# Founding Mothers And Fathers Gendered Power And The Forming Of American Society

**Merril D. Smith**

## **Founding Mothers And Fathers Gendered Power And The Forming Of American Society:**

Founding Mothers & Fathers Mary Beth Norton, 1997-07-29 In this pioneering study of the ways in which the first settlers defined the power prerogatives and responsibilities of the sexes one of our most incisive historians opens a window onto the world of Colonial America Drawing on a wealth of contemporary documents Mary Beth Norton tells the story of the Pinion clan whose two generation record of theft adultery and infanticide may have made them our first dysfunctional family She reopens the case of Mistress Ann Hibbens whose church excommunicated her for arguing that God had told husbands to listen to their wives And here is the enigma of Thomas or Thomasine Hall who lived comfortably as both a man and a woman in 17th century Virginia Wonderfully erudite and vastly readable Founding Mothers Fathers reveals both the philosophical assumptions and intimate domestic arrangements of our colonial ancestors in all their rigor strangeness and unruly passion An important imaginative book Norton destroys our nostalgic image of a golden age of family life and re creates a more complex past whose assumptions and anxieties are still with us Raleigh News and Observer

Founding Mothers and Fathers Mary B. Norton, 1998-10-01 An exploration of the power relationships in early American society religion and politics a book that gives us unparalleled insights into colonial life Focuses on the first half century of English settlement approximately 1620 1670 Looks not only at what colonists actually did but also at the philosophical basis for what they thought they were doing Reveals colonial life as more varied than we have supposed This innovative study integrates social and intellectual history in exciting ways The result is impressive insight into the role of gender in the exercise of power at every level

Founding Mothers and Fathers Mary Beth Norton, 1997-10-15 In this pioneering study of the ways in which the first settlers defined the power prerogatives and responsibilities of the sexes one of our most incisive historians opens a window onto the world of Colonial America Drawing on a wealth of contemporary documents Mary Beth Norton tells the story of the Pinion clan whose two generation record of theft adultery and infanticide may have made them our first dysfunctional family She reopens the case of Mistress Ann Hibbens whose church excommunicated her for arguing that God had told husbands to listen to their wives And here is the enigma of Thomas or Thomasine Hall who lived comfortably as both a man and a woman in 17th century Virginia Wonderfully erudite and vastly readable Founding Mothers Fathers reveals both the philosophical assumptions and intimate domestic arrangements of our colonial ancestors in all their rigor strangeness and unruly passion An important imaginative book Norton destroys our nostalgic image of a golden age of family life and re creates a more complex past whose assumptions and anxieties are still with us Raleigh News and Observer From the Trade Paperback edition

*Rape and Sexual Power in Early America* Sharon Block, 2012-12-01 In a comprehensive examination of rape and its prosecution in British America between 1700 and 1820 Sharon Block exposes the dynamics of sexual power on which colonial and early republican Anglo American society was based Block analyzes the legal social and cultural implications of more than nine hundred documented incidents of sexual coercion and hundreds more extralegal

commentaries found in almanacs newspapers broadsides and other print and manuscript sources Highlighting the gap between reports of coerced sex and incidents that were publicly classified as rape Block demonstrates that public definitions of rape were based less on what actually happened than on who was involved She challenges conventional narratives that claim sexual relations between white women and black men became racially charged only in the late nineteenth century Her analysis extends racial ties to rape back into the colonial period and beyond the boundaries of the southern slave labor system Early Americans treatment of rape Block argues both enacted and helped to sustain the social racial gender and political hierarchies of a New World and a new nation

