Encountering Jesus Anthony J. Gittins, 2018-02-13 In sixteen short but perceptive commentaries Anthony J Gittins recounts the experiences of various women and men from the New Testament insiders and outsiders people of substance and people regarded as sinners whose lives were changed by an encounter with Jesus Based on solid biblical scholarship but retold in language accessible to all and illuminated by the author s fresh perspective these stories emphasize the way in which people come to faith and discover discipleship Encountering Jesus presents New Testament figures in a new light and is perfect for both group study and personal reflection Among the discipleship stories included are the healing of the paralytic from the Gospel of Mark the healing of the Canaanite woman s daughter from Matthew the conversion of Zacchaeus the tax collector from Luke and the healing of the man born blind from John Anthony J Gittins writes Typically the stories demonstrate that there are often a number of stages or steps involved The easiest way to identify them is to notice exactly what each person says and in what sequence during his or her encounter with Jesus With the rare exception of someone immediately identifying Jesus with God most people are a little slower Readers may look out for a three step or four step approach to faith as a person moves to an even more specific identification of Jesus It is an interesting enlightening and sometimes surprising exercise

Encounter Jesus! Peter M. Doane, 2019-12-02 His Eminence Robert Cardinal Sarah prefect of the Congregation for Divine Worship and the Discipline of the Sacraments recently commented on the fire at Notre Dame cathedral He said the Church is only of interest because she allows us to encounter Jesus She is only legitimate because she passes on Revelation to us When the Church becomes overburdened with human structures it obstructs the light of God shining out in her and through her The Church should be like a cathedral Everything in Her should sing to the glory of God She must unceasingly direct our gaze toward him like the spire of Notre Dame pointed toward heaven *Encounter Jesus Transforming Catholic Culture in Crisis* is a call to rebuild a Catholic culture that has wandered from her spiritual root system In the West and the United States the light that shined starting in the Acts of the Apostles has become dim and in some places extinguished The specifics to what apostolic spirituality embodies will convict challenge and call the clergy consecrated religious and laity to take seriously what it means to be a catholic Christian Just as architects design the rebuilding of the Notre Dame Cathedral may this book serve as a blueprint for transformation in the culture of the church *Reborn* Clayton King, 2020-05-05 In our self help DIY culture we love the idea of improvement We make over wardrobes and restore houses and commit ourselves to better habits But we re still left feeling empty and not quite enough That s because what we need is not an upgrade but a complete upending of our lives We need to be reborn And it s not something we can do by ourselves With deep compassion Clayton King shares the compelling stories of 12 broken people who came face to face with Jesus in the New Testament and got a second chance at life A respected religious leader an ostracized woman a despised embezzler a condemned thief all of them flawed sinful full of regret encountered Jesus and were never the same Along with their stories King shares contemporary stories of people struggling with addiction lust greed and depression showing that Jesus still meets people right where they are and changes them from the inside out If you re tired of going through the religious motions by your own power and long to experience the radical life and heart change that Jesus promised it s time for an encounter with Jesus It s

time to be reborn *Encounter Jesus in Genesis (4)* Samuel J. Kim, 2023-10-22 In Genesis we encounter the same Jesus that Abraham met As a result we've received the remission of sins and experienced being born again Through our belief in the Gospel of Truth we've transformed into righteous individuals the holy saints with circumcised hearts and as such we are God's children blessed with eternal life By walking alongside God throughout our lives we too can bask in the rapture's glory mirroring Enoch's experience As God proclaimed The imagination of man's heart is evil from his youth Genesis 8:21 In response we should set aside our own perceptions placing trust in and adhering to God's Word Such genuine faith truly pleases Him Among believers two distinct groups emerge those solely devoted to God and those who balance their worship between God and idols The former group's faith lies in the God of Abraham while the latter places trust in the God of Nahor It's worth noting that Nahor's lineage revered both the teraphim and God In present times numerous Christians find themselves serving both God and wealth Such a faith aligned with the God of Nahor can be termed as a pseudo belief Abraham pursued the Word undeterred by uncertainties of his path It's my genuine wish for each of us to lead lives of faith reminiscent of Abraham which resonate with God's pleasure **The Joy of Encountering Jesus:** Hoan Moses

Chung, 2015-03-30 The Joy of Encountering Jesus does not call simply for faith in Jesus but spells out how and why we can believe in Jesus in this twenty first century Reflecting on human experiences recorded in the Bible including those of Jesus of Nazareth we search for who we really are Finding our true selves is possible only by discovering the risen Jesus dwelling within us Then the sun rises the whole world dances with joy and our hearts are filled with God's grace we are Living God's Life in a New World The Joy of Encountering Jesus provides 174 short homilies for three liturgical years that will lead you to rely on the heart rather than the head utilize non dualistic thinking rather than dualistic find God from within rather than from without build God's kingdom on earth expand knowledge on Jewish apocalypse and eschatology update theology of resurrection and the Eucharist **Encountering Jesus in Revelation** Ben Boeckel, 2024-02-07 Is Revelation really worth the effort Does its message resonate with followers of Jesus in the here and now Encountering Jesus in Revelation offers

pastors and laypeople an accessible tool for studying Revelation within the local church It situates Revelation in its ancient context while stressing how its apocalyptic nature addresses God's people at every point in history including our own It does this by introducing apocalyptic writing as a form of literature and then surveys the alternative perspective Revelation offers on the world of its readers That perspective is one in which we encounter Jesus and his call to leave behind the often unrecognized beasts and monsters that inhabit our world Readers who find themselves reluctant to study Revelation because of the confusing nature of its contents and of academic books written about it will find that Encountering Jesus in Revelation offers accessible and applicable insights as it explores how Revelation addresses its readers today Reading the New Testament in the Church Francis J. SDB Moloney, 2015-04-14 Internationally respected scholar Francis Moloney offers a Catholic introduction to the New Testament that shows how to read it both faithfully and critically The opening chapter and

an epilogue directly address the theological requirements of and historical challenges for ecclesial reading The remaining chapters give exemplary readings of the figure of Jesus and of the various divisions of the New Testament canon Conceived as a resource for religious educators deacons and other ministers in the Catholic Church this book will serve Catholics and others as an ideal supplement to a conventional New Testament introduction or as a companion to reading the New Testament itself
