**The Hidden Link, An Awesome Desire** Coleen McAvoy,2021-12-08 As our grandparents tell us stories about when they were young we think that was a long time ago If we know a little history we might even have some realization of what life was like for our grandparents If we were to ask God how old He was or where He was born we would discover that things are very different with God He did not have a beginning nor does He have an ending But He does have an awesome desire and plan As you slowly read this book alone with your parents or with someone else you will discover the infinite God in action You will learn that you your whole family and even your friends can be a part of God s history and that all of us are an important link in His eternal purpose for man You will touch God s desire His patience His care His lovingkindness and above all His wisdom in the way He plans and carries out what is on His heart *Modern Water Resources Engineering* Lawrence
