Hotel Room Trilogy Barry Gifford, 1995 From the author of *Arise and Walk and Wild at Heart* a trio of one act plays depicting the spooky strange and tragic passage of guests through the same hotel room

The Complete Lynch David Hughes, 2014-04-30 After working with David on his previous work for the series *The Complete Kubrick* we knew we were on to a winner for this book Not only is David Lynch a master of modern film making but David Hughes is well qualified to write this complete book The book covers all Lynch's films including *Mulholland Drive* TV and other projects as well as the unrealised ventures such as *Revenge of the Jedi* later directed by Richard Marquand as *Return of the Jedi* It also includes a foreword by Barry Gifford the novelist behind *Wild at Heart* and co writer with Lynch of the screenplay for *Lost Highway* and excerpts from a new interview David Hughes carried out with David Lynch himself **The Complete Lynch** is the only comprehensive study of this great director

David Lynch Colin Odell, Michelle Le Blanc, 2007-10-28 Internationally renowned David Lynch is America's premier purveyor of the surreal an artist whose work in cinema and television has exposed the world to his highly personalized view of society Examining Lynch's entire body of work from the cult surrealism of his debut feature *Eraserhead* to his latest mystery *Inland Empire* this book considers the themes motifs and stories behind his incredible works In Lynch's world the mundane and the fantastical collide often with terrifying consequences It is a place where the abnormal is normal the respectable becomes sinister where innocence is lost redemption gained at a terrible price and where there's always music in the air From the deserts of a distant world to an ordinary backyard at the breakneck speed of *Lost Highway* or the sedate determination of *The Straight Story* readers will experience amateur sleuths messiahs giants and dwarves chanteuses psychopaths cherry pie and damn fine coffee

The Rooster Trapped in the Reptile Room Barry Gifford, 2003-05-06 Everything I have to say about race and religion and politics is in the novels declares Barry Gifford *The Rooster Trapped in the Reptile Room* gathers generous portions of all thirteen novels and novellas as well as first person essays generous helpings of poetry journalism and a new interview with the author The broad contours of an episodic output emerge a full length view of the freaks and freakish incidents that populate Gifford's unique human comedy A world as *Lula* the author's favorite of all his characters reflects wild at heart and weird on top *The Rooster Trapped in the Reptile Room* provides essential reading for anyone after the soul of American writing

Wyoming Barry Gifford, 2004-05-04 A woman and her young son travel by car through the southern and midwestern United States in this heartbreakingly spare novel in dialogue As the mother drives she and the boy Roy trade impressions of the landscape and of life in the process approaching an understanding of each other and their shared inner landscape Mom can we drive to Wyoming You mean now Uh huh Is it far Very far We're almost to Georgia Can we go someday Sure Roy we'll go We won't tell anyone right Mom No baby nobody will know where we are And we'll have a dog I

don't see why not From now on when anything bad happens I'm going to think about Wyoming Running with my dog It's a good thing baby Everybody needs Wyoming from Wyoming *Perdita Durango* Barry Gifford,1996 Bad girl Perdita Durango and her dealer boyfriend Romeo Dolorosa get their kicks on a journey from Louisiana to Los Angeles that involves santeria rituals and kidnapping **Southern Nights** Barry Gifford,2019-01-15 God in these Southern Nights is only another possibly deranged near relative cast in the only nonspeaking part in this human drama Everyone else talks and talks And it's the dialogue in these novels that makes them three of Gifford's best reminders of the author's seemingly unlimited range and versatility a comic tragic genius for our time Night People Arise for the copious raw violence for the invented religions and gods that make people do things and for all the other horrors that somehow cohabit affably with the genuine pathos and loveliness of the many unforgettable characters and the things these characters say so winningly that we've never heard anyone say before **Brando Rides Alone** Barry Gifford,2004 Part critique part witty polemic this revisiting of one of the 1960s most tortured and misunderstood productions finds a flawed masterpiece that survived multiple writers including Stanley Kubrick an egomaniacal star with no previous directing experience and a virulent critical reaction to become in retrospect a crucial rethinking of the Western genre Included is an excerpt from a screenplay cowritten by Barry Gifford and James Hamilton that retools Brando's characters into the hapless inhabitants of a noir Old West *American Falls* Barry Gifford,2011-01-04 American Falls is the first major collection of short stories from Barry Gifford master of the dark side of the American reality These stories range widely in style and period from the 1950s to the present from absurdist exercises to romantic tales from stories about childhood innocence to novellas of murder and revenge In the title story a Japanese American motel operator chooses not to give up a total stranger a black man wanted for murder when the police come searching for him In Room 584 The Starr Hotel a man rants his outrage at an amorous couple in the room next door before he himself is arrested for having committed multiple murders The Unspoken recounts the confessions of a man without a mouth who tells about the woman who loved him And in this collection's longest fiction a novella called The Lonely and the Lost a small town's talented and colorful inhabitants solve their problems as best they can until it comes time for the devil to reap what they have sown Dark and light intermix in masterful chiaroscuro dark becoming light light revealing sinister or brooding complexity No simple endings only happy beginnings **A Critical Companion to David Lynch** Andrew M. Winters,2024-12-04 A Critical Companion to David Lynch builds on the vast debate of one of the most discussed and researched directors of the present era with commercial and critical success across multiple mediums and genres This edited volume provides a wide ranging exploration of Lynch's films practices and collaborations with nineteen original chapters examining themes including narrativity aesthetics artistry sound experimentation metafiction and patriarchy from the disciplinary perspectives of film studies art studies gender studies literary studies and philosophy Lynch's entire thought provoking oeuvre spanning over fifty years will be examined including his shorts and films animations TV series paintings