**Women's Roles in Seventeenth-Century America** Merril D. Smith, 2008-06-30 In Colonial America the lives of white immigrant black slave and American Indian women intersected Economic religious social and political forces all combined to induce and promote European colonization and the growth of slavery and the slave trade during this period This volume provides the essential overview of American women s lives in the seventeenth century as the dominant European settlers established their patriarchy Women were essential to the existence of a new patriarchal society most importantly because they were necessary for its reproduction In addition to their roles as wives and mothers Colonial women took care of the house and household by cooking preserving food sewing spinning tending gardens taking care of sick or injured members of the household and many other tasks Students and general readers will learn about women s roles in the family women and the law women and immigration women s work women and religion women and war and women and education literature and recreation The narrative chapters in this volume focus on women particularly white women within the eastern region of the current United States the site of the first colonies Chapter 1 discusses women s roles within the family and household and how women s experiences in the various colonies differed Chapter 2 considers women and the law and roles in courts and as victims of crime Chapter 3 looks at women and immigration those who came with families or as servants or slaves Women s work is the subject of Chapter 4 The focus is work within the home preparing food sewing taking care of children and making household goods or as businesswomen or midwives Women and religion are discussed in Chapter 5 Chapter 6 examines women s role in war Women s education is one focus of Chapter 7 Few Colonial women could read but most women did receive an education in the arts of housewifery Chapter 7 also looks at women s contributions to literature and their leisure time Few women were free to pursue literary endeavors but many expressed their creativity through handiwork A chronology selected bibliography and historical illustrations accompany the text

**American Masculinities: A Historical Encyclopedia** Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men s studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll s compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American

Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well. American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men's studies. This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo's American Manhood. This seminal book opened new vistas for exploration and research into American History society and culture. Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies. Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America's democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life. The contributors to American Masculinities share the assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves as males. Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era. Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture. Encapsulating the current state of scholarly interpretation within the field of Men's Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life.

**Key Features**

- Reader's Guide facilitates browsing by topic and easy access to information
- Extensive name place and concept index gives users an additional means of locating topics of interest

- Political and Social Issues

About the Editor: Bret E. Carroll is Associate Professor of History at California State University Stanislaus. He received his Ph.D. from Cornell University in 1991. He is author of *The Routledge Historical Atlas of Religion in America* (1997), *Spiritualism in Antebellum America* (1997) and several articles on nineteenth century masculinity.

**The Myths That Made America** Heike Paul, 2014-08-15. This essential introduction to American studies examines the core foundational myths upon which the nation is based and which still determine discussions of US American identities today. These myths include the myth of discovery, the Pocahontas myth, the myth of the Promised Land, the myth of the Founding Fathers, the melting pot myth, the myth of the West, and the myth of the self-made man. The chapters provide extended analyses of each of these myths using examples from popular culture, literature, memorial culture, school books, and every day life. Including visual material as well as study questions, this book will be of interest to any

student of American studies and will foster an understanding of the United States of America as an imagined community by analyzing the foundational role of myths in the process of nation building

**Abraham in Arms** Ann M. Little, 2013-03-01 In 1678 the Puritan minister Samuel Nowell preached a sermon he called Abraham in Arms in which he urged his listeners to remember that Hence it is no wayes unbecoming a Christian to learn to be a Souldier The title of Nowell s sermon was well chosen Abraham of the Old Testament resonated deeply with New England men as he embodied the ideal of the householder patriarch at once obedient to God and the unquestioned leader of his family and his people in war and peace Yet enemies challenged Abraham s authority in New England Indians threatened the safety of his household subordinates in his own family threatened his status and wives and daughters taken into captivity became baptized Catholics married French or Indian men and refused to return to New England In a bold reinterpretation of the years between 1620 and 1763 Ann M Little reveals how ideas about gender and family life were central to the ways people in colonial New England and their neighbors in New France and Indian Country described their experiences in cross cultural warfare Little argues that English French and Indian people had broadly similar ideas about gender and authority Because they understood both warfare and political power to be intertwined expressions of manhood colonial warfare may be understood as a contest of different styles of masculinity For New England men what had once been a masculinity based on household headship Christian piety and the duty to protect family and faith became one built around the more abstract notions of British nationalism anti Catholicism and soldiering for the Empire Based on archival research in both French and English sources court records captivity narratives and the private correspondence of ministers and war officials Abraham in Arms reconstructs colonial New England as a frontier borderland in which religious cultural linguistic and geographic boundaries were permeable fragile and contested by Europeans and Indians alike

