Four In A Wild Place:

Four Fields Tim Dee, 2016-01-12 In this book Tim Dee tells the story of four green fields spread around the world their grasses their hedges their birds their skies and both their natural and human histories These four fields walkable mappable man made mowable knowable but also secretive mysterious wild contested and changing play central roles in the sweeping panorama of world history and in the lives of individuals In Dee s telling a field is never just a setting for great battles or natural disasters though it is often this as well A field is the oldest and simplest and truest measure of what a man needs in life especially when looked at contemplated worked in lived with and written about Dee s four fields which he has known and studied for more than twenty years are the fen field at the bottom of his private garden a field in southern Zambia a prairie in Little Bighorn Montana and a grass meadow in the Exclusion Zone at Chernobyl Ukraine Meditating on these four fields Dee makes us look anew at where we live and how He argues that we must attend to what we have made of the wild **The**

Four Vision Quests of Jesus Steven Charleston, 2015-05-01 A unique look at Christian biblical interpretation and theology from the perspective of Native American tradition This book focuses on four specific experiences of Jesus as portrayed in the synoptic gospels It examines each story as a vision quest a universal spiritual phenomenon but one of particular importance within North American indigenous communities Jesus experience in the wilderness is the first quest It speaks to a foundational Native American value the need to enter into the we rather than the I The Transfiguration is the second quest describing the Native theology of transcendent spirituality that impacts reality and shapes mission Gethsemane is the third quest It embodies the Native tradition of the holy men or women who find their freedom through discipline and concerns for justice compassion and human dignity Golgotha is the final quest It represents the Native sacrament of sacrifice e g the Sun Dance The chapter on Golgotha is a discussion of kinship balance and harmony all primary to Native tradition and integral to Christian thought A Last Wild Place Mike Tomkies, 2021-05-26 When Mike Tomkies moved to a remote cottage on the

shores of Loch Shiel in the West Highlands of Scotland he found a place which was to provide him with the most profound wilderness experience of his life Accessible only by boat the cottage he renamed Wildernessee was to be his home for many years which he shared with his beloved German Shepherd Moobli Centred on different landscape elements loch woodlands and mountains Tomkies describes the whole cycle of nature through the seasons in a harsh and testing environment of unrivalled beauty Vivid colours and sounds fill the pages exotic wild orchids the roar of rutting stags the territorial movements of foxes otters and badgers an oak tree being torn apart by hurricane force gales Nothing escapes his penetrating eye His extraordinary insights into the wildlife that shared his otherwise empty territory were not gained without perseverance in the face of perilous hazards and the difficulties and challenges of life in the wilderness are a key part of this remarkable book Geography 3-11 Hilary Cooper, Simon Asquith, Chris Rowley, 2013-10-28 The advent of the National Primary Strategy has produced a welcome reminder to teachers of the importance of geography within the primary

curriculum This book aims to encourage this renewed awareness and to support teachers in teaching primary geography in different and exciting ways It will show that children have an entitlement to learn about geography and this can be achieved in a lively creative fashion uplifting for both teachers and children It covers planning for and assessing progression in learning inclusion ICT and drama indoors outdoors and beyond Written in association with the Geographical Association this book will help both trainee and experienced teachers to integrate geography as an essential part of the primary curriculum

Cosmography In Four Books Peter Heylyn, 1677 *Getting Back Into Place* Edward S. Casey, 1993 Offers a philosophical exploration of the pervasiveness of place Presenting an account of the role of place in human experience this book points to place's indispensability in navigation and orientation The role of the lived body in matters of place is considered and the characteristics of built places are explored *Saving Endangered Species* Robert W. Shumaker, 2020-10-27 The amazing true stories of the greatest wildlife champions of our time Wildlife conservation is at a critical juncture While large charismatic mammals may be the first animals that come to mind the mere 3 000 wild tigers still in existence the giraffes declared endangered for the first time just last year it is not only these magnificent keystone species disappearing A full third of all studied birds reptiles and mammals have suffered devastating population losses and a third of all insects are now endangered including crucial pollinators that sustain worldwide food supply Over 15 000 animal species are now considered to be threatened with extinction There are however bright spots that provide optimism many of them due to the efforts of a small group of scientists and activists In *Saving Endangered Species* Robert W Shumaker brings together ten conservation heroes seven of them winners of the Indianapolis Prize three of them recipients of the Jane Alexander Global Wildlife Ambassador Award With moving immediacy each wildlife defender offers their unique perspective on the state of wildlife conservation and the future of the natural world Bringing to life their work in the field each contributor also explains key concepts in wildlife conservation reveals why they are important and discusses what kinds of work can be done to address biodiversity loss Contributors sharing their stories in their own words include George Schaller one of the founding fathers of wildlife conservation who conducted the field work that resulted in the establishment of the world's largest wildlife preserve the Arctic National Wildlife Refuge Iain Douglas Hamilton who is widely credited with developing the metrics and methods that stemmed the tide of elephant poaching for ivory in Africa Steven Amstrup who discovered the disturbing truth that the sea ice polar bears rely on for traveling hunting and raising their young was disappearing Russell Mittermeier who has discovered over 20 new animal species conducted field work in more than 30 countries around the globe and authored 15 books on biodiversity Harrison Ford Academy Award winning actor who has been a passionate wildlife advocate and board member of Conservation International for over 25 years Sigourney Weaver three time Academy Award nominee whose work with the Dian Fossey Gorilla Fund has helped save thousands of gorillas in Rwanda and Congo This unique book aims to win new recruits inspire biologists and conservationists already in the field and illustrate the profession's fundamental scientific

