François-Marie Banier,2009 My thirst for faces for bodies for ways of sitting standing and walking and for newly discovered gazes slakes all other thirsts My thirst for music for the sea for mountain peaks for the myriad pleasures and feelings that make life so varied so similar so captivatingly unpredictable I'll never cease to be moved every time I bring my camera to my eye as it swings to and fro in front of my heart to capture first one then another of the alluvial deposits that we are the products of centuries of thought custom laughter pain alliances loves fighting beliefs doubts of everything and its opposite making gazes so deep and mysterious that I've made my choice between to be or not to be and not only for my own sake but for you whom I have missed each producing an equally strong turmoil echoing so many civilizations and dreams that we owe it to them to appear we are links in the chain of eternity **The Bettencourt Affair** Tom Sancton,2018-08-07 An NPR Best Book of 2017 Heiress to the nearly forty billion dollar L'Oréal fortune Liliane Bettencourt was the world's richest woman and

the fourteenth wealthiest person But her gilded life took a dark yet fascinating turn in the past decade At ninety four she was embroiled in what has been called the Bettencourt Affair a scandal that dominated the headlines in France Why It s a tangled web of hidden secrets divided loyalties frayed relationships and fractured families set in the most romantic city and involving the most glamorous industry in the world The Bettencourt Affair started as a family drama but quickly became a massive scandal uncovering L Or al s shadowy corporate history and buried World War II secrets From the Right Bank mansions to the Left Bank artist havens and from the Bettencourts servant quarters to the office of President Nicolas Sarkozy all of Paris was shaken by the blockbuster case the shocking reversals and the surprising final victim It all began when Liliane met François Marie Banier an artist and photographer who was in his youth the toast of Paris and a protégé of Salvador Dalí Over the next two decades Banier was given hundreds of millions of dollars in gifts cash and insurance policies by Liliane What exactly was their relationship It wasn't clear least of all to Liliane's daughter and only child Françoise who became suspicious of Banier's motives and filed a lawsuit against him But Banier has a far different story to tell The Bettencourt Affair is part courtroom drama part upstairs downstairs tale and part character-driven story of a complex fascinating family and the intruder who nearly tore it apart **François-Marie Banier: Perdre la Tête** François-Marie Banier, Martin d'.

Orgeval, 2005 Every day François Marie Banier leaves home with his camera and no preconceived notions just an interest in what the world looks like that morning Surveying the street from his moped he focuses on faces and figures bearing the marks of a life with the power to touch his viewers emotions a street cleaner with the demeanor of a heroic mythological warrior lonely figures out for a stroll passers by couples all have lived through trials at which we can only guess Banier's largely black and white work has been seen throughout Europe including at the Centre Pompidou and in Asia and Latin America In addition to his work as a photographer he is a novelist and playwright **François-Marie Banier - Tranquille**

François-Marie Banier, 2019-03 This book presents François Marie Banier's portraits of Parisian construction workers sleeping or at rest in their places of work Caught in moments of dreaming and escape from their labor Banier's subjects blend into the soft grey atmosphere of his pictures and seem if but for a moment to have escaped the harsher facts of reality These are candid and tender portraits which continue Banier's practice of photographing strangers he meets throughout Paris In his words To photograph workers asleep on the very ground of their construction site was once again to follow the paradoxical lines of being a solitude embodied in movie heroes who change faces roles centuries and sometimes genders in each of their naps *Never Stop Dancing*, 2015 The distinctive iconography of François Marie Banier's latest body of work Never stop dancing stems from his unconditional interest in every single subject Predominantly shot in Paris New York Brazil and Africa within the last couple of years this book celebrates the good old days of analogue photography as much as human beings in all their diversity Banier's dictum that everybody is a piece of art has materialized in this volume glooming in neatly printed black and white François Marie Banier was born in Paris in 1947 A novelist and playwright he has also been taking