*Revisioning Gender* Myra Marx Ferree, Judith Lorber, Beth B. Hess, 1999 This comprehensive handbook summarizes the state of gender studies by examining the crucial research of the past decade and by encouraging thinking about how the questions central to studying gender have themselves changed The book is an important step towards constructing a new analytical framework approach for the social sciences one that calls into question disciplinary boundaries The contributors illustrate how the use of gender by scholars in various and overlapping fields of study has helped alter concepts and research designs

**Gale Researcher Guide for: Gender in British North America** Catherine J. Denial, 2018-09-28 Gale Researcher Guide for Gender in British North America is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

[The Routledge History of Gender, War, and the U.S. Military](#) Kara Vuic, 2017-08-15 The Routledge History of Gender War and the U S Military is the first examination of the interdisciplinary intersecting fields of gender studies and the history of the United States military In twenty one original essays the contributors tackle themes including gendering the other gender and war disability gender

and sexual violence gender and American foreign relations and veterans and soldiers in the public imagination and lay out a chronological examination of gender and America's wars from the American Revolution to Iraq This important collection is essential reading for all those interested in how the military has influenced America's views and experiences of gender

The Child in Christian Thought Marcia J. Bunge, 2001 A collection of seventeen essays presenting theological perspectives on children throughout history Discusses the care of children their spiritual education and the role of parents the church and the state in raising children

The Challenge of American History Louis P. Masur, 1999-05-20 In *The Challenge of American History* Louis Masur brings together a sampling of recent scholarship to determine the key issues preoccupying historians of American history and to contemplate the discipline's direction for the future The fifteen summary essays included in this volume allow professional historians history teachers and students to grasp in a convenient and accessible form what historians have been writing about

**Women and Gender in Early Modern Europe** Merry E. Wiesner-Hanks, 2019-01-24 This fourth edition of Merry E. Wiesner-Hanks's prize-winning survey features significant changes to every chapter designed to reflect the newest scholarship Global issues have been threaded throughout the book while still preserving the clear thematic structure of previous editions Thus readers will find expanded discussions of gendered racial hierarchies migration missionaries and consumer goods In addition there is enhanced coverage of recent theoretical directions the ideas beliefs and practices of ordinary people early industrialization women's learning letter writing and artistic activities emotions and sentiments single women and same sex relations masculinities mixed race and enslaved women and the life course from birth to death With geographically broad coverage including Russia Scandinavia the Ottoman Empire and the Iberian Peninsula this remains the leading text on women and gender in Europe in this period Accompanying this essential reading is a completely revised website featuring extensive updated bibliographies web links and primary source material

**Of Thee I Sing** Benjamin Railton, 2021-03-15 Our definition of American patriotism needs to be expanded beyond national celebrations Identifying four competing forms of patriotism celebratory mythic active and critical allows us to rediscover forgotten histories and reframe familiar ones like the Revolution and the Civil War and helps us analyze our 21st century debates over patriotism

*A Companion to American Women's History* Nancy A. Hewitt, 2008-04-15 This collection of twenty-four original essays by leading scholars in American women's history highlights the most recent important scholarship on the key debates and future directions of this popular and contemporary field Covers the breadth of American Women's history including the colonial family marriage health sexuality education immigration work consumer culture and feminism Surveys and evaluates the best scholarship on every important era and topic Includes expanded bibliography of titles to guide further research

