Africa's Bill of Rights And why should all of this concern you Because media freedom is not about the freedom of the media It is about your freedom As was formulated by an editor under apartheid If we don't have a public sympathetic to a free press not only will we not have a free press we won't have a democracy either Or in the words of former Sowetan editor and SANEF chair Mpumelelo Mkhabela Media freedom has nothing to do with the media but with the freedom of citizens And that is why you should know that a free media is the only guarantee for your freedom As we have seen both under apartheid and also under a democratic dispensation it is a matter of a *luta continua* The struggle continues But you the public are the guardian of those that guard democracy Help ensure the rights of a free media and thereby your democratic rights and a democratic South Africa
