Encountering Sivaism Nilima Chitgopekar, 1998 Illustrations 24 B w Illustrations and 2 Maps Description This book endeavours to signify a way by which the development of religion may be studied within the parameters of a defined geographical and chronological context Encountering Sivaism has taken cognisance of the evolution of Siva s pantheon through the fluid process of cultural coalescence The agencies of acculturation include the visual and the literary material Art is looked at as an index to socio religious change at macro and micro levels without restricting the study to specific doctrinal theological developments the focus has been on the rationale of religious developments in terms of the material milieu *India Once Ruled the Americas!* Gene D. Matlock, 2000-12 The people of India have long known that their ancestors once sailed to and settled in the Americas They called America Patala The Under World not because they believed it to be underground but because the other side of the globe appeared to be straight down Now at last many mysteries about Ancient America such as the identity of the Mexican Quetzalcoatl the true origins of our Native American etc will be cleared up once and for all **Book Of Durga** Chitgopekar, Nilima, 2009-07-20 **The Open Secret of India, Israel and Mexico** **Genesis to Revelations!** Gene Matlock, 2008-04 All the races of men along with their gods descend from Japhet son of Noah The Hebrew and Hindu holy books say that all our deities and religions came from a race of spacemen from Outer Space to keep mankind from devolving to animal level It was then and later too that the Nephilim appeared on earth when the divine beings cohabited with the daughters of men Genesis 6 4 The ancient Hindus and Turks called them Navalin Star Ship People and Anunaka Anunaki One who is from the Sky From the Place of No Pain The Sumerians Mesopotamians and Akkadians called them Anunaki Sky Gods People of Heaven and Earth The divine strangers appointed the tribe of Japhet or the Sanskrit Jyapeti to rule the earth This divine right of kingship extended also to their close relatives the Yadu Yadava and Yahuda Jews The divine religions they inherited were Judaism Christianity Hinduism Buddhism and Jainism all of which originated in Siberia But things went wrong Mankind kept getting worse Men started to deny that Christaya Kurus and Aryans as they were called originated from Mt Meru in Southern Siberia The ancient Jews insisted that mankind had spread from the Tower of Babylon which was just a symbol of Meru The Hindus likewise insisted that their Gods were home grown and not from Outer Space Yet the story might be true It extended over the entire Eastern Hemisphere **'Yogini' in South Asia** István Keul, 2013-07-18 In different stages in the history of South Asian religions the term yogin has been used in various contexts to designate various things a female adept of yoga a female tantric practitioner a sorceress a woman dedicated to a deity or a certain category of female deities This book brings together recent interdisciplinary perspectives on the medieval South Asian cults of the Yoginis such as textual philological historical art historical indological anthropological ritual and terminological The book discusses the medieval yogin cult as illustrated in early aiva tantric texts and their representations in South Asian temple iconography It looks at the roles and hypostases of yogin s in contemporary religious traditions as well

**The Valley of Kashmir** Aparna Rao,2008 The Valley of Kashmir long famous around the world for its unparalleled natural scenic beauty also has a rich cultural heritage with religious tolerance and amity among people belonging to different religious faiths as its core The arrival of Islam in the late fourteenth century and its interaction with an ancient Shaiva tradition resulted in the emergence of a liberal version of the faith It was a turning point in Kashmir s history Popular culture grew rich with folk tale song dance and music and with what craftsman could weave stitch and shape with their nimble fingers When self rule came in 1947 it was overshadowed by armed intervention to secure the accession of the state of Jammu Kashmir to Pakistan The dispute over the issue is still unresolved Within the Valley years of opportunistic policies pursued by Delhi and corruption and misgovernance by Srinagar proved to be fertile soil for the eruption of a violent jihadi secessionist movement around 1980 that drove the Hindu minority into exile tore apart the composite culture and resulted in large scale loss of life and property There are signs visible today that the utter futility of the path of violence which engendered counter violence has dawned on some of its votaries These and other issues are addressed in this volume by a galaxy of scholars including Kashmiris from India France Germany the UK and the USA under the thoughtful editorship of Aparna Rao who sadly died before the work could be placed with a publisher Throughout the preparation of this volume Rao worked in consultation with Professor T N Madan The result is a book rich in information insights and interpretations that entitle it to stand alongside Walter Lawrence s classic work *The Valley of Kashmir* 1985 from which its title is borrowed
