and ability to be finely carved But the beauty came at an unfathomable cost Walker lays bare the ivory trade s cruel connection with the slave trade and the increasing slaughter of elephants in the nineteenth and early twentieth centuries By the 1980s elephant poaching reached levels that threatened the last great herds of the African continent and led to a worldwide ban on the ancient international trade in tusks But the ban has failed to stop poaching or the emotional debate over what to do with the legitimate and growing stockpiles of ivory recovered from elephants that die of natural causes Ivory s Ghost is essential reading for anyone concerned with conservation and with the tenuous future of one of the most magnificent creatures our earth has ever seen George B Schaller author of A Naturalist and Other Beast **Elephant, Rhino, and Tiger Conservation** United States.