Sex and the Eighteenth-Century Man Thomas Foster, 2007-09-01 With few exceptions sex is noticeably absent from popular histories chronicling colonial and Revolutionary America Moreover it is rarely associated specifically with early American men This is in part because sex and family have

traditionally been associated with women while politics and business are the historic province of men But Thomas Foster turns this conventional view on its head Through the use of court records newspapers sermons and private papers from Massachusetts he vividly shows that sex the behaviors desires and identities associated with eroticism was a critical component of colonial understanding of the qualities considered befitting for a man Sex and the Eighteenth Century Man begins by examining how men as heads of households held ultimate responsibility for sex not only within their own marriages but also for the sexual behaviors of dependents and members of their households Foster then examines the ways sex solidified bonds in the community including commercial ties among men and how sex operated in courtship and social relations with women Starkly challenging current views about the development of sexuality in America the book details early understandings of sexual identity and locates a surprising number of stereotypes until now believed to have originated a century later among them the black rapist and the unmanly sodomite figures that serve to reinforce cultural norms of white male heterosexuality As this engrossing and surprising study shows we cannot understand manliness today or in our early American past without coming to terms with the oft hidden relationship between sex and masculinity **Gender: Oxford**

**Bibliographies Online Research Guide** Ellen Hartigan-O'Connor, 2010-06 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com) *Gender, War and Politics* K. Hagemann, G. Mettelle, J. Rendall, 2010-09-08 This volume addresses war developing political and national identities and the changing gender regimes of Europe and the Americas between 1775 and 1830 Military and civilian experiences of war and revolution in free and slave societies both reflected and shaped gender concepts and practices in relation to class ethnicity race and religion *Jesus Is Female* Aaron Spencer Fogleman, 2014-10-31 In the middle of the Great Awakening a group of religious radicals called Moravians came to North America from Germany to pursue ambitious missionary goals How did the Protestant establishment react to the efforts of this group which allowed women to preach practiced alternative forms of marriage sex and family life and believed Jesus could be female Aaron Spencer Fogleman explains how these views as well as the Moravians missionary successes provoked a

vigorous response by Protestant authorities on both sides of the Atlantic Based on documents in German Dutch and English from the Old World and the New Jesus Is Female chronicles the religious violence that erupted in many German and Swedish communities in colonial America as colonists fought over whether to accept the Moravians and suggests that gender issues were at the heart of the raging conflict Colonists fought over the feminine ecumenical religious order offered by the Moravians and the patriarchal confessional order offered by Lutheran and Reformed clergy This episode reveals both the potential and the limits of radical religion in early America Though religious nonconformity persisted despite the repression of the Moravians and though America remained a refuge for such groups those who challenged the cultural order in their religious beliefs and practices would not escape persecution Jesus Is Female traces the role of gender in eighteenth century religious conflict back to the European Reformation and the beginnings of Protestantism This transatlantic approach heightens our understanding of American developments and allows for a better understanding of what occurred when religious freedom in a colonial setting led to radical challenges to tradition and social order

### **Founding Mothers And Fathers Gendered Power And The Forming Of American Society Introduction**

In today's digital age, the availability of Founding Mothers And Fathers Gendered Power And The Forming Of American Society books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Founding Mothers And Fathers Gendered Power And The Forming Of American Society books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Founding Mothers And Fathers Gendered Power And The Forming Of American Society books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Founding Mothers And Fathers Gendered Power And The Forming Of American Society versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Founding Mothers And Fathers Gendered Power And The

Forming Of American Society books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Founding Mothers And Fathers Gendered Power And The Forming Of American Society books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Founding Mothers And Fathers Gendered Power And The Forming Of American Society books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Founding Mothers And Fathers Gendered Power And The Forming Of American Society books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Founding Mothers And Fathers Gendered Power And The Forming Of American Society books and manuals for download and embark on your journey of knowledge?

## **FAQs About Founding Mothers And Fathers Gendered Power And The Forming Of American Society Books**

**What is a Founding Mothers And Fathers Gendered Power And The Forming Of American Society PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Founding Mothers And Fathers Gendered Power And The Forming Of American Society PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Founding Mothers And Fathers Gendered Power And The Forming Of American Society PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Founding Mothers And Fathers Gendered Power And The Forming Of American Society PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Founding Mothers And Fathers Gendered Power And The Forming Of American Society PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
