Biographic Register of the Department of State United States. Department of State, 1948 *Remade in France* Valérie Saugera, 2017-04-05 *Remade in France* Anglicisms in the Lexicon and Morphology of French chronicles the current status of French Anglicisms a popular topic in the history of the French language and a compelling example of the influence of global English The abundant data come from primary sources a large online newspaper corpus for unofficial Anglicisms and the dictionary for official Anglicisms and secondary sources This book examines the appearance and behavior of English items in the lexicon and morphology of French and explains them in the context of French neology and lexical activity The first phase of the latest contact period 1990 2015 has its own complex linguistic characterization including a significant influx of nonce borrowings and very low frequency Anglicisms heterogeneous and creative borrowing outcomes and direct phraseological borrowing This book is a counterargument to the well known criticism that Anglicisms are lexical polluters On the contrary the use of Anglicisms requires the inventive application of complex linguistic rules and the borrowing of Anglicisms into the French lexicon is convincing proof that language change is systematic The findings bring novel interdisciplinary insights to the domains of borrowing in a non bilingual contact setting global English as a source of lexical creativity in the French lexicon the phases patterns and processes of integration of English loanwords the morphology of borrowing and computational corpus linguistics The appended database is a snapshot of a synchronic period of linguistic contact and a useful lexicographic resource **Information India 1992-93 : Global View** S.
