Fisherman in the Saddle Julian Roup, 2021-07-24 A Fisherman in the Saddle is a meditation on joy it is a return to those things that have given me the greatest pleasure in life horses and fishing Both have been lifesavers in their time like medicine in their effect Horse riding is cheaper than seeing a shrink and I find contemplation or meditation as a by product of riding or fishing life enhancing This book was born out of the death of a horse Sebastian To commemorate him I started writing and soon found all my other horses appearing on the pages of this book like milestones to my life They carried me into beautiful landscapes on three continents and offered solace when everything else failed When I am in the saddle I m home wherever I may be And the sea has never failed to provide fish and the best kind of companionship I have always been seawitched If you love the outdoors and find solace under the sky then this book is for you And if you love horses and landscape or the sea and fishing then you will find a bonus here     Dictionary of the English and German Languages
