still trying to find himself and I thought that I had already done so I don't know why but I agreed to a second date On my drive down to visit him I called my best friend and said This is our second and last date I'm only going because he drove to Baltimore and I feel bad about that We'll hang out on his turf and this will be it Seven hours later I was on my way back home calling my brother at 2 a.m. and telling him that while it could have been something I had eaten I was pretty sure I had butterflies Fast forward three years later and we are married Getting Back on the Horse By Julia Light I walk down the stairs and just continue walking right out the door to the sidewalk up the block to my car jump in start her up and drive away I have a pang of guilt I dismiss it How often have I been stood up walked out on or otherwise been dissed The following day I receive an angry email Where did you go I thought you might've been hurt I was worried The guilt returns I'm not that type of person I decide to email him the truth using the safety of the computer I tell him that you lied to me about your appearance I was uncomfortable around you and I wasn't sure what else you could be lying about I did not mean for you to worry but frankly we barely knew each other Get some perspective Best wishes Nice Girls Don't Internet Date By Desdemona Bandini He picked me up in his Cadillac Escalade SUV and dropped hints of his million dollar ventures but we had fun The next date he wanted me to go to his palatial crib and watch a movie while he cooked for me Translation Sex I was suppose to do the usual Oh your car is big your house is so nice do me But I didn't I said I would go on a date but not to his house He threw a tantrum and that was that The next guy was James 007 who was from the South and had an adorable photo of a blond yuppie that turned out to be very old He had straggly black hair and looked like the devil His music choice Marilyn Manson He requested I wear black When he tried to spank me within 10 minutes of meeting me I'd had enough Cyber Love and the Swingers Club By Dana Verdino Ken whispered in my ear They're swingers Everyone here swings For a moment
