figure It looks specifically at the years leading up to Mussato s public coronation on 3rd December 1315 as poet laureate for his city His writings are a key component of his political manoeuvres as he tried to navigate through the troubled waters of northern Italian politics The book demonstrates how the sources pertaining to Mussato s life and career are part of an exercise in self promotion and self fashioning intended to secure his position within factional politics but rooted in a philosophical approach derived from his early classical studies Accordingly this book acts as a fully fledged account of the interaction between Mussato s writings and his political career and how this contributed to his rise to fame *Encyclopedia of the Renaissance* , *Encyclopedia of the Renaissance: Galen-Lyon* Paul F.
