## **Four Major Plays Vol 2 Ghosts Enemy Of The People Lady From The Sea:**

**Mendel's Theatre** T. Wolff, 2009-05-11 Mendel's Theatre offers a new way of thinking about early twentieth century American drama by uncovering the rich convergence of heredity theory the American eugenics movement and innovative modern drama from the 1890s to 1930 **Humanizing Business** Michel Dion, R. Edward Freeman, Sergiy D.

Dmytriye, 2022-05-30 This book is about humanizing business In contrast to the mainstream modern management and leadership literature this book provides distinctly humane perspectives on business The volume travels outside the world of business to explore what Humanities such as Philosophy History Literature Creative Arts and Cultural Studies can offer to business Renowned scholars from different Humanities disciplines as well as management researchers exploring the heritage of Humanities convey what it actually means to make business more humane The book strives to humanize business It aims to show that it is not people who have to suppress their human feelings aspirations and beliefs when they are at their workplaces but it is business itself that needs to be redefined by the human norms of human beings Companies should care about their employees and other stakeholders letting them be themselves i e be human at work and beyond The book will be of interest to management scholars across various business disciplines It can also be used as teaching material in the classroom with MBA students especially in Business Ethics Business and Society Sustainability Organizational Behavior Human Resource Management and other management courses The volume will also be of interest to scholars that work in different Humanities fields and whose interests span organizations management and business Finally many practitioners in the business world especially those in managerial and leadership positions will find the book both thought provoking and useful for them as well Chapter 37 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) **The Drama of DNA** Karen H. Rothenberg JD, MPA, Lynn Wein Bush PhD, MS, MA, 2014-03-14

Through the use of dramatic narratives The Drama of DNA brings to life the complexities raised by the application of genomic technologies to health care and diagnosis This creative pedagogical approach shines a unique light on the ethical psychosocial and policy challenges that emerge as comprehensive sequencing of the human genome transitions from research to clinical medicine Narrative genomics aims to enhance understanding of how we evaluate process and share genomic information and to cultivate a deeper appreciation for difficult decisions encountered by health care professionals bioethicists families and society as this technology reaches the bedside This innovative book includes both original genomic plays and theatrical excerpts that illuminate the implications of genomic information and emerging technologies for physicians scientists counselors patients blood relatives and society In addition to the plays the authors provide an analytical foundation to frame the many challenges that often arise **The Drama of DNA** Karen H.
