Yet it is not only the great prophets and seers who have had these experiences. All over the world, people have stories to tell of shining figures standing by hospital beds of ordinary-looking strangers, offering help in times of urgent need before vanishing, leaving no trace of guardians giving support in the darkest hour. *Walking with Angels* offers a glimpse into the mystery and glory of this world. It relates the theological facts as understood by the different religions and gives breathtaking accounts of ordinary people touched unexpectedly by a divine hand. **The Complete Book of Bible Trivia** J. Stephen Lang, 1999-02. Contains more than 4,500 questions and answers about the Bible and the people, places, and events described in it. *Angels on Assignment* Levis Angel, 2019-03-07. Although the modern Western world claims to have left angels behind as mythical creatures, they are back in popular culture. And much of what people are thinking, exploring, and believing about them finds its roots in ancient Jewish and Christian beliefs. Andrew Angel opens up the surprising world of angels to interested enquirers through an examination of the ancient Jewish and Christian texts in which they are found. He asks questions about what angels have to do with religious ecstasy, surviving suffering, and politics among other things, finding surprising and sometimes controversial answers. Informed by the latest scholarship yet accessible to all, this book provides a well-researched and thought-provoking introduction to angels.
