Hot Man The Life Of Art Hodes

Kiri Miller

Hot Man The Life Of Art Hodes:

Hot Man Art Hodes, Chadwick Hansen, 1992 This memoir by the internationally renowned jazz pianist Art Hodes born in Russia in 1904 is in its own way a blues a lament for and a celebration of music and musicians we have lost The last of the living legends among Chicago jazz musicians Hodes joins with jazz historian Chadwick Hansen to provide a unique perspective on more than seven decades of jazz history With an honesty not usually found in jazz books *Hot Man* captures Hodes s professional career from his apprenticeship in Chicago in the 1920s to the present The book offers remarkable inside views of gangster clubowners the great New York jazz clubs and the vicious jazz wars of the 1940s Chicago from the 1950s the very closed and special world of jazz musicians the curious relationships between musicians and their audiences and Hodes s experiences with jazz greats including Louis Armstrong and Bix Beiderbecke No other white musician has given us such a full account of learning to play from black musicians This intimate journey takes us to a vast circle of fellow musicians to recording companies and the business of the profession to Hodes s other career as a writer and editor of the *Jazz Record* a publication that existed through most of the 1940s Hodes s story includes almost thirty photographs and a comprehensive discography filling a gap in the world of jazz literature

A Guru's Journey Sarah Morelli, 2019-12-20 An important modern exponent of Asian dance Pandit Chitresh Das brought kathak to the United States in 1970 The North Indian classical dance has since become an important art form within the greater Indian diaspora Yet its adoption outside of India raises questions about what happens to artistic practices when we separate them from their broader cultural contexts *A Guru's Journey* provides an ethnographic study of the dance form in the San Francisco Bay Area community formed by Das Sarah Morelli a kathak dancer and one of Das s former students investigates issues in teaching learning and performance that developed around Das during his time in the United States In modifying kathak s form and teaching for Western students Das negotiates questions of Indianness and non Indianness gender identity and race Morelli lays out these issues for readers with the goal of deepening their knowledge of kathak aesthetics technique and theory She also shares the intricacies of footwork facial expression in storytelling and other aspects of kathak while tying them to the cultural issues that inform the dance

California Polyphony Mina Yang, 2010-10-01 What does it mean to be Californian To find out Mina Yang delves into multicultural nature of musics in the state that has launched musical and cultural trends for decades In the early twentieth century an orientalist fascination with Asian music and culture dominated the popular imagination of white Californians and influenced their interactions with the Asian Other Several decades later tensions between the Los Angeles Police Department and the African American community made the thriving jazz and blues nightclub scene of 1940s Central Avenue a target for the LAPD s anti vice crusade The musical scores for Hollywood s noir films confirmed reactionary notions of the threat to white female sexuality in the face of black culture and urban corruption while Mexican Americans faced a conflicted assimilation into the white American mainstream Finally Korean Americans in the twenty first century turned to hip hop to

express their cultural and national identities A compelling journey into the origins of musical identity California Polyphony explores the intersection of musicology cultural history and politics to define Californian *The Hayloft Gang* Chad Berry, 2008 An astute collection of inquiries into the rich history and impact of the National Barn Dance *King of the Queen City* Jon Hartley Fox, 2010-10-01 King of the Queen City is the first comprehensive history of King Records one of the most influential independent record companies in the history of American music Founded by businessman Sydney Nathan in the mid 1940s this small outsider record company in Cincinnati Ohio attracted a diverse roster of artists including James Brown the Stanley Brothers Grandpa Jones Redd Foxx Earl Bostic Bill Doggett Ike Turner Roy Brown Freddie King Eddie Vinson and Johnny Guitar Watson While other record companies concentrated on one style of music King was active in virtually all genres of vernacular American music from blues and R B to rockabilly bluegrass western swing and country A progressive company in a reactionary time King was led by an interracial creative and executive staff that redefined the face and voice of American music as well as the way it was recorded and sold Drawing on personal interviews research in newspapers and periodicals and deep access to the King archives Jon Hartley Fox weaves together the elements of King's success focusing on the dynamic personalities of the artists producers and key executives such as Syd Nathan Henry Glover and Ralph Bass The book also includes a foreword by legendary guitarist singer and songwriter Dave Alvin *Mormonism and Music* Michael Hicks, 2003 A history of the Mormon faith and people as they use the art of music to define and re define their religious identity *Charles Ives's Concord* Kyle Gann, 2017-05-16 In 1921 insurance executive Charles Ives sent out copies of a piano sonata to two hundred strangers Laden with dissonant chords complex rhythm and a seemingly chaotic structure the so called Concord Sonata confounded the recipients as did the accompanying book *Essays before a Sonata* Kyle Gann merges exhaustive research with his own experience as a composer to reveal the Concord Sonata and the essays in full Diffracting the twinned works into their essential aspects Gann lays out the historical context that produced Ives's masterpiece and illuminates the arguments Ives himself explored in the *Essays* Gann also provides a movement by movement analysis of the work's harmonic structure and compositional technique connects the sonata to Ives's works that share parts of its material and compares the 1921 version of the Concord with its 1947 revision to reveal important aspects of Ives's creative process A tour de force of critical theoretical and historical thought Charles Ives's Concord provides nothing less than the first comprehensive consideration of a work at the heart of twentieth century American music **Traveling Home** Kiri Miller, 2008 The participatory tradition of Sacred Harp singing fosters a diverse musical community *Rethinking American Music* Tara Browner, Thomas Riis, 2019-03-16 In *Rethinking American Music* Tara Browner and Thomas L Riis curate essays that offer an eclectic survey of current music scholarship Ranging from Tin Pan Alley to Thelonious Monk to hip hop the contributors go beyond repertory and biography to explore four critical yet overlooked areas the impact of performance patronage's role in creating music and finding a place to play it personal identity and the ways cultural and

