Roby C. Barrett

House Of Saud:

The House of Saud in Commerce Sharaf Sabri, 2001 In the evolutionary process of Saudi Arabia the period beginning with the seventies marked by the oil revolution can be described as the turning point With this began a phase of consolidation and institutionalisation of the royal government One important development having bearing on its nation building project has been the participation of the Royal Family members in economic activities of the country Since the seventies over the last three decades it is clearly visible that the engagement of the Saudi Royal Family in economy and business has grown not only in volume but in form also This study has attempted to look at the sprawling business activities of the Royal Family members not merely as a profile but relate it to the evolutionary context The first major study that examines the gradual process of emerging entrepreneurship in the Saudi Royal Family It highlights the role of the royal entrepreneurs in the development of the Saudi private sector The study shows that their investments have created a positive climate for the growth of entrepreneurship especially productive entrepreneurship on the Saudi business scene An indispensable store house of detailed account of the investments made by more than 600 royal members including princesses in 1050 Saudi companies Supported with 28 pages of index and 14 tables this data packed book is a bonanza for businessmen diplomats laymen and all those interested in Saudi Arabia and its Royal Family A must have book that contains biographical and kinship details of the Al Saud The book is one of its kind and is fully based on firsthand local sources Apart from numerous published sources in Arabic the official gazette of the government of Saudi Arabia Umm Al Qura has been extensively consulted

The House of Saud David Holden, Richard Johns, 1981 Om Saudi Arabiens nyere historie *Beneath the Veil* *Fall of the House of Saud* David Oualaalou, 2018-10-30 Saudi Arabia faces a time of uncertainty The life its rulers once enjoyed from the sale of oil is now threatened by newly emerging reserves from Iran and the United States Saudi Arabia's aged ailing monarch has defied decades of custom by naming his son as next in line for the throne Already the future heir's ill conceived policies have brought trouble to the house of Al Saud proxy wars rage in the Middle East and foreshadow a confrontation with an increasingly powerful Iran Meanwhile unrest grows at home Discontented Saudi youth grow restless from high unemployment and a repressive society The monarchy itself arrests members of its own family without cause while the religious establishment exerts its repressive influence over society Saudi Arabia finds itself weakening as the Middle East transforms Within the pages of this work one glimpses a vision of the future the inevitable demise of Saudi Arabia

Oil Xiaobing Li, Michael Molina, 2014-10-14 Despite ongoing efforts to find alternatives oil is still one of the most critical and valuable commodities on earth This two volume set provides extensive background information on key topics relating to oil profiles countries that are major producers and consumers of oil and examines relevant political issues Aside from air and water oil is perhaps the most valuable natural resource Oil supplies the tremendous energy needs of the modern world What exactly is oil where does it come from how does it get consumed and who is using it This encyclopedia provides clear answers to these questions and more offering students entries on the fundamentals of the oil industry and profiles of the countries that play a major role in oil production and consumption Volume

1 presents topical entries on critical concepts key terms major oil spills and disasters and important organizations and individuals relating to the oil industry Entries define terms such as barrel and reserve cover incidents such as the BP oil spill and explain the significance of organizations such as OPEC The second volume spotlights specific countries that are major producers consumers exporters and importers of oil from the United States to Russia to Saudi Arabia to Venezuela Each profile shows readers the importance of oil in that country through a brief background history data on its oil usage or production information about major trading partners and an explanation of political issues LIFE ,1957-04-01 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **LIFE** ,1953-12-21 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Conspiracy Encyclopedia** Thom Burnett,2006 Conspiracies are everywhere they are the lifeblood of politics business and our daily lives this truly international and all embracing encyclopedia explains the details of the world s major popular conspiracies listing them chronologically under subject matter and cross referencing them continually because so many conspiracy theories interact on some level Conspiracies are often international in their sweep and their impact the brutal stabbing of Julius Caesar the conspiracy which has defined political assassinations ever since plunged the Roman Empire into civil war which then engulfed much of the known western world More recently the Cambridge spies Philby Blunt MacLean and Burgess helped Russia throughout WWII and then re defined the Cold War afterwards Philby s defection casting a 30 year shadow over CIA Anglo American relations though conspiracies define our everyday lives there is no body of serious academic research to understand their role nature or defining characteristics Most historians prefer to adhere to the cock up theory of history in which everything happens by accident or incompetence Although this view is favoured by academics and historians it is rejected by a large part of the general public who prefer the evidence of their own lives However they consume their media what they see is a mesh of conspiracies that define the texture of their everyday lives often for the worst Most people believe that there is a grain of truth in most theories about conspiracies this book is for them **The Politics of Truth**

