

The House that Jack Built

A Traditional British Nursery Rhyme

From the book [*This Is the House that Jack Built*](#)

This is the house that Jack built.

This is the cheese that lay in the house that Jack built.

This is the rat that ate the cheese
That lay in the house that Jack built.

This is the cat that chased the rat
That ate the cheese that lay in the house that Jack built.

This is the dog that worried the cat
That chased the rat that ate the cheese
That lay in the house that Jack built.

This is the cow with the crumpled horn
That tossed the dog that worried the cat
That chased the rat that ate the cheese
That lay in the house that Jack built.

This is the maiden all forlorn
That milked the cow with the crumpled horn
That tossed the dog that worried the cat
That chased the rat that ate the cheese
That lay in the house that Jack built.

This is the man all tattered and torn
That kissed the maiden all forlorn
That milked the cow with the crumpled horn
That tossed the dog that worried the cat
That chased the rat that ate the cheese
That lay in the house that Jack built.

This is the judge all shaven and shorn
That married the man all tattered and torn
That kissed the maiden all forlorn
That milked the cow with the crumpled horn

Dr. Mike Slaughter,2012-02-01 Rescue your church from the infiltration of partisan politics Especially in this election season the political discourse within our country grows more rancorous and increasingly uncivil During the last several decades there has been a growing tendency to conflate one s theological commitments with one s political ideology As a consequence partisan politics has infiltrated our churches and political commitments are creating unnecessary divisions Perhaps of most concern these trends generally tend to obscure the properly holistic nature of the Gospel of Christ and turn people off to Christianity altogether Too often it often seems politics has more influence than theology Sadly this leads to division where decisions on church direction and even the content of teaching gets determined more based on partisan politics than on sound biblical and theological factors Hijacked explores this phenomenon offers analysis and proposes a way forward
