Introduction to Nineteenth-Century French Literature Tim Farrant, 2013-11-20 Everyone knows something of

nineteenth century France or do they Les Miserables The Lady of the Camelias and The Three Musketeers Balzac and Jules Verne live in the popular consciousness as enduring human documents and cultural icons Yet the French nineteenth century was even more dynamic than the stereotype suggests This exciting new introduction takes the literature of the period both as a window on past and present mindsets and as an object of fascination in its own right Beginning with history the century's biggest problem and potential it looks at narrative responses to historical political and social experience before devoting central chapters to poetry drama and novels all genres the century radically reinvented It then explores numerous modernities ways nineteenth century writing and mentalities look forward to our own before turning to marginalities subjects and voices the canon traditionally forgot No genre was left unchanged by the nineteenth century This book will help to discover them anew

Artful Deceptions Catherine Emerson, Maria C. Scott, 2006 Selected papers from a conference organized at the National University of Ireland Galway in April 2004

France and the French Harry Roderick Kedward, 2006-02-02 In this exhaustively researched narrative history Rod Kedward brings to life the great and often terrible dramas of modern France the two cataclysmic wars the Algerian disaster the student and worker revolt of 1968 but also explores the special worlds of the workplace immigration minorities the role of women and the relationship of politics to place everyday life and collective memory

Honour, Violence and Emotions in History Carolyn Strange, Robert Cribb, Christopher E. Forth, 2014-04-10 Honour Violence and Emotions in History is the first book to draw on emerging cross disciplinary scholarship on the study of emotions to analyse the history of honour and violence across a broad range of cultures and regions Written by leading cultural and social historians from around the world the book considers how emotions particularly shame anger disgust jealousy despair and fear have been provoked and expressed through culturally embedded and historically specific understandings of honour The

collection explores a range of contexts from 17th century China to 18th century South Africa and 20th century Europe offering a broad and wide ranging analysis of the interrelationships between honour violence and emotions in history This ground breaking book will be of interest to all researchers studying the relationship between violence and the emotions

Beyond the Contingent Kathleen A. Mulhern,2011-06-13 In light of the contemporary struggle between science and faith Kathleen Mulhern s timely exploration of late nineteenth century neo Pascalian thought both recovers a lost perspective on the war between science and religion and offers a fruitful angle of study for twenty first century reflection As the science vs religion rancor reached its early fury at the turn of the century many devout French Catholic intellectuals struggled with the increasingly dogmatic spirit in both the Roman Catholic Church and the scientific community The dominant ideology of scientism within the intellectual establishment of the Third Republic 1870 1940 collided with a growing authoritarianism within the Church expressed in the 1893 papal encyclical Providentissimus Physicist Pierre Duhem philosopher Maurice Blondel and priest Lucien Laberthonniere rejected the Roman Catholic Church s Thomistic methodology and sought intellectual inspiration instead in the philosophy of seventeenth century scientist mathematician philosopher and Christian apologist Blaise Pascal These neo Pascalians offered an alternative to the adversarial relationship between modern culture and orthodox Catholic faith but their ideas came to an abrupt and bitter conclusion when they ran afoul of Church authority The narrative and contribution of the neo Pascalians offers many insights and lessons that could helpfully inform the contemporary debates surrounding the dialogue between science and religion

Philanthropic Celebrity in the Age of Sensibility Adrian Wesolowski,2023-08-29 This volume an original combination of biography cultural history and media studies investigates the first moment in history when philanthropy was used as a self standing claim to fame and philanthropists started being considered as a distinct breed of public figures In its search for the cause of this development it examines the way in which public images of early philanthropists in different parts of Europe were shaped in the late eighteenth and early nineteenth centuries The work draws on a comparison between British prison reformer John Howard Alsatian pastor and humanitarian Jean Fr d ric Oberlin and Stanis aw Staszic a key figure of Enlightenment politics in Congress Poland Revealing parallel mechanisms at play in different national contexts it argues that famous philanthropists ushered in a new genre of fame philanthropic celebrity that placed Enlightenment ideals about virtue within the framework of early celebrity culture The book is primarily aimed at advanced students and scholars of history cultural studies and social sciences especially those interested in the concepts of fame and celebrity and in the origins of modern humanitarianism

The Language Question under Napoleon Stewart McCain,2017-11-02 This book offers a new perspective on the cultural politics of the Napoleonic Empire by exploring the issue of language within four pivotal institutions the school the army the courtroom and the church Based on wide ranging research in archival and published sources Stewart McCain demonstrates that the Napoleonic State was in reality fractured by disagreements over how best to govern a population characterized by

enormous linguistic diversity Napoleonic officials were not simply cultural imperialists many acted as culture brokers emphasizing their familiarity with the local language to secure employment with the state and pointing to linguistic and cultural particularism to justify departures from which what others might have considered desirable practice by the regime This book will be of interest to scholars of the Napoleonic Empire and of European state building and nationalisms **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures** Modern Language Association of America,2008 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 *Imperial Germany 1871-1918* Volker Berghahn,2005-01-01 A comprehensive history of German society in this period providing a broad survey of its development The volume is thematically organized and designed to give easy access to the major topics and issues of the Bismarkian and Wilhelmine eras The statistical appendix contains a wide range of social economic and political data Written with the English speaking student in mind this book is likely to become a widely used text for this period incorporating as it does twenty years of further research on the German Empire since the appearance of Hans Ulrich Wehler s classic work Francia ,2006 **Directory of History Departments, Historical Organizations, and Historians** ,2007 **Directory of History Departments and Organizations in the United States and Canada** ,2005
