France 1914 18 Public Opinion And The War Effort

Edward Madigan, Gideon Reuveni

France 1914 18 Public Opinion And The War Effort:

France 1914-18 Patrick Flood,1989-06-18 A study conducted locally in south east France which aims to discover how the civilian population held out against occupying troops during World War I Incorporating individual case studies the text details the nature and extent of the hardships and sacrifices made by the local people France 1914-18 P. J. Flood,1990 The sacrifices that the people of France underwent in order to achieve victory in the First World War have been enshrined in the history of France This book examines the nature and extent of those sacrifices by using source material of a kind that has so far been little exploited prefectoral records private correspondence to and from the front reports from local teachers and interviews with surviving French veterans of the war The book depicts the war experiences of ordinary people and adds substantially to our knowledge not just of modern French history but of the 1914 18 war in general *The Spirit of 1914* Jeffrey Verhey,2000-05-04 This book first published in 2000 is a systematic analysis of German public opinion at the outbreak of the Great War and the first treatment of the myth of the spirit of 1914 which stated that in August 1914 all Germans felt war enthusiasm and that this enthusiasm constituted a critical moment in which German society was transformed Jeffrey Verhey s powerful study demonstrates that the myth was historically inaccurate Although intellectuals and much of the upper class were enthusiastic the emotions and opinions of most of the population were far more complex and contradictory The book further examines the development of the myth in newspapers politics and propaganda and the propagation and appropriation of this myth after the war His innovative analysis sheds light on German experience of the Great War and on the role of political myths in modern German political culture **The Great War** Ian F. W. Beckett,2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States **A Companion to Europe, 1900 - 1945** Gordon Martel,2011-03-21 This volume brings together a distinguished group of international scholars to discuss the major debates in the study of early twentieth century Europe Brings together contributions from a distinguished group of international scholars Provides an overview of current thinking on the period Traces the great political social and economic upheavals of the time Illuminates perennial themes as well as new areas of enquiry Takes a pan European approach highlighting similarities and differences across nations and regions *Censorship*

Derek Jones, 2001-12-01 First published in 2002 Routledge is an imprint of Taylor Francis an informa company 1917 Ian Frederick William Beckett, 2009 The growing military political and socio economic costs for all belligerents as the Great War entered its fourth year were increasingly evident liberal democracies and authoritarian states alike having to remobilise public opinion for yet greater sacrifices While the Western Front was facing these challenges 1917 was also marked by the collapse of Tsarist Russia and by food riots resuting both from the Entente s blockade of Central Europe and the revival of unrestricted submarine warfare by the Central Powers Ottoman Turkey was feeling the strain of war as well as British forces advanced in both Palestine and Mesopotamia For states as yet uncommitted to war such as the United States and China 1917 was a year of decision This volume amply illustrates the significance of this crucial year in the global conflict Contributors are Lawrence Sondhaus Eric Grove Keith Grieves Matthew Hughes Kaushik Roy Vanda Wilcox Laura Rowe and Nick Hewitt

Mobilizing the Russian Nation Melissa Kirschke Stockdale, 2016-12-13 The First World War had a devastating impact on the Russian state yet relatively little is known about the ways in which ordinary Russians experienced and viewed this conflict Melissa Kirschke Stockdale presents the first comprehensive study of the Great War s influence on Russian notions of national identity and citizenship Drawing on a vast array of sources the book examines the patriotic and nationalist organizations which emerged during the war the role of the Russian Orthodox Church the press and the intelligentsia in mobilizing Russian society the war s impact on the rights of citizens and the new democratized ideas of Russian nationhood which emerged both as a result of the war and of the 1917 revolution Russia s war experience is revealed as a process that helped consolidate in the Russian population a sense of membership in a great national community rather than being a test of patriotism which they failed **Justifying War** D. Welch, J. Fox, 2012-05-31 A new assessment of the debates about Just War in the twentieth and twenty first centuries from the imperial wars of the nineteenth century through the age of total war the evolution of human rights discourse and international law to proportionality during the Cold War and the redefinition of authority with the ascendancy of terror groups

The Institution of War Robert A. Hinde, 2016-07-27 War must be regarded as an institution which has evolved over time If it s incidence is to be reduced the forces that maintain it as an institution must be understood In this book the nature of war and the factors that sustain it are considered from diverse perspectives anthropology history political science theology philosophy international law economics psychiatry and biology

American By Degrees Robert J. Young, 2009 A personal and cultural portrait of Ambassador Jules Jusserand who provided a vital link between France and the United States before during and after the First World War **The Jewish Experience of the First World War** Edward Madigan, Gideon Reuveni, 2018-11-27 This book explores the variety of social and political phenomena that combined to make the First World War a key turning point in the Jewish experience of the twentieth century Just decades after the experience of intense persecution and struggle for recognition that marked the end of the nineteenth century Jewish men and women across the globe found themselves drawn into a conflict of unprecedented

violence and destruction The frenzied military social and cultural mobilisation of European societies between 1914 and 1918 along with the outbreak of revolution in Russia and the collapse of the Ottoman Empire in the Middle East had a profound impact on Jewish communities worldwide The First World War thus constitutes a seminal but surprisingly under researched moment in the evolution of modern Jewish history The essays gathered together in this ground breaking volume explore the ways in which Jewish communities across Europe and the wider world experienced interpreted and remembered the war to end all wars