Management in Saudi Arabia Afshin Shahi,2013-12-04 Exploring the management of truth in the Kingdom of Saudi Arabia this book aims to investigate the ways in which the official truth is constructed and institutionalised in the country The Politics of Truth Management in Saudi Arabia argues that there are two interrelated notions which articulate the ways in which truth is conceptualised in Islam One at macro level constitutes the trans historical foundational principles of the religion a set of engrained beliefs which establish the finality and oneness of Islam in relation to other competing narratives

The other at a micro level takes place internally to find truth within the truth Unlike Islamic truth at the macro level which is entrenched the Islamic truth at the micro level refers to the various attempts by different agencies to claim to have found the truth within the truth Wahhabism which is the product of an eighteenth century revivalist movement is portrayed as the most authentic reading of Islam It is seen as the *raison d'être* for the prevailing political mechanism in the country and is introduced as an example of truth management at the micro level Arguing that truth is not born in a power vacuum and often its construction and institutionalisation signify domination in one way or another this book will be of interest to students of Religion Politics and Saudi Politics more specifically

A Brief History of Saudi Arabia James Wynbrandt, 2014-05-14
 Details the rich culture and history of Saudi Arabia [Saudi Arabia Today](#) Peter Hobday, 1978-06-17 **Area Handbook for Saudi Arabia** Richard F. Nyrop, 1977 *Saudi Arabia* Nadav Safran, 2018-08-06 Combining vast scholarship and a deep understanding of Arab culture Nadav Safran has written a sophisticated book about the politics of Saudi Arabia In a narrative that emphasizes the Saudis sense of the precariousness of their state and of their position in the Middle East Safran demystifies the behavior of the Kingdom's rulers Security has long been the predominant concern of Saudi Arabia In 1981 the Kingdom's defense and security budget was an immense 25 billion the fourth largest in the world after the United States the Soviet Union and China and the highest in the world on a per capita basis Safran traces the roots of Saudi preoccupation with security through half a century discerning political struggles and policy differences in the Saud family and how they have affected the position of the country His treatment provides an enlightening perspective on the interplay of the politics of the elite shifting inter Arab alignments and rivalries war revolution and other cataclysmic events in the Persian Gulf the ongoing Arab Israeli conflict and the involvement of the United States in the Middle East *The Greater Middle East and the Cold War* Roby C. Barrett, 2007-05-25 At the height of the Cold War the US sought to maintain power and influence in the Greater Middle East the region from Morocco to India in the context of a growing threat from Russia and the decline of British imperialism This original and important study illuminates this tense period in international relations offering many new insights into the global situation of the 1950s and 1960s Roby Barrett casts fresh light on US foreign policy under Eisenhower and Kennedy illuminating the struggles of two American administrations to deal with massive social economic and political change in an area sharply divided by regional and Cold War rivalries With a dramatic backdrop of revolutionary Arab nationalism Zionism indigenous Communism teetering colonial empires unstable traditional monarchies oil territorial disputes and the threat of Soviet domination of the region this book vividly highlights the fundamental similarities between the goals and application of foreign policy in the Eisenhower and Kennedy administrations as well as the impact of British influence on the process Drawing on extensive research in archives and document collections from Kansas to Canberra as well as numerous interviews with key policy makers and observers from both the Eisenhower and Kennedy administrations Roby Barrett explores the application of the Cold War containment policy through economic development and security

assistance Within the broader context of the global Cold War struggle the Greater Middle East also held the potential as the flashpoint for nuclear war and Barrett analyses fully the implications of this for international relations In the process this book draws some unexpected conclusions arguing that Eisenhower s policies were ultimately more successful than Kennedy s and offers an important and revisionist contribution to our understanding of the Cold War and the Middle East

Religion Matters Paul Babie,Rick Sarre,2020-03-02 This book draws together leaders in science the health sciences the humanities and the social sciences to investigate the role of religion its meaning and relevance for their area of specialization It provides a much needed fresh perspective on the way in which religion operates within the modern neo liberal world The book approaches the topic by way of a critical engagement between religion broadly defined and the individual disciplines in which each of the contributors is expert Rather than simply taking the dogmatic position that religion offers something to every possible discipline each of the chapters in this collection addresses the question is there something that religion can offer to the discipline in question That is the value of the book it takes a truly critical stance on the place of religion in contemporary society
