Reed,2022-10-01 My ME ness Journey By Pamela A Reed About the Book As you walk your Me Ness journey you will be able to peel back the layers of suppression that have hidden your true beauty Your challenge now is to learn to embrace love and like yourself regardless of the past or what tomorrow holds Learning to embrace yourself or love yourself or like yourself is a challenge for many women It is difficult because women have been suppressed on many levels of society which include the social economic and academic worlds They have been denied the opportunity to come into the fullness of who they are making it difficult for them to understand and accept who they are strong beautiful gifted beings More importantly it has left women not knowing how to love themselves Now prepare yourself for this unique and life changing transformation **Journey To Redemption** Ryan T. Moorer,2021-10-05 Journey To Redemption Daunted by the pain of his past Terrell attempts to start a new life away from The Church The tormented young believer struggles to make sense of the choices he s made and the direction life has taken him As he attempts to start a new life the demons from the cult like religion he was once a part of still dominates his every waking thought Damaged yet driven Terrell learns that he has to find closure before the pain of his past causes him to commit the ultimate sin murder While he wrestles with his inner demons he must confront the rage within him that has festered for years This journey to find himself takes many twists as he seeks Redemption **Inspirational Explosion from Deep Within** Leroy Hubbert,2014-07-22 A question was asked in my dream sometime in January 2014 but blessings of his word that I might share it came in the morning hours that led up to making new changes once again Amen As one hand reaches out to close the doors of inequity and despair the other hand right hand of fellowship is extended to grasp a sincere understanding of joy knowing the desires of your dreams are at hand As I looked at life and sat in counsel breathing new levels of hope and deliverance I found joy in the works that were allotted in this gift of writing My hopes and dreams is that this book would reach out to touch the lives of many with the understanding that if you give up on your dreams restoration is not an option leading to a more profitable journey I have lived every aspect of the words that I write whether it was on a personal level or vicariously through the struggle of others This is meant to bring hope to a wide audience and not just focus on one group My message is one that is simple but of epic proportions when I speak love and encouragement First learn to love yourself before you can share that love with others Never settle in contentment when there are other

White Sr., 2012-08 Three hundred and sixty six daily thought provoking reflections written to bring the reader to a better understanding of God s truth and plan for a living relationship in Christ from real life situations Timeless in implication eternal in application You are a blessing and a master encourager much like Barnabas must have been Those of us with lessor skills need your gentle words and the faithful nudging that comes from your heart to ours Perry V It never ceases to amaze me how God has a message for His people and that message is preached from different men in different places at the same time truly the Holy Spirit is the only way Judy S CA Thank you so much for allowing God to use you in such a beautiful way There are times that I stumble across your Devos and it is so profound and transforming God is using you mighty to heal and bring life to HIS word Ashley F Missionary Costa Rica **Your Spiritual Authority** Jemima Alara, 2015-09-14 Every child of God is loaded with Power and Authority However most Christians are not aware of their authority in Christ Jesus The authority that flows from the Cross of Calvary the Power that was released at Pentecost and made available to every Christian at Salvation when they receive Jesus as Lord and Saviour Sadly to note that majority of Christians don t have a clue and are ignorant of this and they just wade through life without exercising their Spiritual Authority In this book you will discover how to unleash and walk in your Spiritual Authority Walking in your Spiritual Authority will make you walk in dominion and victory all the days of your life Also you will understand how the realm of the spirit works and you will gain control on how to wage war effectively and stand victorious always over principalities and demonic forces of darkness *In His Presence* Veronica Lilly, 2022-07-07 Writing a 365 day Christian devotional book became a labor of love I found myself looking forward to what God had to say through me about the chosen scripture for each day I applied the scripture references after all the devotions were written My mindset was Prove it I believe the Bible is God s infallible Word If God said it it is true I spent time talking with God about what to title

this book I started a list of potential titles I would write one and ask Lord is this the title This went on for a few months The list grew longer I wanted a title that prepared the reader for a special encounter with God In His Presence was that title I knew it the moment it entered my mind God was faithful He provided the title for this book You will find a prayer at the end of each daily devotion thanking seeking and reaching out to our Sovereign God **The Jewish War** Josephus,2017-02-10 I am Josephus I myself fought against the Romans In August of AD 70 the city of Jerusalem was destroyed by Roman forces after a six month siege This was the disastrous outcome of a Jewish revolt against Roman domination which began in AD 66 with some early success but soon became mired in factional conflict The war ended in the destruction of the famous Jewish Temple rebuilt by Herod the Great a century before The remarkable story of the war is narrated by an eye witness and participant Josephus He was at first a rebel commander then after his capture supported Titus in the final assault on Jerusalem Josephus spares no detail of a horrific conflict atrocities on both sides the reign of terror in Jerusalem the appalling conditions of the siege and the final mass suicide at Masada His vivid narrative is our prime source for this period of history It is a dramatic story with resonances to the present day **God Loves Us** Robert Ridings,2015-08-21 God Loves Us consists of thirteen lessons that reveal Gods love for you Each weekly lesson has seven daily challenges for the week These challenges are aimed in helping you walk each day with the Lord knowing how he reveals his perfect love for you Knowing his love brings a lasting peace and joy that only comes from God through the Spirit At the end of each day there are five questions to answer enabling you to reflect on the day The goal of the thirteen weekly lessons with seven daily challenges per week is to renew the mind where walking and communing with Lord will become natural The more we commune with praise and thank God the more natural it becomes because God created us to walk with him As you complete these weekly lessons and daily challenges it is my prayer that you will trust the Lord more and live life to the fullest with peace and joy knowing that God is with you and loves you more than anyone can imagine You can go to [www foreverlearnaboutGod com](http://www.foreverlearnaboutGod.com) and view a short video that gives an introduction to each lesson **Miraculous Living** Shoni Labowitz,1998-03-12 Rabbi Shoni Labowitz unlocks the secrets of ancient Jewish mystical traditions in an inspiring enlightening book that will appeal to Jews seeking to rediscover their spiritual roots and to people of all faiths searching for a way of life that celebrates the sacredness of all things **Lydia Maria Child** Lydia Moland,2024-05-31 Now in paperback a compelling biography of Lydia Maria Child one of nineteenth century America s most courageous abolitionists By 1830 Lydia Maria Child had established herself as something almost unheard of in the American nineteenth century a beloved and self sufficient female author Best known today for the immortal poem Over the River and through the Wood Child had become famous at an early age for spunky self help books and charming children s stories But in 1833 Child shocked her readers by publishing a scathing book length argument against slavery in the United States a book so radical in its commitment to abolition that friends abandoned her patrons ostracized her and her book sales plummeted Yet Child soon drew untold
