Living Water Vodka And Russian Society On The Eve Of Emancipation

J. R. McNeill, Kenneth Pomeranz

Living Water Vodka And Russian Society On The Eve Of Emancipation:

'Living Water' : Vodka and Russian Society on the Eve of Emancipation David Christian,1990-07-26 This is a study of the social economic and political role of Vodka in nineteenth century Russia Since the Green Serpent first appeared in sixteenth century Muscovy it has played a vital part in Russian life Vodka became an essential part of Russian working class celebrations personal religious and commercial Trade in Vodka redistributed wealth upwards through Russian society over several centuries Indeed Russia s status as a great power was underpinned by it by the nineteenth century it generated one third of government revenue enough to cover most of the costs of the vast army The dependence on Vodka of both people and state has endured into the Gorbachev era But despite Vodka s key role in Russian history and the complex network of corruption associated with it the subject has been ignored by most historians until now This study concentrates on an important transitional era in the history of Vodka the early nineteenth century During this period Vodka taxes played the role that salt taxes had played in the ancien r eacute gime in France The abolition of the tax farm in 1863 should be seen as one of the most important of the Great Reforms of the 1860s an era which in many ways parallels the glasnost of the 1980s

Forces of Habit David T. COURTWRIGHT,2009-06-30 A global history of the acquisition of progressively more potent means of altering ordinary waking consciousness this book is the first to provide the big picture of the discovery interchange and exploitation of the planet s psychoactive resources from tea and kola to opiates and amphetamines *A History of Russia Volume 1* Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists

Mennonites in the Russian Empire and the Soviet Union Leonard G. Friesen,2022-11-17 Mennonites in the Russian Empire and the Soviet Union is the first history of Mennonite life from its origins in the Dutch Reformation of the sixteenth century through migration to Poland and Prussia and on to more than two centuries of settlement in the Russian Empire and the Soviet Union Leonard G Friesen sheds light on religious economic social and political changes within Mennonite communities as they confronted the many faces of modernity He shows how the Mennonite minority remained engaged with the wider empire that surrounded them and how they reconstructed and reconfigured their identity after the Bolsheviks seized power and formed a Soviet regime committed to atheism Integrating Mennonite history into developments in the Russian Empire and the USSR Friesen provides a history of an ethno religious people that illuminates the larger canvas of Imperial Russian Ukrainian and Soviet history **Eat History** Sofia Eriksson,Madeleine Hastie,Tom Roberts,2014-07-24 Eat History offers fascinating new insights into the

emerging field of gastronomic studies and its intersection with cultural history and includes the writing of nine leading historians on topics ranging from vodka to patty cakes Though primarily focused on Australia the transnational nature of many of the essays widens the scope to include Russia and the British Empire as well as Italy With its engaging and entertaining tone the volume will prove to be of interest not only to researchers and academics in the field but to more general readers keen to discover how the consideration of food opens up whole new areas of history and points the way to fruitful future inquiry

Religious Violence Between Christians and Jews A. Abulafia, 2001-12-03 Exploring deep into the history of the conflict between Christians and Jews from medieval to modern times this wide ranging volume which includes newly uncovered material from the recently opened post Soviet archives seeks to bring positive understanding to controversial issues of inter faith confrontation Here a number of eminent scholars from around the globe come together to discuss openly and objectively the dynamics of Jewish creative response in the face of violence Through the analysis of the histories of both the Christian and Jewish religious traditions we are brought to an understanding of their relationship as a modern day phenomenon

The Cambridge World History: Volume 7, Production, Destruction and Connection, 1750-Present, Part 2, Shared Transformations? J. R. McNeill, Kenneth Pomeranz, 2015-04-16 Since 1750 the world has become ever more connected with processes of production and destruction no longer limited by land or water based modes of transport and communication Volume 7 of the Cambridge World History series divided into two books offers a variety of angles of vision on the increasingly interconnected history of humankind The second book questions the extent to which the transformations of the modern world have been shared focusing on social developments such as urbanization migration and changes in family and sexuality cultural connections through religion science music and sport ligaments of globalization including rubber drugs and the automobile and moments of particular importance from the Atlantic Revolutions to 1989

Beyond the Pale Benjamin Nathans, 2002 A surprising number of Jews lived literally and figuratively beyond the Pale of Jewish Settlement in tsarist Russia during the half century before the Revolution of 1917 This text reinterprets the history of the Russian Jewish encounter using long closed Russian archives and other sources

Imperial Russia J. Paxton, 2000-11-17 Imperial Russia provides an accessible reference tool for students researchers historians and Russian history enthusiasts It covers the period from Ivan IV to the death of Nicholas II There are chronologies for each of the reigns and the handbook covers important political and administrative changes the influence of the West religion serfdom and economic progress Wars and international relations are succinctly explained as is the rise of radicalism and the revolutions of 1905 and 1917 Other sections deal with education the arts law press and censorship It is essential reading for anyone interested in Soviet and East European history

