**Fire in the Big House** Mitchel P. Roth,2019-10-08 On April 21 1930 Easter Monday some rags caught fire under the Ohio Penitentiary s dry and aging wooden roof shortly after inmates had returned to their locked cells after supper In less than an hour 320 men who came from all corners of Prohibition era America and from as far away as Russia had succumbed to fire and smoke in what remains the deadliest prison disaster in United States history Within 24 hours moviegoers were watching Path s newsreel of the fire and in less than a week the first iteration of the weepy ballad Ohio Prison Fire was released The deaths brought urgent national and international focus to the horrifying conditions of America s prisons at the time of the fire the Ohio Penitentiary was at almost three times its capacity Yet amid darkening world politics and the first years of the Great Depression the fire receded from public concern In *Fire in the Big House* Mitchel P Roth does justice to the lives of convicts and guards and puts the conflagration in the context of the rise of the Big House prison model local and state political machinations and American penal history and reform efforts The result is the first comprehensive account of a tragedy whose circumstances violent unrest overcrowding poorly trained and underpaid guards unsanitary conditions inadequate food will be familiar to prison watchdogs today
