Four Iron In The Soul:

Four Iron in the Soul Lawrence Donegan, 2014-01-02 Four Iron in the Soul by Lawrence Donegan the hilarious inside story of Golf In this very funny sports book young journalist Lawrence Donegan tells the story of the summer he spent caddying for Scottish golfer Ross Drummond ranked over 400 in the world on the European Tour This is the amazing story of the geniuses the cheats the gurus and the hangers on that make up the golf scene A cross between Nick Hornby and Bill Bryson this book will be loved by readers of Fever Pitch and Notes from a Small Island A joy to read Not since Bill Bryson plotted a random route through small town America has such a breezy idea for a book had a happier or funnier result Lynne Truss The Times Funny beautifully observed and it tells you things about sport in general and golf in particular that nobody else had thought to pass on Patrick Collins Mail on Sunday Lawrence Donegan was born in Scotland in 1961 He went to Stirling University and had a brief spell as a pop star he was in the band THE BLUEBELLS who had a big hit with the infuriatingly catchy Young at Heart before joining the Guardian He lives in Glasgow Maybe It Should Have Been a Three Iron Lawrence Donegan, 1999-06-12 With self deprecating humor Donegan recounts his Quixotic days on the road caddying for Ross Drummond a little known pro on the European PGA Tour **Iron in the Soul** Peter Loizos, 2008 In his vivid lively account of how Greek Cypriot villagers coped with a thirty year displacement Peter Lo zos follows a group of people whom he encountered as prosperous farmers in 1968 yet found as disoriented refugees when revisiting in 1975 By providing a forty year in depth perspective unusual in the social sciences this study yields unconventional insights into the deeper meanings of displacement It focuses on reconstruction of livelihoods conservation of family community social capital health both physical and mental religious and political perceptions The author argues for a closer collaboration between anthropology and the life sciences particularly medicine and social epidemiology but suggests that qualitative life history data have an important role to play in the understanding of how people cope with collective stress Iron in Her Soul Helen C.