ethnographic circumstances determine the music that emerges from the creative process Many of the articles also look at how a piece of music becomes initially popular and then exerts a lasting influence in the larger global culture The result is an insightful state of the field examination that doubles as an engaging short course on our complex multifaceted musical heritage Contributors Karen Ahlquist Amy C Beal Mark Clagu Esther R Crookshank Todd Decker Jennifer DeLapp Birkett Joshua S Duchan Mark Katz Jeffrey Magee Sterling E Murray Guthrie P Ramsey Jr David Warren Steel Jeffrey Taylor and Mark Tucker

The Bluegrass Reader Thomas Goldsmith, 2004 A chronological guide to bluegrass music that describes and traces the development of the musical genre

Earl Scruggs and Foggy Mountain Breakdown Thomas Goldsmith, 2019-09-30 Recorded in 1949 Foggy Mountain Breakdown changed the face of American music Earl Scruggs s instrumental essentially transformed the folk culture that came before it while helping to energize bluegrass s entry into the mainstream in the 1960s The song has become a gateway to bluegrass for musicians and fans alike as well as a happily inescapable track in film and television Thomas Goldsmith explores the origins and influence of Foggy Mountain Breakdown against the backdrop of Scruggs s legendary career Interviews with Scruggs his wife Louise disciple Bela Fleck and sidemen like Curly Seckler Mac Wiseman and Jerry Douglas shed light on topics like Scruggs s musical evolution and his working relationship with Bill Monroe As Goldsmith shows the captivating sound of Foggy Mountain Breakdown helped bring back the banjo from obscurity and distinguished the low key Scruggs as a principal figure in American acoustic music Passionate and long overdue Earl Scruggs and Foggy Mountain Breakdown takes readers on an ear opening journey into two minutes and forty three seconds of heaven

Hawaiian Music in Motion James Revell Carr, 2014-10-15 Hawaiian Music in Motion explores the performance reception transmission and adaptation of Hawaiian music on board ships and in the islands revealing the ways both maritime commerce and imperial confrontation facilitated the circulation of popular music in the nineteenth century James Revell Carr draws on journals and ships logs to trace the circulation of Hawaiian song and dance worldwide as Hawaiians served aboard American and European ships He also examines important issues like American minstrelsy in Hawaii and the ways Hawaiians achieved their own ends by capitalizing on Americans conflicting expectations and fraught discourse around hula and other musical practices

Blues All Day Long Wayne Everett Goins, 2014-08-30 A member of Muddy Waters legendary late 1940s 1950s band Jimmy Rogers pioneered a blues guitar style that made him one of the most revered sidemen of all time Rogers also had a significant if star crossed career as a singer and solo artist for Chess Records releasing the classic singles That s All Right and Walking By Myself In Blues All Day Long Wayne Everett Goins mines seventy five hours of interviews with Rogers family collaborators and peers to follow a life spent in the blues Goins account takes Rogers from recording Chess classics and barnstorming across the South to a late in life renaissance that included new music entry into the Blues Hall of Fame and high profile tours with Eric Clapton and the Rolling Stones Informed and definitive Blues All Day Long fills a gap in twentieth century music history with the story of one of the blues

