Lady means. While at first I held back in fear that Marian devotion would be a screen to Christ instead of opening the way in the light of Grignion de Montfort's work, I understood in reality it is otherwise. Our inner relationship with the mother of God follows organically from our relationship with the mystery of Christ. Sophie Cartwright considers in particular Eustathius' theological anthropology with chapters devoted to body and soul, the image of God, soteriology, and eschatology.

**Three Treatises on the Divine Images** Saint John (of Damascus), 2003 In AD 726 the Byzantine emperor ordered the destruction of all icons or religious images throughout the empire, and icons were subject to an imperial ban that was to last with a brief remission until AD 843. A defender of icons, St John of Damascus wrote three treatises against those who attack the holy images. He differentiates between the veneration of icons, which is a matter of expressing honor, and idolatry, which is offering worship to something other than God.

**Manipulating Theophany** Vladimir Ivanovici, 2016-07-25 Using light as *fil rouge*, reuniting theology and ritual with the architecture, decoration, and iconography of cultic spaces, the present study argues that the *mise en scène* of fifth-century baptism and sixth-century episcopal liturgy was meant to reproduce the luminous atmosphere of heaven. Analysing the material culture of the two sacraments against common ritual expectations and Christian theology, we evince the manner in which the luminous effect was reached through a combination of constructive techniques and perceptual manipulation. One nocturnal and one diurnal, the two ceremonials represented different scenarios testifying to the capacity of church builders and willingness of Late Antique bishops to stage the ritual experience in order to offer God to the senses.
