intervention guidelines , **Catalog of Instructional Materials in Literature** California. State Department of Education,1980 *The Ubiquitous Presidency* Joshua M. Scacco, Kevin Coe,2021-03-12 American democracy is in a period of striking tumult The clash of a rapidly changing socio technological environment and the traditional presidency has led to an upheaval in the scope and standards of executive leadership Yet research on the presidency although abundant has been slow to adjust to changing realities associated with digital technologies diverse audiences and new elite practices Meanwhile journalists and the public continue to encounter and shape emerging presidential efforts in deeply consequential ways Joshua Scacco and Kevin Coe bring needed insight to this complex situation by offering the first comprehensive framework for understanding contemporary presidential communication in relation to the current socio technological environment They call this framework the ubiquitous presidency Scacco and Coe argue that presidents harness new opportunities in the media environment to create a nearly constant and highly visible presence in political and nonpolitical arenas They do this by trying to achieve longstanding presidential goals namely visibility adaptation and control However in an environment where accessibility personalization and pluralism are omnipresent considerations the strategies presidents use to achieve these goals are very different from what we once knew Using this novel framework as a conceptual anchor *The Ubiquitous Presidency* undertakes one of the most expansive analyses of presidential communication to date Scacco and Coe employ a wide variety of approaches ranging from surveys and survey experiments to large scale automated content and network analyses to qualitative textual analysis to uncover new aspects of the intricate relationship between the president news media and the public Focusing on the presidency since Ronald Reagan and devoting particular attention to the cases of Barack Obama and Donald Trump the book uncovers remarkable shifts in communication that test the institution of the presidency and consequently democratic governance itself Reading as Communication Frank B. May,1994 **Positive Ageing** Nilanjana Sanyal, Manisha Dasgupta,2020-12-20 This book presents a kaleidoscopic view of the positive layers of ageing as well as key interventions that can help generate and maintain positivity and well being among the elderly It explores the connections of ageing with spirituality nature and existentialism and leisure to encourage creativity individuation happiness and emotional detachment It further examines various interventions such as end of life care mindfulness and yoga retrospection life review and so on which may improve the overall quality of life by promoting the health of the elderly individual The book focuses on authentic ageing transpersonal gerontology the concept of the elder child geriatric interventions and caregiving and suggests practical improvements in health and facilities for the elderly It also covers aspects of the inner life of the prolonged ailing or dying person from a mental health perspective and emphasizes the value of positive ageing A guide to applied geriatrics and geriatric psychology with its simple style and clear methods in end to end praxis the book shows how mental well being can be fostered in the elderly to help them find meaning and purpose in old age This book will interest students teachers and researchers of psychology positive psychology geropsychology and
