Hounds Of The Morrigan:

The Hounds of the Morrigan Pat O'Shea, 2003 When a ten year old boy finds an old book of magic in a bookshop in Ireland the forces of good and evil gather to do battle over it The Hounds of the Mórrígan Pat O'Shea, 1987 When a ten year old boy finds an old book of magic in a bookshop in Ireland the forces of good and evil gather to do battle over it Hounds of the Morrigan , Celtic Myth in Contemporary Children's Fantasy Dimitra Fimi, 2017-03-06 Runner up of the Katherine Briggs Folklore Award 2017 Winner of the Mythopoeic Scholarship Award for Myth Fantasy Studies 2019 This book examines the creative uses of Celtic myth in contemporary fantasy written for children or young adults from the 1960s to the 2000s Its scope ranges from classic children's fantasies such as Lloyd Alexander's The Chronicles of Prydain and Alan Garner's The Owl Service to some of the most recent award winning fantasy authors of the last decade such as Kate Thompson The New Policeman and Catherine Fisher Darkhenge The book focuses on the ways these fantasy works have appropriated and adapted Irish and Welsh medieval literature in order to highlight different perceptions of Celticity The term Celtic itself is interrogated in light of recent debates in Celtic studies in order to explore a fictional representation of a national past that is often romanticized and political **Faeleahn** Jenna Elizabeth Johnson, 2015-06-29 This book was originally published in the anthology Faery Tales Six Novellas of Magic and Adventure I blinked at my reflection my Faelorehn eyes shifting from one color to the next I tried to get them to settle on a blue shade to go with my dress but my nerves were too wired In less than an hour I would be Mrs Caedehn MacRoich Lady of Castle Luathara During that hectic stretch of days when Cade and I had traipsed about the countryside spreading the word of our upcoming wedding I didn t have a nervous bone in my body Now that the day had finally arrived I was ready to fall to pieces Caedehn MacRoich and Meghan Elam have been through more trials and tribulations than most young couples can imagine Despite the constant presence of a malevolent goddess bent on destroying them both and the high queen Danua doing her best to keep them apart Meghan and Cade have persevered through it all never once losing sight of one another or the love that kept them strong through it all Now Cade and Meghan are ready to make their relationship official to pledge their souls to one another in a traditional bonding ceremony of Eil Before the bonding ceremony however they must inform everyone of their intentions Although the goal is to share the news of their upcoming wedding the faelah bounty hunter and the princess of Erintara grow even closer as their love is reflected back to them by those they hold most dear Ehriad Jenna Elizabeth Johnson, 2012-09-24 From the author of the Otherworld Trilogy Three scenes from Faelorehn told from Cade's point of view A Single Thread of Magic Cade MacRoich is Ehr ad a faelah bounty hunter When he is compelled to deal with a collection of particularly nasty monsters in the mortal world he stumbles upon a stream of Faelorehn magic that leads him to something astonishing The Morrigan's Game The children of the Weald are protected by the forest's ancient magic but when the Morrigan's faelah manage to break through that barrier Cade's sister calls upon him for help Broken Geis Cade has tried in

vain to forget about the alluring Meghan Elam Unfortunately the Morrigan's interest in the young Faelorehn girl puts her in danger and makes Cade realize he is willing to risk everything to keep her safe A Store of Secrets Stephen Elboz, 2000 Bridie goes to the city to visit her Gramps but he s not at the bus station to meet her and when she goes to his yard she discovers the peculiar Crickbone twins have taken it over Bridie sets out to find her grandfather and comes across the Byzantium Bazaar an old department store and is befriended by Miss Firbanks the eccentric woman who owns it Eventually Bridie finds her grandfather and together they set about reclaiming his scrap yard and getting rid of the Crickbones Told in Stephen Elboz's own inimitable style A Store of Secrets sparkles with originality and energy and introduces the reader to a fantasy full of wonderfully eccentric characters Irish Children's Literature and the Poetics of Memory Rebecca Long, 2021-03-25 Focusing on the mythological narratives that influence Irish children's literature this book examines the connections between landscape time and identity positing that myth and the language of myth offer authors and readers the opportunity to engage with Ireland's culture and heritage It explores the recurring patterns of Irish mythological narratives that influence literature produced for children in Ireland between the nineteenth and the twenty first centuries A selection of children's books published between 1892 when there was an escalation of the cultural pursuit of Irish independence and 2016 which marked the centenary of the Easter 1916 rebellion against English rule are discussed with the aim of demonstrating the development of a pattern of retrieving re telling remembering and re imagining myths in Irish children s literature In doing so it examines the reciprocity that exists between imagination memory and childhood experiences in this **Voracious Children** Carolyn Daniel, 2006-02-22 Voracious Children explores food and the way it is used to body of work seduce to pleasure and coerce not only the characters within children's literature but also its readers. There are a number of gripping questions concerning the quantity and quality of the food featured in children's fiction that immediately arise why are feasting fantasies so prevalent especially in the British classics What exactly is their appeal to historical and contemporary readers What do literary food events do to readers Is food the sex of children's literature The subject of children eating is compelling but why is it that stories about children being eaten are not only horrifying but also so incredibly alluring This book reveals that food in fiction does far far more that just create verisimilitude or merely address greedy readers desires The author argues that the food trope in children's literature actually teaches children how to be human through the imperative to eat good food in a proper controlled manner Examining timely topics such as childhood obesity and anorexia the author demonstrates how children's literature routinely attempts to regulate childhood eating practices and only award subjectivity and agency to those characters who demonstrate normal appetites Examining a wide range of children's literature classics from Little Red Riding Hood to The Lion the Witch and the Wardrobe this book is an outstanding and unique enquiry into the function of food in children's literature and it will make a significant contribution to the fields of both children's literature and the growing interdisciplinary domain of food culture and society Faery Tales