tenets through wildlife champions own exciting narratives Covering issues from reproduction and prey predator relationships to population dynamics and community engagement Saving Endangered Species also addresses such thorny topics as overhunting retaliatory killing by farmers development driven habitat loss and the illegal wildlife trade By encompassing a broad spectrum of subjects this volume ultimately gives readers a first person look into what it takes to dedicate oneself to the crucial field of wildlife conservation Contributors Jane Alexander Steven C Amstrup George Archibald Michael I Crowther Iain Douglas Hamilton Harrison Ford Carl Jones Russell Mittermeier George B Schaller Robert W Shumaker Sigourney Weaver Patricia Chapple Wright Four in a Wild Place John Stallard,1971-01-01 **Cosmography in Four Books.**

Peter Heylyn,1657 **The Magdalen** Marita Conlon-McKenna,2024-07-02 In this international bestselling novel set in 1950s Ireland a pregnant and optionless young woman endures life working in a Dublin convent Told in a straightforward and unadorned manner The Magdalen is among the best of the contemporary Irish tales out there today and deserves to be embraced here as it was in Ireland Bookreporter com Esther Doyle is a true child of Connemara She is a simple girl with a true heart and the wild and tangled land of the West sings in her bones But when Esther is betrayed by her lover and left unmarried and pregnant the sea and sky are both lost to her She is sent by her shamed family to the Holy Saints Convent in Dublin where trapped behind granite walls she works in the infamous Magdalen laundry while she waits for the birth of her baby At the mercy of nuns and working mostly in silence Esther spends her days in the steamy laundry It is a grim existence but Esther has no choice the convent is her only refuge and the orphanage next door will provide food and shelter for her newborn child Despite the harsh realities of her life Esther gains support from this isolated community of women Learning through the experiences and the mistakes of the other Maggies Esther begins to realize her strengths and her determination to survive It will take every ounce of her courage to realize her dream of a new life for her child and herself beyond the grey walls of the Holy Saints Convent This book pulls no punches Marita Conlon McKenna is breaking new ground with The Magdalen Image

Some Reminiscences of the Life of Samuel Kirkland Lothrop Samuel Kirkland Lothrop,Thornton Kirkland Lothrop,1888 **Black Walden** Elise Lemire,2011-08-24 Concord Massachusetts has long been heralded as the

birthplace of American liberty and American letters It was here that the first military engagement of the Revolutionary War was fought and here that Thoreau came to live deliberately on the shores of Walden Pond Between the Revolution and the settlement of the little cabin with the bean rows however Walden Woods was home to several generations of freed slaves and their children Living on the fringes of society they attempted to pursue lives of freedom promised by the rhetoric of the

Revolution and yet withheld by the practice of racism Thoreau was all but alone in his attempt to conjure up the former occupants of these woods Other than the chapter he devoted to them in *Walden* the history of slavery in Concord has been all but forgotten In *Black Walden Slavery and Its Aftermath in Concord Massachusetts* Elise Lemire brings to life the former slaves of Walden Woods and the men and women who held them in bondage during the eighteenth century After charting the rise of Concord slaveholder John Cuming *Black Walden* follows the struggles of Cuming's slave Brister as he attempts to build a life for himself after thirty five years of enslavement Brister Freeman as he came to call himself and other of the town's slaves were able to leverage the political tensions that fueled the American Revolution and force their owners into relinquishing them Once emancipated however the former slaves were permitted to squat on only the most remote and infertile places Walden Woods was one of them Here Freeman and his neighbors farmed spun linen made baskets told fortunes and otherwise tried to survive in spite of poverty and harassment With a new preface that reflects on community developments since the hardcover's publication *Black Walden* reminds us that this was a black space before it was an internationally known green space and preserves the legacy of the people who strove against all odds to overcome slavery and segregation
