### **Jamaica Kincaid's Writings of History**

Antonia Purk,2023-09-18 Jamaica Kincaid s works consistently explore how colonial history affects contemporary everyday lives Throughout her novels short fiction and non fictional essays Kincaid s texts engage with history through its medial representations which are starkly determined by colonial perspectives This study examines the entanglements of temporalities in current perceptions of the past and how literary text intervenes in historical consciousness With a focus on the media text image and the human body the chapters of this book demonstrate how Kincaid s poetics of impermanence counter colonial representations of history with strategies of ambiguity repetition and redirection Kincaid s texts repeat and revise aspects of colonial history a process that decenters the totality of historical colonial ideology and replaces it with self determined versions of the past through a multiplication of perspectives and voices

### **Encyclopedia of Life Writing**

Margaretta Jolly,2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company

*Working Memory* Marlene Kadar,Jeanne Perreault,2015-07-31 *Working Memory* Women and Work in World War II speaks to the work women did during the war the labour of survival resistance and collaboration and the labour of recording representing and memorializing these wartime experiences The contributors follow their subjects tracks and deepen our understanding of the experiences from the imprints left behind These efforts are a part of the making of history and when the process is as personal as many of our contributors research has been it is also the working of memory The implication here is that memory is intimate and that the layering of narrative fragments that recovery involves brings us in touching distance to ourselves These are not the stories of the brave little woman at home they are stories of the woman who calculated the main chance and took up with the Nazi soldier or who eagerly dropped the apron at the door and picked up a paintbrush or who brazenly bargained for her life and her mother s with the most feared of tyrants These are stories of courage and sometimes of compromise not the courage of bravado and hype and big guns but rather the courage of hard choices and sacrifices that make sense of the life given even when that life seems only madness *Working Memory* brings scholarly attention to the roles of women in World War II that have been hidden masked undervalued or forgotten
