Four Legged Diplomat:

Four-Legged Diplomat Wilholmena B. MacMurdy,1979-12 **A Diplomat in Japan** Ernest Mason Satow,2019-11-21 In *A Diplomat in Japan* Ernest Mason Satow provides a compelling and nuanced account of his experiences as a British diplomat in Japan during the late 19th century. The book blends memoir and observational narrative capturing the cultural tensions and transformations happening in Japan during the Meiji Restoration. Satow's prose is marked by keen observation and rich detail, allowing readers to engage deeply with both the socio-political landscape and the intricate nuances of Japanese customs and traditions. His perspective as a foreign envoy offers invaluable insights into the complexities of cross-cultural interactions at a time when Japan was emerging from centuries of isolation. Ernest Mason Satow was not only a diplomat but also a scholar of Japanese culture and language, which profoundly influenced his writing. His lengthy service in Japan, 1862-1883, allowed him to develop a unique understanding of both Japanese and Western perspectives. An advocate for understanding rather than mere transactional diplomacy, Satow's background and experiences positioned him to document the subtle intertwining of cultures during a pivotal era in Japan's history. This book is highly recommended for those interested in diplomacy, Japanese history, or cross-cultural encounters. Satow's articulate reflections and engaging storytelling make it accessible to both scholars and general readers alike, providing a valuable lens through which to view Japan's transformation in the context of Western influence. *Diplomats and Fugitives* Lindsay Buroker,2015-07-30 Even though Basilard is the official Mangdorian ambassador to the Turgonian Republic, he still isn't fully trusted by his pacifist people. After he was enslaved and forced to entertain spectators in pit fights that left him scarred and mute, his kin turned their backs on him, condemning him for choosing violence. They don't let him travel home without supervision, and he isn't allowed to see his daughter. When trouble arises in his homeland, a mysterious blight that could cause widespread starvation for his people, he's invited to take several old friends to travel to his country to investigate. If Basilard can solve the problem, perhaps his people will finally realize he's not a bad influence on his family. But unlikely obstacles stand in his way, including a strange Kendorian woman that he's ordered to take along on the mission. A Kendorian fugitive hiding in Turgonia, former tracker and assassin Ashara Longbow wants to start a new life so she can sneak her children out of her country to join her in the republic. Not only is she hunted back home, but the Kendorian ambassador in Turgonia has learned she exists and wants a favor in exchange for keeping her secret. If she doesn't help him thwart Basilard's mission, she may never see her children again.
