## **Lizzie Didn't Do It:**

**Lizzie Didn't Do It** Elizabeth Elaine Watson, 2011 On a hot summer day in August 1892 a double murder took place in Fall River Massachusetts Mr and Mrs Andrew Borden were killed in their own home by a person or persons unknown who attacked them with an axe or hatchet type implement As of today the case is still unsolved and open Many millions of words have been written about the events of that day and people still go to the home now a Bed and Breakfast on Second Street and think about the bloody crime that happened there so long ago This book will take you back to the crime scene and bring to light the name and face of the one who stood over those victims with a bloody hatchet in her hand Emma Borden In folklore however it is Lizzie and not Emma that killed their father Except for Professor Masterton who maintained Lizzie's innocence in his book Lizzie Didn't Do It with Elaine Watson Emma Borden now takes centre stage Did Emma do it Lizzie Didn't Do It! William Masterton, 2014-05-14 Annotation On 4 August 1892 an elderly couple living in Fall River Massachusetts were slaughtered with a hatchet Their daughter Lizzie was accused of the crime tried and acquitted Yet conventional wisdom and Fall River society have always considered her guilty asking the question If Lizzie didn't swing the hatchet who did Now after more than a century Professor Masterton uses modern forensics and extensive research to answer that question convincingly

Review of F. Horvath, 2001 The title of this volume is of course a dead give away Lizzie Borden accused of and tried for the gruesome axe murder of her mother and father is in fact innocent Even though she was legally acquitted of the two murders there was and still is considerable speculation about her true status This even though the murders were committed in 1892 The still well known quatrain Lizzie Borden took an axe perhaps reveals more than anything else that this is a case and a police investigation that endures in the annals of crime **The Lizzie Borden Sourcebook** David Kent, Robert A. Flynn, 2010-10-15 No other murder trial has captured the imagination of the American people like the trial of Lizzie Borden in Fall River Massachusetts No other person has been as maligned as Lizzie Borden who was found innocent of having axed to death her father and stepmother No other similar person on the other hand has been the source of so many books dramas plays operas and movies as Lizzie Borden Why so much unfading interest in this woman The answer may be found in The Lizzie Borden Sourcebook The authors David Kent and Robert Flynn have put together an anthology of daily articles commentaries and analysis published by various publications during the period of Lizzie's trial Every mood is covered every nuance is covered every swing of public opinion is covered every media bias is covered including apologies of those newspapers whose writers had maligned the young woman without knowing the facts This book reads better than a novel The reportage allows us to feel the mood of the trial to the point that we also conclude that Lizzie Borden was innocent even though the real killer was never discovered and we feel compelled to admit to that innocence The Lizzie Borden Sourcebook is available in paperback and E Book editions Similarly two other titles in defense of Lizzie have the same editions Lizzie Didn't Do It by Professor William Masterton and Lizzie Didn't Do It Emma Did by Elaine Watson all three bestsellers In the words
