Hospital For Wounded Angels:

Hospital Angel Jess Levins, 2022-08-23 Doctor Angel Carpenter is a doctor but is he an Angel Angel is the former leader of the gang called the Angels He is deeply religious and tries to do the right thing but the right thing is not always legal Some claim he is an actual angel since his terminal cancer patients refuse to die while others feel he should be behind bars Angel developed a holistic method to increase the cure rate for a cancer drug that could save millions of lives but he is arrested as a serial killer since his fingerprints are on the murder weapon He keeps telling people he is not an angel but the crowd surrounding the hospital and his apartment does not believe him An anti religious organization wants him dead and this organization may be more difficult to treat than the cancer affecting his patients They initially offered a million euros for his death and then increased it to five million Assassins converge on Miami for an easy kill and a huge reward They failed to realize one of the female cancer survivors is a member of a mafia family She is indebted to Angel and she pays her debts

Wounded Angel James Molina, 2022-08-01 God purposely provided a plan that have women act as co creators with him to bring his spirit children to earth and have this necessary mortal experience Women are God like in their creative power Women are angel like in their nurturing abilities How often have you heard somebody say aEURoeMy angelic mother or grandmother aEUR aEURoeMy Angelic sister aEUR Or aEURoeMy wife is an angel aEUR aEURoeMy daughter is an angel aEUR Women by their very nature are endeared to God in a special way and loved more by him than all other creations Those loved most by God are therefore hated most by Satan and are His primary targets Sometimes those loved most by heaven are treated despicably by society And sometimes the young and innocent are preyed upon by the dregs of society in an unthinkable way Wounded Angel is the story of two teenage sisters Lexi and BW being raised by their angelic single mother Janice As Lexi grows older her choices take her down a thorny path that nobody can understand and BW is heartbroken as she and her once best friend sister grow apart However when tragedy strikes the sisters end up together in a paradisiacal place and BW not only learns the haunting secrets of Lexi's childhood but also learns of the incomprehensible compassion and understanding of a loving Heavenly Father Lexi who once wondered where God was hiding now teaches her younger sister exactly where he is

The House on Major Street Leon Rooke, 2019-01-31 When free spirited teenager Zan sets out on her bike to buy kitty litter she has no idea she's about to send her neighbour and maybe sort of crush Tallis into a months long coma kicking off a series of events both real and surreal that will change everything and everyone on her Toronto Annex street Metafictional appearances are made by characters as diverse as J J O Molloy Chekhov's Ryabovitch an infamous lapdog and the indignant Rebecca Whitehall heroine of fictional Sheila Shott's steamy romance novels As these and a multitude of others interact with the inhabitants of 2X8 Major Street friendships dalliances and alliances are formed and re formed with uncommon results Unexpected guests arrive and stay Two questions overarch Will Tallis ever wake up And what will that mean for everyone Angel Times Raymond Wisniewski, 2015-10-23 This is a fiction story about unexplained

experiences that I have heard of These unexplained experiences I tend to dismiss as coincidences I have weaved them into a story about two boys who live in a small town One of the boys has a guardian angel who comes in his dreams from time to time Their grandfather likes to tell them stories about angels and ghostly events Angel of Bataan Walter Macdougall,2015-04-22 Alice Zwicker was the only service woman from Maine to be a prisoner of the enemy in either of the two World Wars But there is more to the story than that Across the nation wherever one of the seventy seven Angels of Bataan returned home there was a hero s welcome Those Army and Navy nurses had shown what American women could do and be even in times of defeat This is Alice s story her growing up in a small Maine town her commitment to the profession of nursing and her immersion in World War II There was Manila Bataan Corregidor and then three long hungry years when she was held prisoner by the Japanese For Alice the terrible legacy of war did not end with her liberation from internment camp or even with her coming home When victory finally arrived for Alice it was achieved in her own soul **Angel Justice** Loren Christian,2008-07-26 Do Angels exist Are Angels able to provide practical assistance to all of Mankind Including winning legal advice Angel Justice answers these questions in this novel based upon a true story about the existence of Angels Christ and the Higher Self for all people Contained within Angel Justice are actual redacted State Court and Federal Court documents Law Enforcement documents and other Governmental documents showing how the author without any legal training or assistance from a lawyer or other people was able to utilize information given by Angels to uncover court and governmental corruption and to win justice in a system set up for injustice Contained within Angel Justice are also just some of the precepts that The New Christ has provided to the Angels to bestow upon Mankind in order to create a better world for all of humanity This book is a beacon of Hope and Peace for the planet Department of State Publication ,1998 **Clara Barton, Professional Angel** Elizabeth Brown Pryor,2011-06-29 Widely known today as the Angel of the Battlefield Clara Barton s personal life has always been shrouded in mystery In Clara Barton Professional Angel Elizabeth Brown Pryor presents a biography of Barton that strips away the heroic exterior and reveals a complex and often trying woman Based on the papers Clara Barton carefully saved over her lifetime this biography is the first one to draw on these recorded thoughts Besides her own voluminous correspondence it reflects the letters and reminiscences of lovers a grandniece who probed her aunt s venerable facade and doctors who treated her nervous disorders She emerges as a vividly human figure Continually struggling to cope with her insecure family background and a society that offered much less than she had to give she chose achievement as the vehicle for gaining the love and recognition that frequently eluded her during her long life Not always altruistic her accomplishments were nonetheless extraordinary On the battlefields of the Civil War in securing American participation in the International Red Cross in promoting peacetime disaster relief and in fighting for women s rights Clara Barton made an unparalleled contribution to American social progress Yet the true measure of her life must be made from this perspective she dared to offend a society whose acceptance she treasured and she put all of her energy into patching up

the lives of those around her when her own was rent and frayed **The Better Angel** Roy Morris,2000 The first full account of Whitman s Civil War years sheds new light on the man his poetry and the treatment of the war s sick and wounded

Constance Baker ne Ketteringham was born in 1868 in the quiet farming village of Marham Norfolk In her early teens she moved with her parents to bustling Kensington London where she found work as an apprentice dressmaker Years of

dedication led Constance to establish herself as a dressmaker in her own right crafting elegant gowns for some of the most celebrated Victorian and Edwardian actresses opera singers and music hall performers of the era Her marriage to John Baker a former Royal Navy serviceman marked the start of a family legacy in dressmaking Together they raised their children on Harwood Road in Fulham where they all contributed to Constance s flourishing business Among them was Aderline my grandmother who learned the trade from Constance herself Remarkably they lived just down the road from Dame Nellie Melba the famous soprano and close friend of Constance the two would often share tea discussing the events of the day and critiquing the ambitions of Kaiser Wilhelm II The Bakers home wasn t just a hub for the family business it was also a haven for those in need Constance and John took in destitute children and cared for them as if they were their own With the outbreak of World War I Constance s connections in the entertainment world led her to organize performances for soldiers at Bishop s Park Fulham throughout the week from 1914 to early 1918 supported by Field Marshal Haig who had opened up London s green spaces for military training These performances featured lady entertainers and provided much needed moments of levity for the troops including those depicted in the iconic film Oh What a Lovely War As the wounded began to return from the front in 1915 Constance s dedication only grew She transformed her home into a refuge for injured soldiers offering care and comfort often buying them gifts and providing for their needs Her unwavering compassion earned her the cherished title Mother of the Wounded Tragically Constance s own eldest son John Gilbert Baker who served with the King s Royal Rifle Corps was killed in action at Passchendaele in 1917 **Journal of the Royal United Service Institution, Whitehall Yard ,1915**