A Well-Ordered Thing Michael D. Gordin, 2019 Dmitrii Mendeleev 1834 1907 is a name we recognize but perhaps only as the creator of the periodic table of elements Generally little else has been known about him A Well Ordered Thing is an authoritative biography of Mendeleev that draws a multifaceted portrait of his life for the first time

As Michael Gordin reveals Mendeleev was not only a luminary in the history of science he was also an astonishingly wide ranging political and cultural figure From his attack on Spiritualism to his failed voyage to the Arctic and his near mythical hot air balloon trip this is the story of an extraordinary maverick The ideals that shaped his work outside science also led Mendeleev to order the elements and eventually to engineer one of the most fascinating scientific developments of the nineteenth century *A Well Ordered Thing* is a classic work that tells the story of one of the world s most important minds

The Oxford Companion to Spirits and Cocktails Noah Rothbaum,2021-10-14 Anthropologists and historians have confirmed the central role alcohol has played in nearly every society since the dawn of human civilization but it is only recently that it has been the subject of serious scholarly inquiry The Oxford Companion to Spirits and Cocktails is the first major reference work to cover the subject from a global perspective and provides an authoritative enlightening and entertaining overview of this third branch of the alcohol family It will stand alongside the bestselling Companions to Wine and Beer presenting an in depth exploration of the world of spirits and cocktails in a groundbreaking synthesis The Companion covers drinks processes and techniques from around the world as well as those in the US and Europe It provides clear explanations of the different ways that spirits are produced including fermentation distillation and ageing alongside a wealth of new detail on the emergence of cocktails and cocktail bars including entries on key cocktails and influential mixologists and cocktail bars With entries ranging from Manhattan and mixology to sloe gin and stills the Companion combines coverage of the range of spirit based drinks around the world with clear explanations of production processes and the history and culture of their consumption It is the ultimate guide to understanding what is in your glass The Companion is lavishly illustrated throughout and appendices include a timeline of spirits and distillation and a guide to mixing drinks

A History of Russia, Central Asia and Mongolia, Volume II David Christian,2018-03-12 Provides an all encompassing look at the history of Russia Central Asia and Mongolia Beginning with the breakup of the Mongol Empire in the mid thirteenth century Volume II of this comprehensive work covers the remarkable history of Inner Eurasia from 1260 up to modern times completing the story begun in Volume I Volume II describes how agriculture spread through Inner Eurasia providing the foundations for new agricultural states including the Russian Empire It focuses on the idea of mobilization the distinctive ways in which elite groups mobilized resources from their populations and how those methods were shaped by the region s distinctive ecology which differed greatly from that of Outer Eurasia the southern half of Eurasia and the part of Eurasia most studied by historians This work also examines how fossil fuels created a bonanza of energy that helped shape the history of the Communist world during much of the twentieth century Filled with figures maps and tables to help give readers a fuller understanding of what has transpired over 750 years in this distinctive world region *A History of Russia Central Asia and Mongolia Volume II Inner Eurasia from the Mongol Empire to Today 1260 2000* is a magisterial but accessible account of this area s past that will offer readers new insights into the history of an often misunderstood part of

the world Situates the histories of Russia Central Asia and Mongolia within the larger narrative of world history Concentrates on the idea of Inner Eurasia as a coherent ecological and geographical zone Focuses on the powerful ways in which the region's geography shaped its history Places great emphasis on how mobilization played a major part in the development of the regions Offers a distinctive interpretation of modernity that highlights the importance of fossil fuels Offers new ways of understanding the Soviet era A History of Russia Central Asia and Mongolia Volume II is an ideal book for general audiences and for use in undergraduate and graduate courses in world history The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production The Political Power of Bad Ideas Mark Lawrence Schrad, 2010-03-24

In *The Political Power of Bad Ideas* Mark Schrad uses one of the greatest oddities of modern history the broad diffusion throughout the Western world of alcohol control legislation in the early twentieth century to make a powerful argument about how bad policy ideas achieve international success His could an idea that was widely recognized by experts as bad before adoption and which ultimately failed everywhere come to be adopted throughout the world To answer the question Schrad utilizes an institutionalist approach and focuses in particular on the United States Sweden and Russia the USSR Conventional wisdom based largely on the U S experience blames evangelical zealots for the success of the temperance movement Yet as Schrad shows ten countries along with numerous colonial possessions enacted prohibition laws In virtually every case the consequences were disastrous and in every country the law was ultimately repealed Schrad concentrates on the dynamic interaction of ideas and political institutions tracing the process through which concepts of dubious merit gain momentum and achieve credibility as they wend their way through institutional structures He also shows that national policy and institutional environments count the policy may have been broadly adopted but countries dealt with the issue in different ways While *The Political Power of Bad Ideas* focuses on one legendary episode its argument about how and why bad policies achieve legitimacy applies far more broadly It also extends beyond the simplistic notion that ideas matter to show how they influence institutional contexts and interact with a nation's political actors institutions and policy dynamics *The World of the Tavern* Beat Kümin, B. Ann Tlusty, 2017-07-05 The subject of drink received a great deal of attention from early modern Europeans Preachers physicians authorities artists and travellers all addressed it from a range of different perspectives At the same time inns taverns and alehouses served as multifunctional centres in towns and villages throughout Europe This

combination resulted in a wealth of sources both institutional and cultural which are only now beginning to be explored This anthology features new research on public houses in England Russia and the German lands In a series of general thematic and regional studies contributors engage with broader debates in early modern history shedding light on such key issues as consumption travel and communication state building confessional identity fiscal practice gender and household relations and the use of public spaces The result is a volume that should appeal to anybody with an interest in early modern cultural history

