The Fragrance of Precious Memories Ruben White,2023-01-05 I believe that there s a message behind the message An aroma represents the presents of angels It also is an indication of the many blessings from God When it comes to dealing with the death of a loved one We all have our own experiences Through grievance pain loneliness and anger These are the most common issue in dealing with denial But there s a spiritual realm that goes far beyond our means We have to start by accepting a favorable reception By sharing caring listening and embracing People tend to deal with grievances in their way And there s no time limit on how long you should grieve Knowing that we still have a greater connection with our beloved So let s start embracing the time and memories that were shared Understand that death is only a part of life An Aroma of Sweet Memories is a collection of grievance poetry That I had written to help my readers and myself Deal with the pain of death and dare to move beyond our sorrows Then knowing when it s time to let go and let God The poem As I glance in the mirror I see only me It s about self empowerment embracing life

and loving yourself Knowing that there s still life for you after suffering a loss Our loved ones are still with us in spirit and memories As a prolific writer the basis of my poetry is to let the reader know that it s okay The Bible tells us in John 3 16 For God so loved the world that he gave his only son that whoever believes in him should not perish But have everlasting life

Upon the Loss of a Loved One Dorie Karp,2011-03-22 These are poems written about the struggles of

grief after losing a loved one *Rainbow Promises* Raynette Eitel,2017-03-25 *Rainbow Promises* is a collection of poems written from a place of grief It will be understood by any who have experienced a loss of a loved one whether a parent spouse child or dearest friend The metaphor of a rainbow as Gods gift to us is meant to give focus on the journey throughout grief and then to share Gods gift s as we heal Grief is often described as a journey This book can help you go on your journey comforted by prayer and happy memories When Memories Are All I Have Anthony Bandy,2024-01-22 Now a days many people are hurting because losing a loved one can bring much pain Many people will turn to everyone but God In these poems there is a clear understanding that God is the only Healer we need when we grieve the loss of a loved one God gave His Son Jesus as a sacrifice to show us that we don t have to fear death but know that there is place prepared for us when we do leave this world These poems are an inspiration to those who seek to be heal and to move on with there lives **Where You Are** Diane King,2001-12 This is an inspirational book The poetry and dialogue in my book resembles a chain and its links I have connected the dialogues and the poetry in such a way as to have the links hold the chain together The words between the poetry have special linking messages This is a poetic story with a journey from sorrow pain and grief to hope happiness and peace This is the first book in a series I would like to have my books relate to messages bringing hope and healing to the grieved person I want the content of my writings to comfort the person who has had a major loss in their life I do not know how many books will be in the series at the time of this writing because I write my messages as I am inspired to on a day to day basis The reason this book is called a Poetic Memorial is because it is put together with memories of a very special person upon my heart Seven years ago my son Allan died at the age of 19 Now what I write is not meant to be solely grief related I have included some of my general poems in the book Two of them being Friends and Nature As well I have added two poems that Allan wrote before he died I have included some of my mother s poems My mother wrote one in memory of Allan while others that she wrote are not grief related at all Poems that my grandmother wrote are included too Where You Are it s the place so many of our loved ones have gone We call it Heaven One minute you re sitting with them watching an adventure movie Then in the next moment your sitting alone asking yourself Why You ask Where did they go Does anybody have answers to these agonizing questions We wonder if anyone really even cares The answer is many do Those who do really care have walked in much the same painful path as you This is a journey that no one should have to travel It is hard so very hard to come out of the world of grief There is hope and I have some encouraging news from Heaven to share with you I bring hope from the place called Where You Are which I also call Heaven As I have said this is an inspirational book In here you will find a variety of poetry and dialogues Though most of the poetry and dialogue are my own others have contributed poetry too The dialogue is both in the format of poetry and prophecy **Phoenix Rise From the Trauma** Marsha F,Shauna K,2024-04-28 The loss of a loved one is never easy The loss of your fianc is heart shattering when you re in the midst of creating a family and have just lost that as well it leaves you feel devastated and numb There are many words to say but all I

had to say wasn't coming out not properly Everyone kept telling me to journal but all I knew was that I used to be able to write poetry So I picked back up my words through rants and poems Some free verse some metaphors Some things that only may make sense to me I hope they make sense to you As I say in a little note at the beginning we all know a song about something that just one line may stick out grief comes out in all forms So maybe even just one line may stick with you in this collection of 203 poems of thoughts I have had during my first year of healing Am I healed No Will I forever work towards being better and loving better because I have been taught the purest love through this love Absolutely I hope something resonates with you if you take the time to read this Greif comes in many forms and in many shapes Death breakups friendship loss Whatever your loss is I give you my condolences even though those are the worst words I'd rather say my heart is with you Sending love and light From the sun that inspired this book the moon who wrote it about him and the star they created who is sitting with the sun This work contains some hand drawn and colored artwork as well
