**Re-enchanting the Text** Cheryl Bridges Johns, 2023-05-16 In an age when the Bible has been stripped of its sacredness and functional biblical illiteracy reigns this book makes the case that we must work to re enchant the text in order to return the Bible to its rightful place in the lives of Christians Cheryl Bridges Johns explains how the Enlightenment's turn to the rational human subject made it possible to objectify the Bible and has distorted our interpretations of Scripture This move generated a belief that studying the Bible was primarily a means of supporting facts and providing evidence of competing visions of reality This modern version of the Bible does not trouble our nights with apocalyptic images It has been stripped of its power She also shows that both liberal and fundamentalist interpretation are failed forms of disenchanted readings Johns argues that we must rediscover the Bible as a sacred dangerous mysterious and presence filled wonderland to counteract biblical illiteracy in an increasingly post Christian landscape

**Omnidoxy** Cometan,Astronist Institution,2019-02-11 The Omnidoxy is the founding treatise of the Astronist religion and was solely authored by the philosopher and religious founder Cometan Partitioned into twelve disquisitions each of which are further divided into hundreds of discourses which are themselves titled by those which are known as rubrals The Omnidoxy has been codified according to a unique writing structure known as insentence The Omnidoxy not only forms the foundations of Astronism but it remains the primary modern contributor and the book that ignited the establishment of the Astronic tradition of religion which encompasses the philosophy of Astronism Introducing brand new philosophical concepts such as cosmocentricity reascensionism transcensionism and sentientism amongst many others The Omnidoxy remains the principal signifier of a new era in philosophy The Omnidoxy births hundreds of new belief orientations schools of thought neologisms disciplines of study theories and concepts which when combined and considered collectively have formed the basis of Astronism The authorship of The Omnidoxy rests with the single individual philosopher Cometan who began writing The Omnidoxy at the age of seventeen driven by what he terms as personal inspiration The historical origination of The Omnidoxy rests in its authorship by Brandon Taylorian during early 21st century England specifically in the northern county of Lancashire Like in all textual criticism the timing and location of the

codification of The Omnidoxy is integral to understanding why and how it was written especially by considering the influential factors impacting Taylorian during his construction of the text particularly the cultural political religious and social contexts of Taylorian s personal life and of wider society at the time This forms an important branch of study within omnidoxicology known as omnidoxical criticism or omnidoxical exegesis in which scholars study and investigate The Omnidoxy in order to discern conclusive judgements inspired by how where why by whom for whom and in what circumstances The Omnidoxy was written      *We Believe* Rulon T.