eminent figures and one of the genre's seminal bands Unbinding Gentility Candace Bailey, 2021-04-13 A Choice Outstanding Academic Title for 2022 Hearing southern women in the pauses of history Southern women of all classes races and walks of life practiced music during and after the Civil War Candace L Bailey examines the history of southern women through the lens of these musical pursuits uncovering the ways that music's transmission education circulation and repertory help us understand its meaning in the women's culture of the time Bailey pays particular attention to the space between music as an ideal accomplishment part of how people expected women to perform gentility and a real practice what women actually did At the same time her ethnographic reading of binder's volumes letters and diaries and a wealth of other archival material informs new and vital interpretations of women's place in southern culture A fascinating collective portrait of women's artistic and personal lives Unbinding Gentility challenges entrenched assumptions about nineteenth century music and the experiences of the southern women who made it *Champagne Charlie and Pretty Jemima* Gillian M Rodger, 2010-06-17 In this rich imaginative survey of variety musical theater Gillian M Rodger masterfully chronicles the social history and class dynamics of the robust nineteenth century American theatrical phenomenon that gave way to twentieth century entertainment forms such as vaudeville and comedy on radio and television Fresh bawdy and unabashedly aimed at the working class variety honed in on its audience's fascinations emerging in the 1840s as a vehicle to accentuate class divisions and stoke curiosity about gender and sexuality Cross dressing acts were a regular feature of these entertainments and Rodger profiles key male impersonators Annie Hindle and Ella Wesner while examining how both gender and sexuality gave shape to variety By the last two decades of the nineteenth century variety theater developed into a platform for ideas about race and whiteness As some in the working class moved up into the middling classes they took their affinity for variety with them transforming and broadening middle class values Champagne Charlie and Pretty Jemima places the saloon keepers managers male impersonators minstrels acrobats singers and dancers of the variety era within economic and social contexts by examining the business models of variety shows and their primarily white working class urban audiences Rodger traces the transformation of variety from sexualized entertainment to more family friendly fare a domestication that mirrored efforts to regulate the industry as well as the adoption of aspects of middle class culture and values by the shows performers managers and consumers **Hoedowns, Reels, and Frolics** Phil Jamison, 2015-07-15 In Hoedowns Reels and Frolics old time musician and flatfoot dancer Philip Jamison journeys into the past and surveys the present to tell the story behind the square dances step dances reels and other forms of dance practiced in southern Appalachia These distinctive folk dances Jamison argues are not the unaltered jigs and reels brought by early British settlers but hybrids that developed over time by adopting and incorporating elements from other popular forms He traces the forms from their European African American and Native American roots to the modern day On the way he explores the powerful influence of black culture showing how practices such as calling dances as well as specific kinds of steps combined with

white European forms to create distinctly American dances From cakewalks to clogging and from the Shoo fly Swing to the Virginia Reel Hoedowns Reels and Frolics reinterprets an essential aspect of Appalachian culture Bean Blossom Thomas A. Adler,2011-05-23 Bean Blossom Indiana is home to the annual Bean Blossom Bluegrass Festival founded in 1967 by Bill Monroe the father of bluegrass Here Adler discusses the development of bluegrass music the many personalities involved in the bluegrass music scene the interplay of local regional and national interests and more **Peggy Glanville-Hicks**

Suzanne Robinson,2019-06-16 As both composer and critic Peggy Glanville Hicks contributed to the astonishing cultural ferment of the mid twentieth century Her forceful voice as a writer and commentator helped shape professional and public opinion on the state of American composing The seventy musical works she composed ranged from celebrated operas like Nausicaa to intimate jewel like compositions created for friends Her circle included figures like Virgil Thomson Paul Bowles John Cage and Yehudi Menuhin Drawing on interviews archival research and fifty four years of extraordinary pocket diaries Suzanne Robinson places Glanville Hicks within the history of American music and composers P G H forged alliances with power brokers and artists that gained her entrance to core American cultural entities such as the League of Composers New York Herald Tribune and the Harkness Ballet Yet her impeccably cultivated public image concealed a private life marked by unhappy love affairs stubborn poverty and the painstaking creation of her artistic works Evocative and intricate Peggy Glanville Hicks clears away decades of myth and storytelling to provide a portrait of a remarkable figure and her times

Bluegrass Breakdown Robert Cantwell,2003 Bluegrass Breakdown is an expansive foray into the makings of bluegrass More than any other book of its kind it gets to the roots of a uniquely American music that is deeply linked to working class ideals and romanticism Robert Cantwell engages the historical background commercial origins internal workings and cultural and social significance of popular old time music to provide a unique musicological and sociological perspective Well versed in the history of the tradition and equally as interested in those who listen to the music as in those who create it Cantwell links bluegrass to its hillbilly roots in Appalachia and shows how the music was transformed by African American folk traditions the influence of jazz ragtime blues and country music and the growth of radio and recording technology

Alice Tully Albert Fuller,1999 Albert Fuller s close friendship with Alice Tully over a period of more than thirty years allows him unique insight into her eventful life and colorful personality The daughter of a Corning heiress and a state senator Miss Tully trained as a singer in Europe before turning her love of music toward enlightened philanthropy Chair of the board of directors for the Chamber Music Society of Lincoln Center for nearly twenty five years she also served on the boards of the Metropolitan Opera the New York Philharmonic and The Juilliard School and as a trustee of the Metropolitan Museum of Art the Pierpont Morgan Library and the Museum of Modern Art For her cultural contributions New York City awarded her the Handel Medallion and France conferred on her the three steps of the National Order of Merit as well as the prestigious Legion of Honor BOOK JACKET
