through the sport's minor leagues Lassner is either red with rage or soft with compassion as he struggles to deal with his wayward players His top scorer is selfish and arrogant another player faces a grand jury for a point shaving scheme still others are drinking and taking drugs Lassner also faces a meddlesome team owner racial tension and the threat of losing his job if he doesn't produce victories With *The Cockroach Basketball League* Rosen provides a poignant portrait of men both players and coaches who may not ever make it to the NBA Through this look at life in the minors Rosen offers a unique perspective on college and pro basketball media hype and the psychology of dreams deferred
