God's Will and God's Desire Jamie Dech, 2005-04-11 Many Christians are Calvinistic but reluctantly so They recognize that lost men do not seek God those who choose to follow Jesus do so because God first chose them But they are haunted by questions Why does a sovereign God who desires that all should come to faith in Christ choose in His sovereignty to save only some Couldn't He just save them all And if we are chosen from before the foundation of the world then does it really make any difference in the end if we evangelize or pray for the unsaved This book is a must read for any reluctant Calvinist because it deals with questions about evangelism and the sovereignty of God that typically seem to be left unanswered by the traditional Calvinist and Arminian positions But it does so with the challenging perhaps even uncomfortable conclusion that our prayers and obedience are a real and vital part of the process of narrowing the gap between God's will to save some and His desire to save all And so our prayer life and our walk with God are crucial because we as believers will be held

Preaching in High Definition Dr. Ryan Mustered,2025-05-29 Our enemies the world the flesh and the devil are ravaging humankind like biological weapons You hold the antidote the Word of God The only challenge is convincing stubborn humans to take the antidote As a warrior you will have to use every weapon in your communication arsenal We live in a high definition culture Video audio pictures and crystal clear messages flood our eyes ears minds and hearts Social media the internet television radio and printed content have the potential for either great good or great evil So what is high definition preaching It is simply this clearly communicating God s word to transform lives using every weapon the Lord provides God s word is living and active sharper than any two edged sword Hebrews 4 12 So why are some preachers able to brandish it like a lightsaber but others seem to swing it around like a butter knife Why do some sermons come across like a fuzzy 13 inch black and white analog TV buy it now for 10 at Goodwill while other sermons come alive like your buddy s new 75 inch Neo QLED 8K TV buy it now on Amazon for 1 998 That s the difference that high definition preaching makes The child of God preaching the Word of God with clarity empowered by the Spirit of God will be an effective weapon in this battle for the souls of humankind It s time to level up and put some new weapons in your communication arsenal We have to preach in high definition to reach a high definition culture
