Hostage Bound Hostage Free:

Hostage Bound, Hostage Free Ben Weir, 1987 Lebanon: A House Divided Sandra Mackey, 2006-07-17 A beautifully written often profound account Chicago Sun Times With a new introduction by the author a seminal study of Lebanon's past present and future Covering Lebanon's history through the Civil War of 1975-89 Sandra Mackey lays the groundwork needed to comprehend this often ill understood country offering insight into its role as the gateway between West and East and bringing a clarity of focus to the schisms that serve to divide and define Lebanon *Through Middle Eastern Eyes* Michael Parker, 2024-02-26 Kenneth E Bailey was both a missionary and a New Testament scholar As a missionary first in Egypt and later in Lebanon Israel Palestine and Cyprus he experienced firsthand the life of traditional Middle Eastern villagers which led him to the conclusion that the village culture he witnessed in the twentieth century had hardly changed since the first century Consequently he was able to reinterpret Jesus's parables and life experiences through this traditional culture In a remarkable series of acclaimed books which include *The Cross and the Prodigal* *Jacob and the Prodigal* and *Jesus through Middle Eastern Eyes* Bailey showed that Jesus was the first mind of the New Testament who used story and metaphor to challenge the leaders of his day in ways often unappreciated by contemporary readers This biography explains the origins of Bailey's key ideas and recounts his often fraught missionary career one that included the austere and the sometimes harsh life in the simple villages of Upper Egypt the perils of life in Beirut during the Lebanese Civil War 1975-1990 and being evacuated four times during the military conflicts in the region that made possible his groundbreaking insights into the New Testament **Running Away** Ulysses Stephen King, Jr., 2015-03-12 Ulysses honest candor about the Christian journey is refreshing He supports the body of Christ in developing spiritual veracity while applying practical truths *Running Away* is an authentic discourse exploring life behind the pulpit Vita Jones Ph D For those sons and daughters who served alongside their parents in ministry and were left on the battlefield wounded with scars you are not forgotten There is healing for the soul and spirit even in the midst of pain and disappointment Pastor King's daring memoir goes beyond the religious slogans and Christian jargon that is so often used by popular celebrity preachers and he examines some of the views and stereotypes cast on pastors children who serve in the church He shares his personal journey emotions and reasons for accepting the call to serve as the pastor of a historic classical Pentecostal church He also attempts to answer the question Why do so many pastors children leave the church and run away from the call to serve *Running Away* is a memoir of passion told by the son of a bishop who struggled to find his purpose and destiny in a denomination he no longer loved after the death of his father The book looks at Pastor King's personal tests failures and trials in ministry and what it took for him to overcome some of the painful experiences of leadership *Running Away* is not a memoir of triumph or failure but of truth his truth Pastor King takes a leap of faith and risk by being vulnerable in order to share his story with a broader and wider community hoping his readers will understand his heart and love for his father and the local church he faithfully served for over thirty years

Running Away is a must read for pastors with children and Christians who are often critical of them *The Cultivated Life*
Susan S. Phillips, 2015-05-22 Sociology professor and spiritual director Susan Phillips walks us through our circuslike cultural landscape to invite us into a cultivated life of spirituality and attentiveness God extends to us an invitation to live in the garden of grace and these pages unfold the spiritual practices that can lead us into a new and delightful way of living

Arab Intellectuals and American Power M.D. Walhout, 2020-10-01 Edward Said the famous Palestinian American scholar and activist was one of the twentieth century's most iconic public intellectuals whose pioneering and to some controversial work on Orientalism shaped Middle Eastern and postcolonial studies and beyond But how exactly did he arrive at his famous maxim to speak truth to power This dual biographical study examines the lives of Edward Said and the eminent Lebanese philosopher and diplomat Charles Malik a distant relative 30 years his senior whom Said knew from childhood as Uncle Charles To Said Malik was no ordinary relative in his memoir he called Malik the great negative intellectual lesson of my life and was to describe him as an ideal as I was growing up only to later claim Malik went through an ugly transformation that I could never come to terms with M D Walhout charts the development of these two remarkable figures reconstructing in the process the way in which American power in the Middle East came to have a defining effect on Arab intellectuals in the twentieth century Exploring issues of religion and nationalism Walhout shows how Said came to reject much of what Malik stood for Christian faith hardline anti Communism and the benign nature of American power He argues that the example of Malik was instrumental in the development of Said's later belief that the true vocation of the intellectual was not to compromise with power but to resist it **The Arab Christian** Kenneth Cragg, 1991-01-01 Centuries before the

existence of the Islamic faith there were Arabs who could be described as Christian And there has been a Christian Arabism an Arab Christianity since Muhammad's day Arab Christianity has survived Muslim dominance and this enlightening book takes an in depth look at its survival The SAGE Encyclopedia of Terrorism, Second Edition Gus Martin, 2011-06-15 Six years after publication of the first edition of the best selling Encyclopedia of Terrorism much has changed on the national security scene Despite the dark promises of Osama bin Laden following the 9 11 attacks the United States has not experienced any major domestic terror incidents Al Qaeda itself is believed to be a severely crippled organization But while U S wars in Afghanistan and Iraq not to mention the arrival of the Obama administration a new balance of power within Congress and an increasingly fragile economic picture have significantly affected the national security picture the threat of economic chaos and massive loss of life due to terror attacks has not abated Indeed in July 2008 analysts pointed out that even a relatively small terrorist organization could present a dire threat with some experts arguing that a biological chemical or even nuclear attack on a major U S city is all but inevitable In this highly charged rapidly shifting environment we are pleased to present the The SAGE Encyclopedia of Terrorism Second Edition a thoroughly updated and expanded edition of the original highly regarded reference work Nearly 100 000 words of new material will be added along with fully updated

