Encountering The Divine:

Encountering the Divine Gretchen Rodriguez, 2025-02-16 Tucked within every human soul is the longing to encounter the Divine. If you desire a deeper relationship with God, take heart. He created you for connection with Him. When you set aside the prayer to do lists and simply draw near, Jesus meets you there, leading you into His presence. Encountering the Divine invites you to trade striving for surrender and discover the beauty of a life deeply connected to God. This book will guide you beyond surface level prayers into true intimacy with the Father. As you embrace the simplicity of being with Him, you will uncover a new depth of peace that flows from a heart surrendered to God's love. In the stillness, you will find Him waiting, ready to draw you close and reveal His heart to yours. I drew them with gentle cords, with bands of love. And I was to them as those who take the yoke from their neck. Hosea 11:4 *Intrusive God, Disruptive Gospel* Matthew L. Skinner, 2015-09-22 This engaging book guides readers through one of the most colorful books of the Bible, illuminating passages from Acts that show the Christian gospel expressing itself through the lives, speech, struggles, and adventures of Jesus's followers. The book emphasizes the disruptive character of the Christian gospel and shows how Acts repeatedly describes God as upsetting the status quo by changing people's lives, society's conventions, and our basic expectations of what's possible. Suited for individual and group study, this book by a New Testament scholar with a gift for popular communication asks serious questions and eschews pat answers, bringing Acts alive for contemporary reflection on the character of God, the challenges of faith, and the church. Divine Encounter Brian Guerin, 2019-04-08 Dive deep into the depths and realities of encountering God. Through a biblical foundation as well as real-life application and testimonies, Brian Guerin breaks down the powerful world of divine encounters. Divine Encounters Kevin Todeschi, 2013-04 I highly recommend it to everyone who is looking for proof of the love and caring of a universal God. George G. Ritchie Jr., M.D., Author of *Return from Tomorrow* and *My Life After Dying Herein* is proof that we are never really alone and that the Divine is very much involved and concerned with all of humankind. *Divine Encounters* provides indisputable evidence that individuals from every religious background and no religious background at all have experienced personal encounters and contact from Spirit in their everyday lives. Through stories of regular people of all ages and historical encounters from many religious traditions, there is a wealth of confirmation that God is very much alive. These divine encounters are experiences that have occurred in dreams, in the midst of life's challenges, in chance encounters within the sounds of a Voice, in visions and visitations, and at the edge of loss and death. In addition to contemporary accounts, examining the variety of ways in which individuals have encountered the Divine, this volume provides a selection of stories from history, exploring the lives of Padre Pio, Vivekananda, Flower Newhouse, Shanti Devi, Starr Daily, and Irina Tweedie, as a means of demonstrating that these experiences transcend religious boundaries. Also explored are the amazing commonalities that are most frequently cited by individuals encountering Divine visits of their own, such things as the fact that the experience leaves individuals forever changed and provides a source of lifelong encouragement, and that the experience

embodies a sense of oneness with the rest of all Creation Perhaps more than anything else Divine Encounters suggests that there is much more to us than a physical body

Life Changing Encounters and Divine Appointments: Twenty-Five Biblical Encounters That Provide Insight for Personal Encounters in the 21st Century. Sue Z. McGray, 2021-12-08

We all experience thousands of encounters during our lifetime. These encounters come in all forms. Some of the people we meet are for a reason, some a season, and others for a lifetime. Some encounters are unexpected, while others are planned. Consider the encounters you have had that changed your life's direction. The Bible has many stories of encounters that impacted the lives of those involved but also for millions of people throughout the ages. David had encounters with Goliath, King Saul, and Bathsheba, each of which revealed a different view of his character and the state of his relationship with God. Life Changing Encounters and Divine Appointments explores twenty-five biblical encounters and discusses applications for 21st Century Christians and the people they interact with each day. As you read these stories, I encourage you to be more thoughtful in your encounters. Each has the potential to be life altering for both you and the ones you encounter. God uses the Holy Spirit to orchestrate encounters and divine appointments. Sue did a masterful job in capturing encounters throughout the Bible. As I read her book, it reminded me of the many impactful encounters I have had in my life. One of those amazing encounters was the day I met Sue. Her book has also opened my eyes to pay attention to the encounters I now have each day. I hope you will allow this book to touch your heart, think of your own personal encounters, and open your eyes to be aware of how God works in your life with encounters.
