House Of Holt 1866 1946 An Editorial History:

The House of Holt, 1866-1946 Ellen D. Gilbert, 1993-06 Examines the founding and growth of the publishing firm of Henry Holt Co adds another milestone to the history of American publishing lively account splendid volume AB BOOKMAN S WEEKLY

Modernism on File C. Culleton, 2008-02-04 Modernism on File Writers Artists and the FBI 1920 1950 brings together important new scholarship focused on J Edgar Hoover s FBI and its institutional presence in shaping and directing American print film and art culture From Harlem to Hollywood Hoover and his bureau workers were bent on decontaminating America s creativity and this collection looks at the writers and artists who were tagged tracked and in some cases trapped by the FBI Contributors detail the threatening aspects of political power and critique the very historiography of modernism acknowledging that modernism was on trial during those years

The Robert Frost Encyclopedia Nancy L. Tuten, John Zubizarreta, 2000-12-30 Often thought of as the quintessential poet of New England Robert Frost is one of the most widely read American poets of the 20th century He was a master of poetic form and imagery his works seemed to capture the spirit of America and he became so emblematic of his country that he read his work at President Kennedy s inauguration and traveled to Israel Greece and the Soviet Union as an emissary of the U S State Department While many readers think of him as the personification of New England he was born in San Francisco published his first book of poetry in England matured as a poet while abroad taught for several years at the University of Michigan and spent many of his winters in Florida This reference helps illuminate the hidden complexities of his life and work Included in this volume are hundreds of alphabetically arranged entries on Frost s life and writings Each of his collected poems is treated in a separate entry and the book additionally includes entries on such topics as his public speeches various colleges and universities with which he was associated the honors that he won his biographers films about him poets and others whom he knew and similar items Each entry is written by an expert contributor and closes with a brief bibliography The volume also provides a chronology and concludes with a general bibliography of major studies

American Moderns Christine Stansell, 2021-05-11 In the early twentieth century an exuberant brand of gifted men and women moved to New York City not to get rich but to participate in a cultural revolution For them the city s immigrant neighborhoods home to art poetry cafes and cabarets in the European tradition provided a place where the fancies and forms of a new America could be tested Some called themselves Bohemians some members of the avant garde but all took pleasure in the exotic new and forbidden In *American Moderns* Christine Stansell tells the story of the most famous of these neighborhoods Greenwich Village which thanks to cultural icons such as Eugene O Neill Isadora Duncan and Emma Goldman became a symbol of social and intellectual freedom Stansell eloquently explains how the mixing of old and new worlds politics and art and radicalism and commerce so characteristic of New York shaped the modern American urban scene *American Moderns* is both an examination and a celebration of a way of life that s been nearly forgotten

A Leadership for Peace Robert I.

Rotberg, 2007 A Leadership for Peace is about Edwin Ginn's personal attempt to change world attitudes regarding the dangers of arming for war by appealing to logic reason and common sense **AB Bookman's Weekly**, 1994 Without Copyrights Robert Spoo, 2016 Tells the story of how the clashes between authors publishers and literary pirates influenced both American copyright law and literature itself Dust jacket flap **The Book Collector**, 1994 **The Rivers of America** Carol Fitzgerald, 2001 A comprehensive description of the 65 title Rivers of America book series 1937 1974 *Rare Books and Manuscripts Librarianship*, 1993 **The British National Bibliography** Arthur James Wells, 1994 **The Princeton University Library Chronicle** Lawrence Thompson, 1997 Vol 1 includes section Biblia devoted to the interests of the Friends of the Princeton Library v 11 **John Crowe Ransom** Craig S. Abbott, 1999 Craig Abbott's definitive descriptive bibliography of John Crowe Ransom a poet securely placed among the dozen or so twentieth century Americans who have achieved permanence in the canon supersedes and replaces T D Young's excellent pioneering annotated bibliography What truly distinguishes this book beyond its excellence as mere record is the inclusion at the beginning of most A section entries separate publications of detailed publishing histories THE SEWANEE REVIEW Literature in the Making Nancy Glazener, 2016 In the eighteenth century literature meant learned writings by the twentieth century literature had come to be identified with imaginative aesthetically significant works and academic literary studies had developed special protocols for interpreting and valuing literary texts Literature in the Making examines what happened in between how literature came to be more precisely specified and valued how it was organized into genres canons and national traditions and how it became the basis for departments of modern languages and literatures in research universities Modern literature the version of literature familiar today was an international invention but it was forged when literary cultures traditions and publishing industries were mainly organized nationally Literature in the Making examines modern literature's coalescence and institutionalization in the United States considered as an instructive instance of a phenomenon that was going global Since modern literature initially offered a way to formulate the value of legacy texts by authors such as Homer Cervantes and Shakespeare however the development of literature and literary culture in the U S was fundamentally transnational Literature in the Making argues that Shakespeare studies one of the richest tracts of nineteenth century U S literary culture was a key domain in which literature came to be valued both for fuelling modern projects and for safeguarding values and practices that modernity put at risk a foundational paradox that continues to shape literary studies and literary culture Bringing together the histories of literature's competing conceptualizations its print infrastructure its changing status in higher education and its life in public culture during the long nineteenth century Literature in the Making offers a robust account of how and why literature mattered then and matters now By highlighting the lively collaboration between academics and non academics that prevailed before the ascendancy of the research university starkly divided experts from amateurs Literature in the Making also opens new possibilities for envisioning how academics might partner with the reading