original entries and expanded coverage New introductory essays will explore the impact of terrorism on economics public health religion and even pop culture Ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over FISA legislation and Guantanamo Bay will also be covered Two dozen entries on significant recent events such as the London bombings Chechen attacks on Russian interests and the rescue of Ingrid Bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers

Arabists Robert D. Kaplan, 1995-07-01 A tight knit group closely linked by intermarriage as well as class and old school ties the Arabists were men and women who spent much of their lives living and working in the Arab world as diplomats military attaches intelligence agents scholar adventurers and teachers As such the Arabists exerted considerable influence both as career diplomats and as bureaucrats within the State Department from the early nineteenth century to the present But over time as this work shows the group increasingly lost touch with a rapidly changing American society growing both more insular and headstrong and showing a marked tendency to assert the Arab point of view Drawing on interviews memoirs and other official and private sources Kaplan reconstructs the 100 year history of the Arabist elite demonstrating their profound influence on American attitudes toward the Middle East and tracing their decline as an influx of ethnic and regional specialists has transformed the State Department and challenged the power of the old elite American History for Children and Young Adults Vandelia VanMeter, 1990 An index to recommended books about people and events in US history Books are included if they were reviewed between 1980 and 1988 in journals commonly available in small to medium sized public and school libraries Annotations provide complete bibliographic data recommended grade level and citations to the journal reviews The arrangement is by time period subdivided by subject Also available on disk for the Apple Mac and IBM Annotation copyrighted by Book News Inc Portland OR *Kingdom Marriage Devotional* Tony Evans, 2016 This 90 day devotional is a perfect way for kingdom couples to start the day together remembering the principles they are learning in the Kingdom Marriage book DVD Video Curriculum or Participant s Guide Couples will find daily inspiration to step together into the full role God has for them so they begin to fulfill God s design and purpose for their marriage With practical insights and powerful stories Tony Evans inspires and instructs couples so they discover the hope challenge and guidance God s Word provides for their journey together Kingdom Marriage Devotional shows couples that the key to influencing our society and the world with lasting impact is found in solidifying Biblical marriage the way God intended It starts with both wife and husband being nurtured in the Lord s presence and then reflecting His image within the roles and responsibilities of their union Kingdom Marriage Devotional and other Kingdom Marriage products are part of an entire line of Kingdom products by Tony Evans including Kingdom Man Kingdom Woman Raising Kingdom Kids and the Kingdom Quest strategy guides for kids and teens Crossing the Line Rosalie G. Riegle, 2013-01-01 Of course let us have peace we cry but at the same time let us have normalcy let us lose nothing let our lives stand intact let us know neither prison nor ill repute nor disruption of ties

There is no peace because there are no peacemakers There are no makers of peace because the making of peace is at least as costly as the making of war at least as exigent at least as disruptive at least as liable to bring disgrace and prison and death in its wake Daniel Berrigan No Bars to Manhood More than sixty five peacemakers have contributed oral narratives to this compelling history of those who say no to war making in the strongest way possible by engaging in civil disobedience and paying the consequences in jail or prison Crossing the Line gives voice to often neglected social history and provides provocative stories of actions trials and imprisonment This fascinating volume serves as an excellent supplement to conventional histories Almost all the storytellers here are people of faith or are inspired by those who live by faith Many work at conventional careers some do full time peacemaking by living in Catholic Worker houses or in the Jonah House community several are priests and nuns who minister worldwide Also featured are three resisters prominent in War Resisters League history From World War II conscientious objectors to contemporary activists these narrators have refused to be helpless in the face of a violent world and have said with their bodies that they do not accept the status quo of permanent war and war preparation In short the voices illustrate hope at a time when it seems in short supply Publishers Weekly ,1987

Savior Magrey deVega,2020-12-15 The cross is the central symbol of the Christian faith But what exactly did Jesus do to save us from our sins Why was the cross necessary and what does it mean for us today In Savior What the Bible Says About the Cross Magrey deVega faithfully describes the need for reconciliation between humankind and a holy God through Jesus death on the cross The Bible uses many images to understand the meaning of Jesus death and resurrection and deVega guides us through these images to achieve a richer understanding of the Christian faith By exploring the mystery of salvation through the cross we can deepen our love for God and others and strengthen our commitment to follow Jesus Components for this six session study will include a book leader guide and a DVD with videos featuring deVega presenting each chapter s main ideas and themes The leader guide will include instructions for showing and discussing these videos as an option for the group leader **Grotius on the Rights of War and Peace: an Abridged Translation** Hugo Grotius,1853 **Law of**

are no meaningful alternatives Brouwer helps us find an inspiring and ever relevant call to faith we become the persons we are through the daily choices we make about Jesus and others Fahrenheit Classified: Zero Hour Tavares