A Short History of Drunkenness Mark Forsyth,2018-05-08 From the internationally bestselling author of The Etymologicon a lively and fascinating exploration of how throughout history each civilization has found a way to celebrate or to control the eternal human drive to get sloshed An entertaining bar hop through the past 10 000 years The New York Times Book Review Almost every culture on earth has drink and where there s drink there s drunkenness But in every age and in every place drunkenness is a little bit different It can be religious it can be sexual it can be the duty of kings or the relief of peasants It can be an offering to the ancestors or a way of marking the end of a day s work It can send you to sleep or send you into battle Making stops all over the world A Short History of Drunkenness traces humankind s love affair with booze from our primate ancestors through to the twentieth century answering every possible question along the way What did people drink How much Who did the drinking Of the many possible reasons why On the way learn about the Neolithic Shamans who drank to communicate with the spirit world no pun intended marvel at how Greeks got giddy and Sumerians got sauced and find out how bars in the Wild West were never quite like in the movies This is a history of the world at its inebriated best

Russia in the Age of Reaction and Reform 1801-1881 David Saunders,2014-07-30 This eagerly awaited study of Russia under Alexander I Nicholas I and Alexander II the Russia of War and Peace and Anna Karenina brings the series near to completion David Saunders examines Russia s failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution Why despite so much effort did it fail This is a superb book both as a portrait of an age and as a piece of sustained historical analysis

Drink in Canada Cheryl Lynn Krasnick Warsh,1993 The Elixir of Life or the Demon Rum Liquor has been an integral aspect of Canadian culture since European contact The contributing authors of this collection describe drinking habits temperance movements and the prohibition experience in Canada from the 1830s to the 1980s

Vodka Politics Mark Lawrence Schrad,2014-02-05 Russia is famous for its vodka and its culture of extreme intoxication But just as vodka is central to the lives of many Russians it is also central to understanding Russian history and politics In Vodka Politics Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard wired into Russians genetic code but rather their autocratic political system which has long wielded vodka as a tool of statecraft Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin Vodka Politics presents the secret history of the Russian state itself a history that is drenched in liquor Scrutinizing rather than dismissing the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself

from palace intrigues under the tsars to the drunken antics of Soviet and post Soviet leadership vodka is there in abundance Beyond vivid anecdotes Schrad scours original documents and archival evidence to answer provocative historical questions How have Russia s rulers used alcohol to solidify their autocratic rule What role did alcohol play in tsarist coups Was Nicholas II s ill fated prohibition a catalyst for the Bolshevik Revolution Could the Soviet Union have become a world power without liquor How did vodka politics contribute to the collapse of both communism and public health in the 1990s How can the Kremlin overcome vodka s hurdles to produce greater social well being prosperity and democracy into the future Viewing Russian history through the bottom of the vodka bottle helps us to understand why the liquor question remains important to Russian high politics even today almost a century after the issue had been put to bed in most every other modern state Indeed recognizing and confronting vodka s devastating political legacies may be the greatest political challenge for this generation of Russia s leadership as well as the next

States of Obligation Yanni Kotsonis, 2014-09-24 Beginning in the 1860s the Russian Empire replaced a poll tax system that originated with Peter the Great with a modern system of income and excise taxes Russia began a transformation of state fiscal power that was also underway across Western Europe and North America *States of Obligation* is the first sustained study of the Russian taxation system the first to study its European and transatlantic context and the first to expose the essential continuities between the fiscal practices of the Russian Empire and the Soviet Union Using a wealth of materials from provincial and local archives across Russia Yanni Kotsonis examines how taxation was simultaneously a revenue raising and a state building tool a claim on the person and a way to produce a new kind of citizenship During successive political wartime and revolutionary crises between 1855 and 1928 state fiscal power was used to forge social and financial unity and fairness and a direct relationship with individual Russians State power eventually overwhelmed both the private sector economy and the fragile realm of personal privacy *States of Obligation* is at once a study in Russian economic history and a reflection on the modern state and the modern citizen

Peasant Dreams and Market Politics Jeffrey Burds, 2012-02-15 Examines how peasant migration the movement of males to cities for wage labor affected villages before the Bolshevik revolution New Russian sources are utilized

When somebody should go to the book stores, search creation by shop, shelf by shelf, it is truly problematic. This is why we provide the book compilations in this website. It will agreed ease you to look guide **Living Water Vodka And Russian Society On The Eve Of Emancipation** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
