Hospitality Industry Financial Accounting Raymond S. Schmidgall, James W. Damitio, 2015 Hospitality Financial Accounting Jerry J. Weygandt, Donald E. Kieso, Paul D. Kimmel, Agnes L. DeFranco, 2008-03-03 As the hospitality field continues to grow and diversify today's hospitality professionals need to understand financial accounting at a higher level than ever before. Written by some of the most respected authors in accounting, *Hospitality Financial Accounting* Second Edition gives a complete introduction to financial accounting principles and demonstrates how to apply them to all facets of the hospitality industry. Updated with the latest developments in the accounting and hospitality fields, *Hospitality Financial Accounting* Second Edition covers the basics of financial accounting first and then shows hospitality students how to analyze financial statements and deal with the daily issues they will face on the job. *Hospitality Industry Financial Accounting* Raymond S. Schmidgall, James W. Damitio, 2006 *Accounting and Financial Analysis in the Hospitality Industry* Jonathan Hales, 2006-08-11 The objective of this textbook is to teach students to be conversational in speaking numbers. This means understanding fundamental accounting concepts, developing solid financial analysis abilities, and then applying them to understand and improve the operational performance of their hotel or restaurant. The book will accomplish this by studying the current practices of some of today's leading hotel and restaurant companies. Chapters will be developed under the auspices of a select group of hospitality industry General Managers, Directors of Finance, and Regional Accounting Managers to ensure that the information is current, accurate, and useful. Understanding and applying the information will be the main focus of this book. This textbook should provide hospitality managers the knowledge and experience to be comfortable in using numbers to operate their departments. This includes developing the ability to perform all accounting and financial aspects of their position efficiently and correctly, including revenue forecasting, wage scheduling, budgeting, P/L critiques, purchasing procedures, and cost control methods. As a result, they will have more time to spend on the floor with their customers and employees. This knowledge will help them understand their operations and how to improve, change, or expand them to increase revenues or profits. **Hospitality Financial Accounting** Jerry J.
