It's just the season of life I'm in. But did you know that just as God has purposes for the seasons of nature, he also uses seasons in your life to grow you, work with you, and talk to you. Richard Blackaby explains in *The Seasons of God* how understanding the principles of the seasons can offer us hope, direction, insight, and intimacy with God himself. It's a thoughtful exploration of God's patterns at work in our lives, how His will is being carried out in the best way at the best time. Your plans, your relationships, your career, your ministry, all have their unique, God-intended moment. God's Word expresses it this way: For everything there is a season, and a time for every matter under heaven. So what's your season of life? And what is God telling you through the season you're in?
