Hound In The Left Hand Corner:

The Hound in the Left-hand Corner Giles Waterfield, 2007-11-01 In this brilliantly witty satire a bestseller in the UK a prestigious British museum launches an ambitious new exhibit which quickly becomes a seasonal nightmare Think that a day in the life of a London museum director is cold quiet and austere Think again Giles Waterfield brings a combination of intellectual comedy and knockabout farce to the subject in this story of one long day in a museum full of scandals screw ups and more than a few scalawags At the beginning of *The Hound in the Left hand Corner* Auberon the brilliant but troubled director of the Museum of British History is preparing one midsummer s day for the opening of the most spectacular exhibition his museum has ever staged The centerpiece is a painting of the intriguing Lady St John strikingly attired as Puck which hasn t been shown in London in a hundred years As the day passes the portrait arouses disquieting questions jealousies rivalries and more than a few strange affections in the minds of the museum staff As guests and employees pour in the tension rises and Auberon himself has the hilariously ridiculous task of keeping the peace without losing his own sense of reality as well For everyone who loves the farce of David Lodge and Michael Frayn or even the Antiques Roadshow the fast paced hilarious satire of *The Hound in the Left hand Corner* is sure to delight and entertain **The Hound in the**
