**The Parables of Jesus** Paul Winton Saunders, 2022-10-09 Parables of Jesus examines Jewish customs during biblical times to reveal lessons on life living and walking with the Lord You ll encounter the figures that Jesus used in his stories the unjust judge who neither feared God or man the self righteous Pharisee and the humble publican in the temple the fickle children in the marketplace the unforgiving servant and others exhibiting traits as compassion jealousy and greed Pastor Paul Saunders makes the point that Jesus was appalled with the hypocritical nature of Jewish religious leadership They made a great show of righteousness but their behavior was corrupt and Jesus was not afraid to call it out The parables are brilliant relevant pithy and personally challenging Jesus uses everyday activities with which we are all familiar to illustrate a deeper truth Although numerous scholars have written about the parables of Jesus this book takes a fresh approach looking at them in context and exploring the relevance they have today

**New Insights on the Gospels - Volume II** Msgr. João Scognamiglio Clá Dias, EP, 2013-01-01 New Insights on the Gospels Volume is part of a collection that enables you to accompany Our Lord Jesus Christ throughout every Sunday of the liturgical year together with the founder of the Heralds of the Gospel Dr Scott Hahn Fr Scanlan Chair of Biblical Theology and New Evangelization at the Franciscan University of Steubenville OH

comments What a remarkable movement is the Heralds I spent my time this afternoon at JFK airport and my flight back to Pittsburgh reading New Insights with great profit and excitement I am so impressed by Msgr Scognamiglio s profound insight into Scripture as well as the spiritual wisdom that he communicates so clearly The work New Insights on the Gospels beyond being exegetical and pastoral has the merit of making theology accessible to all readers regardless of social status or academic level To soar in the heights of Theology what is needed more than culture or intelligence is faith Faith enables us to

penetrate truths and mysteries that lie beyond the reach of human understanding When it comes to believing higher learning or intellectual capacity is not of consequence what truly matters is having a soul that is open to God's light It is only in the Catholic Faith that today's world will find answers to the problems that perturb it Perhaps this explains the growing interest among the faithful in deepening their knowledge of Catholic Doctrine Could this be the reason for the successful publication of the first volumes of this collection Published in four languages English Spanish Italian and Portuguese its first edition quickly ran out achieving a circulation of almost seventy thousand copies Saving precious teachings of the Fathers and Doctors of the Church from falling into oblivion it is a response to the worthy and emphatic recommendation of the Second Vatican Council of giving primacy to Thomism cf Optatum totius n 16 in the study of the mysteries of salvation The work has met wide acceptance among priests for whom it is mainly intended to serve as a resource in homily preparation But it has met an equally warm reception among the lay faithful who are eager to broaden their religious knowledge This may be a unique symptom of the spiritual condition of our age the thirst for the divine It is a thirst that increases as it is quenched causing neither distress nor pain but only joy for those who seek to satisfy it in the crystalline springs of the Word of God

*The Christ of the Mount* E. Stanley Jones, 2019-01-13 This book which was first published in 1931 is for every person who suspects and hopes there is a better way to live responsibly and compassionately in the complex world we share In this book Jones challenges us to go deeper question and ultimately discover the effect of Jesus' principles on humanity regardless of one's background or predisposed religious views I trust this book will be an unhesitating but not a too light easy Yes to the question as to whether the Sermon on the Mount is practicable If the reading of it brings to the reader what the writing of it has brought to the writer in these months of meditation then we will both be repaid a hundredfold A trusted friend said to the writer You are not a theologian you are a divining rod You tell us where there is water beneath remember your function In this book I have tried to remember my function I have left to others the discussion of the critical questions involved in the accounts of the Sermon on the Mount as reported by Matthew and Luke I have not been able to escape theological implications who can escape them but I have tried to leave to the theologians the labeling of the wells and their more accurate description while I have endeavored to be true to my friend's commission and have pointed to where in the Sermon on the Mount I think water may be found There is water here dig and drink E Stanley Jones Introduction
