Hospital Heartbreaker:

Heartbreaker James Styan, 2017-12-05 In this new biography of Chris Barnard we not only learn about the life of South Africa's most famous surgeon from his Beaufort West childhood through his studies locally and abroad to his prominent marriages and divorces but James Styan also examines the impact of the historic heart transplant on Barnard's personal life and South African society at large where apartheid legislation often made the difficulties of medicine even more convoluted. The role of black medical staff like Hamilton Naki is explored as is the intense rivalry that arose between other famous heart surgeons and Barnard. How did Barnard manage to beat them all in this race of life and death? How much did his famous charisma have to do with it all? And in the light of his later years, his subsequent successes and considerable failures, what is Barnard's legacy today? Styan covers it all in this fascinating new account of a real heartbreaker. *Heartbreaker* Diana Palmer, 2008-05-01 Rule number one: never settle down. J. B. Hammock treated his women well but with a no-strings detachment they gladly accepted. Until sweet Tellie Maddox began hovering around, caring about him. And when Tellie lost her memory, she believed she was J. B.'s friend. Even he couldn't be so heartless as to push Tellie aside, and so he played his role until friendship turned into something deeper than a heartbreaker like J. B. had ever intended. Then Tellie's memory returned. Hospital Heartbreaker Bridget Thorn, 1997-01-01 **Heartbreaker & In Bed with the Wrangler** Diana Palmer, Barbara Dunlop, 2015-02-24 STONE COLD COWBOY: Wealthy Texas cattle rancher J. B. Hammock was proud of his reputation as a heartbreaker. He treated his women well, but they all knew they would never have a permanent status in his life. All but one: Innocent Tellie Maddox. She had been just a girl when she'd been orphaned and had come to live with his family. She was fiercely devoted to J. B., but when that devotion turned into something passionate between them, J. B. knew he had to break yet another heart. Tellie hated him for that until she lost her memory in an accident. Now all she remembered was the closeness she and J. B. once shared. He didn't want to hurt her all over again, but it quickly became clear that there was too much fire between him and Tellie for them to ever just be friends. And the deeper their feelings grew, the more J. B. feared the inevitable return of Tellie's memory. BONUS BOOK INCLUDED IN THIS VOLUME: *In Bed with the Wrangler* by USA TODAY bestselling author Barbara Dunlop. Amber Hutton knew falling into wrangler Royce Ryder's bed would only be asking for trouble. Though with just one touch from the wealthy playboy, she knew trouble had already found her. The Heartbreaker Vicki Lewis Thompson, 2011-07-15 He left a trail of broken hearts behind him. Mike Tremayne had come home after eight years of drifting, he was finally ready to face beautiful Beth Nightingale, the woman who'd haunted his dreams since the night he left her. But running into Beth proved him wrong. She was just as he remembered, and more, more caring, more enchanting, more desirable. He'd wanted her before, he needed her now. But Beth had no intention of falling for a maverick like Mike Tremayne again. After all, he'd already betrayed her twice: first when he became engaged to her sister, and then again when he walked out on both of them. Vicki Lewis Thompson is one of those rare gifted writers with the ability to touch her readers.