The Republic in Danger Martin S. Alexander, 2003-11-13 The first full length study in English of the man who lost the Battle of France *Authority, Identity and the Social History of the Great War* Frans Coetzee, Marilyn Shevin-Coetzee, 1995 The unprecedented scope and intensity of the First World War has prompted an enormous body of retrospective scholarship However efforts to provide a coherent synthesis about the war s impact and significance have remained circumscribed tending to focus either on the operational outlines of military strategy and tactics or on the cultural legacy of the conflict as transmitted by the war s most articulate observers This volume departs from traditional accounts on several scores by exploring issues barely touched upon in previous works by deviating from the widespread tendency to treat the experiences of front and homefront isolation and by employing a thematic treatment that by considering the construction of authority and identity between 1914 and 1918 illuminates the fundamental question of how individuals whether in uniform or not endured the war s intrusion into so many aspects of their public and private lives **Loos 1915** Nick

Lloyd, 2008-10-01 In little over three weeks of intensive fighting which not only witnessed the first British use of poison gas but also the debut of New Army divisions filled with citizen volunteers British forces at Loos managed to drive up to two miles into the German positions However they were unable to capitalise on their initial gains After suffering nearly 60 000 casualties three times the number suffered by their opponents and being driven from the German lines in disorder bitter recrimination followed Nick Lloyd presents a reassessment of the Battle of Loos arguing that it was vital to the development of new strategies and tactics He places it within its political and strategic context as well as discusses command and control and the tactical realities of war on the Western Front during 1915 *The First World War* Ian J. Cawood, David

McKinnon-Bell, 2002-01-04 The First World War examines the outbreak events themselves and aftermath of the Great War and the political social and economic effects on the European countries involved Important themes explored include recruitment and propaganda women s involvement in the war protest and pacifism the links between the war and the revolutions in Russia and Germany *A World at War, 1911-1949*, 2019-03-27 In A World At War 1911 1949 leading and emerging scholars of the cultural history of the two world wars begin to break down the traditional barriers between the historiographies of the two conflicts identifying commonalities as well as casting new light on each as part of a broader mission in honour of Professor John Horne to expand the boundaries of academic exploration of warfare in the 20th century Utilizing techniques and approaches developed by cultural historians of the First World War this volume showcases and

explores four crucial themes relating to the socio cultural attributes and representation of war that cut across both the First and Second World Wars cultural mobilization the nature and depiction of combat the experience of civilians under fire and the different meanings of victory and defeat Contributors are Annette Becker Robert Dale Alex Dowdall Robert Gerwarth John Horne Tom s Irish Heather Jones Alan Kramer Edward Madigan Anthony McElligott Michael S Neiberg John Paul Newman Catriona Pennell Filipe Ribeiro de Meneses Daniel Todman and Jay Winter See inside the book [Dance of the Furies](#) Michael S. Neiberg, 2011-08-01 Looking beyond diplomats and generals Neiberg shows that neither nationalist passions nor desires for revenge took Europe to war in 1914 Dance of the Furies gives voice to a generation who suddenly found themselves compelled to participate in a ghastly protracted orgy of violence they never imagined would come to pass

Where Have All the Soldiers Gone? James J. Sheehan, 2009 An eminent historian offers a sweeping look at Europes tumultuous 20th century showing how the rejection of violence after World War II transformed a continent **Publishing in Tsarist Russia** Yukiko Tatsumi, Taro Tsurumi, 2020-02-20 According to Benedict Anderson the rapid expansion of print media during the late 1700s popularised national history and standardised national languages thus helping create nation states and national identities at the expense of the old empires Publishing in Tsarist Russia challenges this theory and by examining the history of Russian publishing through a transnational lens reveals how the popular press played an important and complex Imperial role while providing a soft infrastructure which the subjects could access to change Imperial order As this volume convincingly argues this is because the Russian language at this time was a lingua franca it crossed borders and boundaries reaching speakers of varying nationalities Russian publications then were able to effectively operate within the structure of Imperialism but as a public space they went beyond the control of the Tsar and ethnic Russians This exciting international team of scholars provide a much needed fresh take on the history of Russian publishing and contribute significantly to our understanding of print media language and empire from the 18th to 20th centuries Publishing in Tsarist Russia is therefore a vital resource for scholars of Russian history comparative nationalism and publishing studies

France 1914 18 Public Opinion And The War Effort Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free France 1914 18 Public Opinion And The War Effort PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free France 1914 18 Public Opinion And The War Effort PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of France 1914 18 Public Opinion And The War Effort free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
